The Oracles of God... Or the Words of Men? Curtis Pillsbury 2010-11 Why don't people believe the Bible like they used to? Do Christians themselves truly believe the Bible? Is the Word part true, part superstition? Is it fair to claim that the Bible is superior to other sacred writings? Curtis Pillsbury has encountered these controversial questions and more and has set out to answer them using biblical proof and personal experiences. If you have ever questioned

Christianity, fear not. Curtis himself has battled similar doubts and has spent over twenty years disproving the myths. You will never again wonder, is the Bible The Oracles of God or the Words of Men? In a day in which postmodernism and humanism seek to dissolve absolute truth, Curtis Pillsbury has given us a tool to create a Christian worldview. The Oracles of God or the Words of Men? is a tool to combat New Age mumbo-jumbo and establish God's Word as an anchor for transformation and productivity. Curtis's work will help you wade through the minutia of philosophies combating real truth. Read this book as a key to your freedom. —Ron McIntosh, President of Ron McIntosh Ministries, Executive Director of Victory Bible Institute The Oracles of God or the Words of Men? will help secure for you a strong foundation in the Word of God and will strengthen your faith in the fact that God's Word is your final authority. With this revelation you can stand in the midst of any trial or temptation. This book will keep you in love with Jesus and his Word. —Terry Nance, author of God's Armorbearers

The Jurisprudence of the Living Oracles Tunji Braithwaite 2011-01-14 The causes of domestic, national and international turmoil are wide and varied, but law plays an important role in resolving these conflicts. The role that jurisprudence plays in various societies is often misunderstood. Author Tunji Braithwaite, a longtime lawyer who has spent much of his career in Nigeria, demonstrates how theological laws, astronomy, and astrology affect secular laws. He also explains the differences between

justice and law and examines the development of various legal doctrines. The Jurisprudence of the Living Oracles explores many concepts, including the higher law that governs human society, regardless of boundaries; the Everlasting Oracle, which judges everything and everybody; methods by which justice may be achieved in a world regulated by laws; the flexibility and inflexibility of the law of God; the sources of Gods laws; A useful guide for judges and legal practitioners alike, this scholarly examination also aims to generate discussions among scientists and members of various religions. Join Dr. Braithwaite as he connects religion with law and justice and seeks to help everyone avoid unpardonable errors through The Jurisprudence of the Living Oracles.

Oracles of God John Barton 2007 Oracles of God is a study of ideas about ancient prophecy current in Judaism and Christianity from the Exile to the end of the New Testament period. It examines the prophetic section of the Old Testament canon in both Hebrew and Greek traditions, the various pictures of prophets, their role and message, and looks at the various ways in which prophetic scripture were read in the period. Source material discussed includes much apocryphal and pseudepigraphical writing, documents from Qumran, the works of Philo and Josephus, the New Testament and some rabbinic literature. The book is essential reading for all students of Old and New Testament ideas about prophecy.

God's Living Oracles ... The Literature, Science, Predictions ... and Central Character of the Bible Arthur Tappan Pierson 1934

Living Oracles Arthur T. Pierson 2018-11-20 Excerpt from Living Oracles: Being the Exeter Hall Lectures on the Bible, Delivered in London, England in the Months of January, February, March and April, 1903 IN January, 1903, the writer Of this book was asked to undertake what was proposed as a series Of informal and conversational addresses in lower Exeter Hall, in London, before a body of a few hundred Christian workers and Bible students, accustomed to meet week by week for the study of Bible themes, and for further preparation for Christian work. The first address was delivered in the lower hall, but the available space was found so inadequate to the throng which attended, as to discourage the hope of increased audiences, and it was thought wise to give Opportunity for a more extended hearing by holding subsequent meetings in a larger place; and, with some mis giving, the upper hall was Opened for the purpose, but, after one or two additional lectures, well filled. There was plainly a hunger on the part Of many for the Word Of God, and God had Obviously planned, unsuspected by man, that there should be both

accommodation for a larger number of hearers, and an amplification of the originally proposed lines of address. The Latter-Day Saints' Millennial Star, Vol. 65 Francis M. Lyman 2017-05-17 Excerpt from *The Latter-Day Saints' Millennial Star, Vol. 65: August 13, 1903* Savior. _this is because the people have become acquainted with the name of the Savior and have learned from the Jewish Scriptures very much in regard to the Lord and the doctrines that were new in His day. His mission was a new revelation to them. The doctrines He then presented were different from those entertained in the world. The Christian world today have learned many of His doctrines, and although it is difficult for any to embrace the whole, yet all Christians embrace many of them. Hence we come to a people who have a portion of faith in the Savior. We come to a Christian people who have the Bible before them and are well acquainted with its doctrines, and who have learned a great deal from the Savior and His disciples. We now find men with the courage to accept the Gospel. The Christian spirit is more tolerant, than it used to be. The people are better prepared to tolerate the truth than they were anciently. When we come with the message of life and salvation, we find the world

measurably prepared for our doctrines. They are in sympathy with the teachings of the Bible, not only of the Old Testament, but the New Testament also, hence our way is comparatively easy. The Lord has revealed the truth in these last days from the heavens. He has restored His word and commanded His disciples to preach it in all the world. He has revealed Himself to the Prophet Joseph Smith, and how necessary it was, for there had not been prop Ts on the earth for eighteen hundred years! Although people lived in Christian world, the living oracles were not among them. There have been many churches; they have labored faithfully with their ministers for the salvation of the people, but they have not enjoyed the holy priesthood. You remember that the Church of the Savior was not tolerated. He Himself was destroyed, as His Apostles were also. The world was not prepared at that time to receive the message He had, hence His authority and His Church were withdrawn from men, or were driven from among them. It was necessary after eighteen hundred years that the Lord should commence to reveal Himself to the children of men. For no man that lived during that length of time knew the Father, nor had any man lived that knew the Savior. No representatives, no authorized servants of the Lord had been upon the earth during that time. If they had they would have known the Father and Jesus Christ. They would have possessed the Holy Ghost, and would have been taught by its power. The heavens would have been opened as they were to the Son of God, and the Holy Ghost would have descended upon those properly baptized. They would have known the Father and the Son. If the Christian world had had the proper authority among them they would have been one to-day instead of being numerous churches. The Oracles of God Darell B. Dyal 2023-07-28
 The Oracles of God is a message from the Word of God that teaches how to overcome evil, inherit all things, and dwell with God forever. It rebukes the powerless modern church, tells how it fell from the blessedness of God's presence into its present state, and what it must do to recover from such iniquity. The book does this in lively discourse between three friends (characters you will meet herein) and a mysterious old man who appears in their midst with a message from God. But, before he can deliver it, he must prove to them that their spiritual walk is so inadequate that they cannot even read the Bible accurately. You will chuckle as you listen to their debate. The narrative unfolds a rich, deep analysis of the Bible, with hundreds of footnotes addressing its many truths. You will be delighted by its clarity, for it demonstrates that the words of Scripture are, in reality, words from God, to be ready for what they say, not what men say they say. As they learn to do this, God's Word opens to them, and more importantly, to the reader.

The Simplicity of the Gospel of Jesus Christ

Brother Patrick Ambassador for Jesus
 2012-11-30 This book is Divinely inspired and proclaims the need for all Christians to believe all the words of Jesus Christ - exactly as He says in a correctly translated Holy Bible, such as the King James Version and those based on it. Herein includes the "First Principles of The Oracles of God", and is for all who sincerely wish that God, The Creator of all heaven and earth, will intervene in the affairs of life and in world

circumstances. All that Jesus says and is given us through His holy apostles - very much 'do' apply to all Christians today, the same as yesterday; and will apply forever. As Jesus says, "My words will by no means pass away" (Mark 24:35). Therefore, this book is for all of God's children to get understanding of the Lord's spiritual precepts and commands. The reader will review from the Holy Scriptures how every Christian should be (especially now) diligently seeking a close relationship with Jesus Christ - to know "His Ways". And, know how He has 'given us' spiritual Authority to reverse the rising social turmoil and stop the devastation that has been plaguing this nation, and over the earth. This book will enlighten every reader to know how we need to seriously examine ourselves and our relationship with Jesus Christ. And that we need to do so quickly, rather than blaming others (and each other) for our troubles; and to know that the Way to life abundantly is to truly be in Jesus Christ - not relying on government policies and programs. For the good of all in God's house, our families and our loved ones, and for the salvation of our country, it is hoped that you and all in your family will obtain a copy of this book, read and study it carefully. Herein are fresh enlightenment of God's Truth and whole Counsel. Folks; this is sorely needed, because as Jesus says, "It-is-written" (Luke 4:4). Blessings to all.

Lively Oracles of God Gordon Jeanes 2022-02-15

This book reexamines what we often take for granted: how Scripture is presented to worshipers; how it is heard, especially by those with little experience of the life of the church; Scripture's role in mediating the great narratives of incarnation and redemption at the high points of the year; where Scripture meets people in ritual transition; how the Bible itself provides the language of much public prayer. Contributors also consider how the relationship between Scripture and liturgy is tested by new priorities—the climate crisis, the inclusion and protection of children, the recognition and honoring of those who find themselves on the margins of the church, and the significance of gender and identity in all areas of the church's life. This book does not offer definitive statements. It is an invitation to a wide audience to engage in new conversations with their

practice of worship.
