A Light Shining in the Darkness Karen A. Cooper
2014-11-20 "You're stupid and no one will ever love you."
These were the words Karen Cooper grew up with. While classmates took college prep courses, Karen carefully chose a skill that would allow her to escape her abusive father and her hometown in upstate New York. But despite surviving a

childhood of fear, pain, and shame, Karen's low self-esteem brought a multitude of problems, mirroring the terrors of her past, and at 19 she found herself pregnant and on her own. Rejected by the father, Karen entered a home for unwed mothers and then placed the infant up for adoption; two years later she was pregnant again by the same man and looking for an

illegal abortion. Failing and feeling worthless, she married the child's father, but the baby died of SIDS at nine weeks. This double trauma led to years of upheaval and secrets...until she finally married the man God had chosen for her. Through hard work and counseling, Karen fought her demons and overcame her past. She enjoyed professional success, found the peace of God's unconditional love, and even earned a college degree. A Light Shining in the Darkness is a painfully honest yet eloquent account of a life that seemed predestined for failure. But with God's love in her life, Karen was able to find beauty in ashes and light where there was only darkness before. Her memoir will inspire others who are struggling to hold on to hope and find the healing and restoration God has in store for us all.

The Holiness of God R.C. Sproul 2023-09-05 Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness

precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

Pastor Paul (Theological Explorations for the Church Catholic) Scot McKnight 2019-09-03 Being a pastor is a complicated calling. Pastors are often pulled in multiple directions and must "become all things to all people" (1 Cor. 9:22). What does the New Testament say (or not say) about the pastoral calling? And what can we learn about it from the apostle Paul? According to popular New Testament scholar Scot McKnight, pastoring must begin first and foremost with spiritual formation, which plays a vital role in the life and ministry of the pastor. As leaders, pastors both create and nurture culture in a church. The biblical vision for that culture is Christoformity, or Christlikeness. Grounding pastoral ministry in the pastoral praxis of the apostle Paul, McKnight shows that nurturing Christoformity was at the heart of the Pauline mission. The pastor's central calling, then, is to mediate

Christ in everything. McKnight explores seven dimensions that illustrate this concept-- friendship, siblings, generosity, storytelling, witness, subverting the world, and wisdom--as he calls pastors to be conformed to Christ and to nurture a culture of Christofornity in their churches.

James Casey 2020-12-17 We all experience at some time the darkness. For some of us, because of temptation and selfishness, it lasts longer and proves to be more devastating. But one truth remains the same for all of us, a light shines, and no matter how deep the darkness is, it cannot be overcome. Christ is the light of the world, including in our darkness, and when we begin to acknowledge Him, that light begins to shine even more and eventually becomes our guiding light out of the darkness through grace and mercy none of us deserve.

The Light Shines on in the Darkness Fr. Robert Spitzer, SJ 2017-06-20 Why would an all-loving God allow suffering? Are not suffering and love opposed to one another? Does suffering have any meaning or benefit? Is there any objective evidence for God, for a soul that will survive bodily death, for the resurrection of Jesus? Who is God anyway - benevolent and loving, or angry and retributive? Fr. Robert Spitzer, S.J., gives a comprehensive response to these questions and many others, explaining the contemporary evidence for God, the soul, and the resurrection. He discusses how God uses suffering to lead us to compassion for others and eternal life. He also shows how the Holy Spirit guides us through times of suffering toward our salvation, explaining the signs and the interior movements that reveal the Spirit's actions. Fr. Spitzer not only addresses the perplexing questions associated with suffering but teaches us how to suffer well.

He points out some of the most common mistakes people make when trying to interpret God's motives for allowing or alleviating suffering. He demonstrates why suffering - in combination with love - is one of the most powerful motivating agents for personal, cultural, and societal development.

psychologist and clergywoman

Lucille F. Sider adds her voice

to the chorus of women in the

#WhyIDidntReport and

#MeToo movements. This is

Lucille's story of resilience and

hope as a survivor of sexual

abuse. She explains the

challenges of finding her way

out of a fear-based spirituality

into one that is full of grace, hope and forgiveness. The unique richness of her book is that she wrote it to spark healing discussion. As she describes her experiences in these pages, she also steps back and offers helpful analysis as both a psychologist and a clergywoman. At the end of the book, she includes a complete study guide with questions for reflection for individuals, small groups and classes. "The book is arranged to be a valuable tool in the hands of persons in the helping professions, such as clergy, social workers, psychologists," writes the Rev. Jo Anne Lyon, General Superintendent Emerita and Ambassador of The Wesleyan Church. "This writing is so powerful, yet gentle, that people will be able to add their own words to combat the pain. Lucille's credentials enhance the power of the story. Truly a book for these days!" Lucille was just 6 years old when she was abused both physically and sexually by a hired man on the family's farm. Lucille's inner conflict about these

experiences, propelled her into a childhood of guilt and shame. While Lucille was an outstanding student, singer and athlete, she lived with an underlying fear, loneliness and mild depression. A second sexual abuse by her brother-in-law, when she was just 15 years old, added to Lucille's fears. When she tried to tell her parents about this, their response was only to pray for her—so, she kept these painful events secret for years. Many years later, her brother in law was arrested for molesting a 15-year-old girl. Lucille and others, including his own daughter, testified against him and he was incarcerated. Raised in a conservative household and faith, Lucille went to college and seminary to search for a theology that was full of grace and forgiveness. She found this especially at Yale Divinity School, though she always lived with a mild depression. Her struggle to understand both her faith and psyche led her to earn a PhD from Northwestern University in

psychology and religion. She became a clinical psychologist and pastoral counselor and later the Executive Director of The Samaritan Pastoral Counseling Center in Evanston, Illinois. At age 50, when her husband suddenly divorced her, Lucille was cast into darkness and despair which resulted in major depression. Lucille became dysfunctional and had to step down as Executive Director of her counseling center. Years of therapy led her to new ways of offering and sharing her gifts, which included writing stories and ministering to seniors, especially those suffering from dementia. In *Light Shines in the Darkness*, Lucille F. Sider shares her unique story of sexual abuse and severe mental illness, including depression and PTSD. She describes her legal battle in fighting for justice and her ongoing persistence in finding ways to remain stable. She calls these her mental health and spiritual practices and they include: counseling, medication, meditation, healthy

diet, exercise, daily prayer and church attendance. In sharing her story, Lucille now is helping others along their journeys from sexual abuse to stability—to find their own hope and their own light that shines through the darkness. “Timely, compelling and courageous, this autobiography lays bare the trauma of both child and adolescent abuse,” writes Carol Schreck, Professor Emerita of Pastoral Care and Counseling at Palmer Theological Seminary. “This book deserves to be read by any adult who, living in a culture where 80 percent of females have experienced some form of sexual abuse by the age of 18, are no longer content to keep their proverbial head in the sand.”

A Light Shines In The

Darkness James Casey

2020-06-14 We all at some time experience the darkness. For some of us it lasts longer and proves to be more devastating. But one truth remains the same for us all. A light shines in the darkness and cannot be overcome, and will guide us out of the darkness through grace and mercy none of us deserve.

Gospel Glitter: Learning to Shine in the Darkness

Lindsay Corbett 2020-10-14 A story of the light of truth, hope, and faith discovered even in the midst of dark and hopeless circumstances. The heavy darkness of sadness, loneliness, infertility, suffering, and even grief cannot compare with the light of truth found only in Jesus Christ. Gospel Glitter represents the light of the Gospel and how such tiny appearing sparkles have the potential of shining brighter together and providing hope to

the hopeless and strength to the weak. Emotional turmoil related to hardships of life, trauma, or suffering may leave you feeling hopeless, but allowing God's Word to be illuminated leaves His Word having the final say. In a world of darkness, let the Gospel of Jesus Christ be the shining evidence of His restoration and redemption power. Knowing the Word of God can shed light on the darkest nights of our lives. Also, it allows us to know the heart of our Creator, a loving God, whose plans are greater than anything we could ever plan on our own. My prayer is that the light of the Gospel will reveal a strategy to you and combat the emotional consequences of hardship in life.

Letters from My Father's Murderer Laurie Coombs 2015-06-25 An extraordinary true story of grace, mercy, and the redemptive power of God When her father was murdered, Laurie Coombs and her family sought justice—and found it. Yet, despite the swift punishment of the killer, Laurie found herself increasingly full of pain, bitterness, and anger she couldn't control. It was the call to love and forgive her father's murderer that set her, the murderer, and several

other inmates on the journey that would truly change their lives forever. This compelling story of transformation will touch the deepest wounds and show how God can redeem what seems unredeemable.

A Church Called Tov Scot McKnight 2020-10-06 "Scot and Laura do an amazing job of teaching us what a good church looks like." —Beth Moore What is the way forward for the church? Tragically, in recent years, Christians have gotten used to revelations of abuses of many kinds in our most respected churches—from Willow Creek to Harvest, from Southern Baptist pastors to Sovereign Grace churches. Respected author and theologian Scot McKnight and former Willow Creek member Laura Barringer wrote this book to paint a pathway forward for the church. We need a better way. The sad truth is that churches of all shapes and sizes are susceptible to abuses of power, sexual abuse, and spiritual abuse. Abuses occur most frequently when Christians

neglect to create a culture that resists abuse and promotes healing, safety, and spiritual growth. How do we keep these devastating events from repeating themselves? We need a map to get us from where we are today to where we ought to be as the body of Christ. That map is in a mysterious and beautiful little Hebrew word in Scripture that we translate "good," the word *tov*. In this book, McKnight and Barringer explore the concept of *tov*—unpacking its richness and how it can help Christians and churches rise up to fulfill their true calling as imitators of Jesus.

The Light Shines on in the Darkness Fr. Robert J. Spitzer, S.J., Ph.D 2017-04-10 Why would an all-loving God allow suffering? Aren't suffering and love opposed to one another? Does suffering have any benefit for this life? Does it have any benefit for eternal life? Is there any objective evidence for God - for a soul that will survive bodily death - for the resurrection of Jesus? If there is testable, objective evidence

for a resurrection, what is this resurrection like? Who is God anyway - benevolent and loving or angry and retributive? Father Spitzer gives a comprehensive explanation of contemporary evidence for God, the soul, and the resurrection, and helps us understand how God uses suffering to lead us to the resurrection, and to compassion for others. He also shows how the Holy Spirit guides us through times of suffering toward our salvation - and other's salvation, explaining the signs and interior movements that reveal the Spirit's actions. But even armed with this eternal perspective, serious questions remain. If God has power over nature, why doesn't He just perform a lot more miracles when we pray for them so that we won't have to suffer? Why did God make the natural world imperfect in the first place? Wouldn't it have been better to create us in a world without suffering - without challenge, need, and self-sacrifice? Father Spitzer not

only addresses the perplexing questions associated with suffering but he teaches us how to suffer well. He points out some of the most common errors we make in interpreting God's motives for and alleviation of suffering. He explains why suffering - in combination with love - is one of the most powerful motivating agents for personal, cultural, and societal development. Suffering and love are inextricably bound up with one another on the highest levels of human meaning.
