**Divine Discipline** Rhonda Harrington Kelley 2014-07-14 Self-discipline is essential to success in all areas of life. Making the conscious choice to do what is morally right takes a great deal of strength. The source of this strength comes from God. Having learned the hard way that discipline requires training, Dr. Rhonda Harrington Kelley suggests a system of checks and balances for self-control. Noting her personal journey toward spiritual discipline, Kelley offers this thought-provoking, inspirational guide. Through self-motivation and control, the author encourages you to reap the rewards of leading a disciplined life. After years of struggling with her weight and other negative aspects of her life, Kelley concluded that she had the motivation for change but not a sincere desire to gain self-control. Her belief in God's power to bring calm and purpose to some of life's most uncontrollable situations helped change her life. More than just a self-help book, *Divine Discipline: How to Develop and Maintain Self-Control* offers specific guidelines for making positive lifestyle changes toward personal growth. Kelley provides valuable guidelines for nutrition, fitness, time management, and goal planning that highlight the

importance of one's internal resources by employing inner strengths. This second edition provides new information and encouragement for those seeking divine self-control. The biblical quotes come from the New American Standard Bible published by Lockman. Through discipline, introspection, and spiritual belief, Dr. Kelley leads the wayward soul to the bounty of the Holy Spirit. Esther Burroughs provides the foreword. A well-known Christian speaker and author, she is on the staff of the Southern Baptist Convention Home Mission Board in the evangelism division.

Let everything you say be good and helpful, so that your words will be an encouragement to those who hear them." Keeping the Light in Your Eyes: A Guide to Helping Teachers Discover, Remember, Relive, and Rediscover the Joy of Teaching Beth Hurst 2018-03-29 The authors of this inspirational new book were on a mission. While much has been written about teacher burnout and the day-to-day problems teachers face, little has been written about how teachers who deal with these problems overcome them, and continue to enter the

classroom each morning with enthusiasm for their calling. To discover such teachers, the authors interviewed over 70 teachers in communities across the country to find teachers who, in a profession characterized by pressure, stress, and little reward, still find teaching an enjoyable, fulfilling career. The book includes over 150 teacher narratives of their real-life classroom experiences. The narratives provide unique insights into creating a teaching mission, setting up a community of learners, discovering the rewards of diversity, balancing personal and professional time, turning mistakes into excellence, using laughter to create rapport with students, and using discipline to create an atmosphere of trust and cooperation in the classroom. From these inspirational stories emerges a vision of the joys and rewards of working with children and a portrait of the teachers who have made a difference in the lives of their students and a contribution to their community. The quotes, stories, and advice written in the teachers' own words are interwoven with practical suggestions for ideas to make the classroom an inspirational environment for students and teachers alike.
