The Land of the Silver Apples Nancy Farmer 2015-07-28 “Like the druidic life force Jack taps, this hearty adventure, as personal as it is epic, will cradle readers in the ‘hollow of its hand’ (Booklist, starred review). Jack has caused an earthquake. He was trying to save his sister Lucy from being thrown down a well, but sometimes the magic doesn’t quite work out. Not only does Jack demolish a monastery, but Lucy is carried off by the Lady of the Lake, and Jack has to follow her through the Hollow Road, which lies underground. Aided by Pega, a slave, and the berserker Thorgil, Jack encounters hobgoblins, kelpies, yarthkins, and elves—not the enchanted sprites one would expect, but fallen angels who steal human children for pets. In the eighth century, the world is caught between belief in the Old Gods and Christianity, and what Jack and his companions do will decide the fate of both religions. From National Book Award winner Nancy Farmer, this second book in the Sea of Trolls trilogy brilliantly enlarges the world of the first story. Look for the conclusion in The Islands of the Blessed.

[Silver, Sword, and Stone](#) Marie Arana 2020-08-18 Winner, American Library Association Booklist’s Top of the List, 2019 Adult Nonfiction Acclaimed writer Marie Arana delivers a cultural history of Latin America and the three driving forces that have shaped the character of the region: exploitation (silver), violence (sword), and religion (stone).

“Meticulously researched, [this] book’s greatest strengths are the power of its epic narrative, the beauty of its prose, and its rich portrayals of character...Marvelous” (The Washington Post). Leonor Gonzales lives in a tiny community perched 18,000 feet above sea level in the Andean cordillera of Peru, the highest human habitation on earth. Like her late husband, she works the gold mines much as the Indians were forced to do at the time of the Spanish Conquest. Illiteracy, malnutrition, and disease reign as they did five hundred years ago. And now, just as then, a miner’s survival depends on a vast global market whose fluctuations are controlled in faraway places. Carlos Buergos is a Cuban who fought in the civil war in Angola and now lives in a quiet community outside New Orleans. He was among hundreds of criminals Cuba expelled to the US in 1980. His story echoes the violence that has coursed through the Americas since before Columbus to the crushing savagery of the Spanish Conquest, and from 19th- and 20th-century wars and revolutions to the military crackdowns that convulse Latin America to this day. Xavier Albó is a Jesuit priest from Barcelona who emigrated to Bolivia, where he works among the indigenous people. He considers himself an Indian in head and heart and, for this, is well known in his adopted country. Although his aim is to learn rather than proselytize, he is an inheritor of a checkered past, where priests marched alongside conquistadors, converting the natives to Christianity, often forcibly, in the effort to win

the New World. Ever since, the Catholic Church has played a central role in the political life of Latin America—sometimes for good, sometimes not. In this “timely and excellent volume” (NPR) Marie Arana seamlessly weaves these stories with the history of the past millennium to explain three enduring themes that have defined Latin America since pre-Columbian times: the foreign greed for its mineral riches, an ingrained propensity to violence, and the abiding power of religion. *Silver, Sword, and Stone* combines “learned historical analysis with in-depth reporting and political commentary...[and] an informed and authoritative voice, one that deserves a wide audience” (The New York Times Book Review). *The Oddmire, Book 1: Changeling* William Ritter 2019-07-16 “Funny, exciting, and ultimately epic. Wow. I can’t wait for the next one.” —Adam Gidwitz, author of the New York Times bestseller *A Tale Dark and Grimm* “Set in a magical world filled with incredible creatures from folklore, this fast-paced fantasy will keep readers turning the pages . . . A captivating series opener.” —Booklist, starred review *Magic is fading from the Wild Wood*. To renew it, goblins must perform an ancient ritual involving the rarest of their kind—a newborn changeling. But when the night arrives to trade a human baby for a goblin one, something goes terribly wrong. After laying the changeling in a human infant’s crib, the goblin Kull is briefly distracted. By the time he turns back, the changeling has already perfectly mimicked the human child. Too perfectly: Kull cannot tell them apart, so he leaves both babies behind. Tinn and Cole are raised as human twins, neither knowing what secrets may be buried deep inside one of them. When they are thirteen years old, a mysterious message arrives, calling the brothers to be heroes and protectors of magic. The boys must leave their sleepy town and risk their lives in the Wild Wood, journeying through the Deep Dark to reach the goblin horde and uncover who they truly are. In this first book in a new fantasy-adventure series, the New York Times bestselling author of *Jackaby* takes readers on a journey of monsters, magic, and discovery.

Through the Wall Patricia Wentworth 2011-07-26 Governess-turned-sleuth Miss Silver takes on a murder case involving a surprise

inheritance and a feuding family. Martin Brand always had a dark sense of humor. Surrounded by relatives he despised, he looked forward to the day when, dead and buried, he would no longer have to concern himself with them. As a last joke, he willed his entire fortune to a poor relation, and went to his grave a smiling man. After years of toil caring for her layabout sister, Marion Brand is shocked to learn her unknown uncle has left her his estate. Now, she can finally be happy. But claiming the riches isn't so simple. Before long someone is dead—and it will be up to Miss Maud Silver to find the killer.

Born to Be Hanged Keith Thomson 2023-05-16 Discover the “fascinating and outrageously readable” account of the roguish acts of the first pirates to raid the Pacific in a crusade that ended in a sensational trial back in England—perfect for readers of Nathaniel Philbrick and David McCullough (Douglas Preston, #1 New York Times bestselling author of *The Lost City of the Monkey God*) The year is 1680, in the heart of the Golden Age of Piracy, and more than three hundred daring, hardened pirates—a potent mix of low-life scallywags and a rare breed of gentlemen buccaneers—gather on a remote Caribbean island. The plan: to wreak havoc on the Pacific coastline, raiding cities, mines, and merchant ships. The booty: the bright gleam of Spanish gold and the chance to become legends. So begins one of the greatest piratical adventures of the era—a story not given its full due until now. Inspired by the intrepid forays of pirate turned Jamaican governor Captain Henry Morgan—yes, that Captain Morgan—the company crosses Panama on foot, slashing its way through the Darien Isthmus, one of the thickest jungles on the planet, and liberating a native princess along the way. After reaching the South Sea, the buccaneers, primarily Englishmen, plunder the Spanish Main in a series of historic assaults, often prevailing against staggering odds and superior firepower. A collective shudder racks the western coastline of South America as the English pirates, waging a kind of proxy war against the Spaniards, gleefully undertake a brief reign over Pacific waters, marauding up and down the continent. With novelistic prose and a rip-roaring sense of adventure, Keith Thomson guides us

through the pirates' legendary two-year odyssey. We witness the buccaneers evading Indigenous tribes, Spanish conquistadors, and sometimes even their own English countrymen, all with the ever-present threat of the gallows for anyone captured. By fusing contemporaneous accounts with intensive research and previously unknown primary sources, *Born to Be Hanged* offers a rollicking account of one of the most astonishing pirate expeditions of all time.

The Chinese Shawl Patricia Wentworth 2011-06-28 In this classic British mystery starring a sleuth "who has her place in detective fiction as surely as Lord Peter Wimsey or Hercule Poirot," Miss Silver investigates a murder that may have its roots in a new romance—or an old family feud (Manchester Evening News). An amateur who happened on a career in theater, Tanis Lyle has just finished filming her first motion picture. The young woman has electric charm, and seems to hypnotize all who meet her—including Laura Fane, a distant cousin who, because of a long-standing family feud, has never been allowed to meet her glamorous relative. But while all of London seems to love Tanis, her powerful effect on men causes some to despise her. And when the actress's life is cut short by an unknown hand, investigator Miss Maud Silver will have to hunt for a killer.

Sea of Silver Light Tad Williams 2016-03-01 Bestselling author Tad Williams broke new ground in 1996 with his wonderfully imaginative novel CITY OF GOLDEN SHADOW: OTHERLAND BOOK 1. An incredibly complex and detailed virtual reality, Otherland is home to the wildest dreams and darkest nightmares of its users and creators. The conspiracy threatens to sacrifice our Earth for the promise of this far more exclusive place. And, somehow, Otherland is claiming the Earth's most valuable source, its children. Now, in SEA OF SILVER LIGHT: OTHERLAND 4, Tad Williams' epic saga reaches a magnificent conclusion.

The Last Run Todd Lewan 2010-10-26 It was a desperate mission that

made front-page headlines and captured the attention of millions of readers around the world. In January 1998, in the dead of an Alaskan winter, a cataclysmic Arctic storm with hurricane-force winds and towering seas forced five fishermen to abandon their vessel in the Gulf of Alaska and left them adrift in thirty-eight-degree water with no lifeboat. Their would-be rescuers were 150 miles away at the Coast Guard station, with the nearby airport shut down by an avalanche. The Last Run is the epic tale of the wreck of the oldest registered fishing schooner in Alaska, a hellish Arctic tempest, and the three teams of aviators in helicopters who withstood 140-mph gusts and hovered alongside waves that were ten stories high. But what makes this more than a true-life page-turner is its portrait of untamed Alaska and the unflappable spirit of people who forge a different kind of life on America's last frontier, the "end of the roaders" who are drawn to, or flee to, Alaska to seek a final destiny.

Tom Clancy Commander in Chief Mark Greaney 2015-12-01 This electrifying thriller in the #1 New York Times bestselling series has President Jack Ryan and his allies facing a treacherous foe threatening to unleash chaos around the globe... When Russian President Valeri Volodin's ambitions are foiled in Dagestan, he faces a difficult choice. The oligarchs who support him expect a constant flow of graft, but with energy prices cratering, the Russian economy sputters to a virtual halt.

Unable to grow the Russian market at home, his hold on power relies on expansion abroad—a plan that has been thwarted by the United States in the past. But this time Volodin has determined that an indirect approach is the best. A floating natural gas facility in Lithuania is blown up. A Venezuelan prosecutor is assassinated. A devastating attack on a Russian troop train kills dozens. A chaotic world is the best camouflage for a series of seemingly unrelated attacks. Only one man recognizes an ominous pattern in the reports of terror from around the globe. U.S. President Jack Ryan sees a guiding hand in the worldwide chaos, but before he can act he needs proof. While his intelligence agencies race to uncover the truth behind the attacks, the President struggles to unite a fractious and distrustful coalition of Western nations against the schemes of the Russian dictator. With five thousand Russian troops poised to invade a NATO nation, can Jack Ryan move swiftly enough to stop Volodin's grand plan of global conflict and conquest? Or will he succeed in changing the balance of world power forever?

Poison in the Pen Patricia Wentworth 2006-03-13 Tilling Green was a charming little village nestling in the Ledshire countryside. Not at all the sort of place you would expect to find an anonymous letter writer. And when one of the recipients, a young woman, was found drowned in the lake belonging to the Manor House, Miss Silver was persuaded to go and investigate. Valentine Grey, the pretty young heiress from the Manor House, was marrying one Gilbert Earle, but on the night of Valentine's pre-wedding party Jason Leigh, Valentine's former love, returned after months without a word. Valentine discovered Gilbert in a compromising situation with her guardian's wife. And several people received extremely nasty letters. Connie Brooks knew who had written those letters. But on the same night, she was murdered ...

Fearless Eric Blehm 2013-05-21 Go deep into SEAL Team SIX, straight to the heart of one of its most legendary operators. When Navy SEAL Adam Brown woke up on March 17, 2010, he didn't know he would die that night in the Hindu Kush Mountains of Afghanistan—but he was ready. In a letter to his children, not meant to be seen unless the worst happened, he wrote, "I'm not afraid of anything that might happen to me

on this earth, because I know no matter what, nothing can take my spirit from me." Fearless is the story of a man of extremes, whose courage and determination were fueled by faith, family, and the love of a woman. It's about a man who waged a war against his own worst impulses, including drug addiction, and persevered to reach the top tier of the U.S. military. In a deeply personal and absorbing chronicle, Fearless reveals a glimpse inside the SEAL Team SIX brotherhood, and presents an indelible portrait of a highly trained warrior whose final act of bravery led to the ultimate sacrifice. Adam Brown was a devoted man who was an unlikely hero but a true warrior, described by all who knew him as...fearless. "As a rule, we don't endorse books or movies or anything regarding the command where I work—and Adam Brown worked—but as the author writes in Fearless, 'you have to know the rules, so you know when to bend or break them.' This is one of those times. Read this book. Period. It succeeds where all the others have failed." —SEAL Team SIX Operator

Permanent Emergency Kip Hawley 2012-04-24 Since 2001 the TSA has accepted responsibility for protecting over two million people a day at U.S. airports and managing transportation operations around the world. But how effective is this beleaguered agency, and is it really keeping us safe from terrorism? In this riveting expose, former TSA administrator Kip Hawley reveals the secrets behind the agency's ongoing battle to outthink and outmaneuver terrorists, illuminating the flawed, broken system that struggles to stay one step ahead of catastrophe. Citing numerous thwarted plots and government actions that have never before been revealed publicly, Hawley suggests that the fundamental mistake in America's approach to national security is requiring a protocol for every contingency. Instead, he claims, we must learn to live with reasonable risk so that we can focus our efforts on long-term, big-picture strategy, rather than expensive and ineffective regulations that only slow us down.

Last Man Down Richard Picciotto 2003-05-06 A first responder's harrowing account of 9/11—the inspirational true story of an American hero who gave nearly everything for others during one of New York City's darkest hours. On September 11, 2001, FDNY Battalion Chief Richard "Pitch" Picciotto answered the call heard around the world. In

minutes, he was at Ground Zero of the worst terrorist attack on American soil, as the Twin Towers of the World Trade Center began to burn—and then to buckle. A veteran of the 1993 bombing of the World Trade Center, Picciotto was eerily familiar with the inside of the North Tower. And it was there that he concentrated his rescue efforts. It was in its smoky stairwells where he heard and felt the South Tower collapse. He made the call for firemen and rescue workers to evacuate, while he stayed behind with a skeleton team of men to help evacuate a group of disabled and infirm civilians. And it was in the rubble of the North Tower where Picciotto found himself buried—for more than four hours after the building's collapse.

Silver Linings Jayne Ann Krentz 2004-02-01 Love burned them once -- now they're twice as hot! Silver Linings Successful but shy, Seattle art dealer Mattie Sharpe fell hard for handsome, outspoken, professional adventurer Hugh Abbott. When he broke her heart and returned to his South Sea island home, Mattie vowed she'd only meet him again over her -- or better, his -- dead body. When they do meet again, it's over someone else's dead body -- and now they're running for their lives through a tropical paradise. Hugh's talking fast to make up for his mistake. But Hugh's past is catching up with them, and Mattie must stake her very survival on the man she loves -- the only man who ever let her down! If there is a silver lining to a broken heart, Mattie's about to discover it -- when love storms back into her life and sweeps her off her feet! Passion is an adventure -- and seduction an art -- in Silver Linings, from beloved New York Times bestselling author Jayne Ann Krentz!

Dawn's Uncertain Light Neal Barrett, Jr. 2016-02-10 After The Fall ... America's Great Dream is over. Centuries ago it was devastated by the ultimate war. The effects still linger. Food is scarce, water even scarcer and human compassion nowhere to be found. Even so, society is slowly rebuilding itself. But is it a society whose thirst for success is built on an enormous, barbaric lie. Silver Island ... an almost legendary place to most Americans. The citadel where the government is building a new and better nation from the ashes of the war-ravaged land. Everyone envies

the few children who are chosen to be sent to Silver Island to help realize that dream. At least, that's what Howie Ryder was told when his little sister became one of the Chosen. And that's what he believed before the soldiers slaughtered his parents. Six years on, Howie has discovered the horrifying truth about Silver Island. And will do anything — anything — to rescue his sister from its grip...

The Boys in the Cave Matt Gutman 2018-11-13 From award-winning ABC News Chief National Correspondent Matt Gutman, and written using exclusive interviews and information comes the definitive account of the dramatic story that gripped the world: the miracle rescue of twelve boys and their soccer coach trapped in a flooded cave miles underground for nearly three weeks—a pulse-pounding page-turner by a reporter who was there every step of their journey out. After a practice in June 2018, a Thai soccer coach took a dozen of his young players to explore a famous but flood-prone cave. It was one of the boys' birthday, but neither he nor the dozen resurfaced. Worried parents and rescuers flocked to the mouth of a cave that seemed to have swallowed the boys without a trace. Ranging in age from eleven to sixteen, the boys were all members of the Wild Boars soccer team. When water unexpectedly inundated the cave, blocking their escape, they retreated deeper inside, taking shelter in a side cavern. While the world feared them dead, the thirteen young souls survived by licking the condensation off the cave's walls, meditating, and huddling together for warmth. In this thrilling account, ABC News Chief National Correspondent Matt Gutman recounts this amazing story in depth and from every angle, exploring their time in the cave, the failed plans and human mistakes that nearly doomed them, and the daring mission that ultimately saved them. Gutman introduces the elite team of volunteer divers who risked death to execute a plan so risky that its American planners admitted, “for us, success would have meant getting just one boy out alive.” He takes you inside the meetings where life and death decisions were grimly made and describes how these heroes pulled off an improbable rescue under immense pressure, with the boys' desperate parents and the entire world watching. One of the largest

rescues in history was in doubt until the very last moment. Matt Gutman covered the story intensively, went deep inside the caves himself, and interviewed dozens of rescuers, experts and eye-witnessed around the world. The result is this pulse-pounding page-turner that vividly recreates this extraordinary event in all its intensity—and documents the ingenuity and sacrifice it took to succeed.

The Book Charmer Karen Hawkins 2019-07-30 New York Times bestselling author Karen Hawkins crafts an unforgettable story about a sleepy Southern town, two fiercely independent women, and a truly magical friendship. Sarah Dove is no ordinary bookworm. To her, books have always been more than just objects: they live, they breathe, and sometimes they even speak. When Sarah grows up to become the librarian in her quaint Southern town of Dove Pond, her gift helps place every book in the hands of the perfect reader. Recently, however, the books have been whispering about something out of the ordinary: the arrival of a displaced city girl named Grace Wheeler. If the books are right, Grace could be the savior that Dove Pond desperately needs. The problem is, Grace wants little to do with the town or its quirky residents—Sarah chief among them. It takes a bit of urging, and the help of an especially wise book, but Grace ultimately embraces the challenge to rescue her charmed new community. In her quest, she discovers the tantalizing promise of new love, the deep strength that comes from having a true friend, and the power of finding just the right book. “A mesmerizing fusion of the mystical and the everyday” (Susan Andersen, New York Times bestselling author), The Book Charmer is a heartwarming story about the magic of books that feels more than a little magical itself. Prepare to fall under its spell.

Black Silver Wayne Abrahamson 2021-10-12 Joseph Havok has no idea of the troubles he'll face when he and his business partner decide to follow up on a rumor and go off in search of a lost cache of WWII silver near an island in the South China Sea. The two men travel by dive boat to Terumbu Island, unaware of the others they will soon encounter, including an American CIA station chief, an environmental-studies professor, and the captain of the professor's research vessel. But Terumbu holds other secrets?, something far more dangerous and much more valuable than the island's cache of old silver. Nicholai Anisimova, a former Russian army intelligence officer, is the leader of a group of dissatisfied comrades who threaten international order in their quest to transform Siberia into a new Russia. However, in order to purchase arms

and equipment to begin their revolution and occupation of Siberia, the group will need money. To finance the recovery of resources from a sunken Japanese submarine, Anisimova secures the sponsorship of a Chinese industrialist who does not trust the Russians and decides to monitor the recovery himself. Havok and his partner soon find themselves involved in a conflict, refereed by an unknown, seldom-seen island hermit that escalates into a bitter struggle between survivors and pirates. What begins as a simple holiday for two men on a treasure hunt ends with a far-ranging battle that spills beyond the borders of the South China Sea, embroiling world leaders and placing the population of a nation at risk. "A thrilling and fun adventure built on excellent use of details sprinkled with comedic relief." — Kendra Kennedy, Senior Archaeologist "Abrahamson's excellent use of technical details trickled throughout the storyline provides for an authentic, and fast-paced, adventure at every turn of the page." — Siska Williams, Senior Archaeologist

The Cell John C. Miller 2002-09-01 In *The Cell*, John Miller, an award-winning journalist and coanchor of ABC's 20/20, along with veteran reporter Michael Stone and Chris Mitchell, takes readers back more than 10 years to the birth of the terrorist cell that later metastasized into al Qaeda's New York operation. This remarkable book offers a firsthand account of what it is to be a police officer, an FBI agent or a reporter obsessed with a case few people will take seriously. It contains a first-person account of Miller's face-to-face meeting with bin Laden and provides the first full-length treatment to piece together what led up to the events of 9/11, ultimately delivering the disturbing answer to the question: Why, with all the information the intelligence community had, was no one able to stop the 9/11 attacks?

The Blue Sword Robin McKinley 2016-04-26 A Newbery Honor Book and a modern classic of young adult fantasy, *The Blue Sword* introduces the desert kingdom of Damar, where magic weaves through the blood and weaves together destinies. New York Times–bestselling and award-winning author Robin McKinley sets the standard for epic fantasy and compelling, complex heroines. Fans of Sarah J. Maas, Leigh Bardugo,

and Rae Carson will delight in discovering the rich world of Damar. Harry Crewe is a Homelander orphan girl, come to live in Damar from over the seas. She is drawn to the bleak landscape, so unlike the green hills of her Homeland. She wishes she might cross the sands and climb the dark mountains where no Homelander has ever set foot, where the last of the old Damarians, the Free Hillfolk, live. Corlath is the golden-eyed king of the Free Hillfolk, son of the sons of the legendary Lady Aerin. When he arrives in Harry's town to ally with the Homelanders against a common enemy, he never expects to set Harry's destiny in motion: She will ride into battle as a King's Rider, bearing the Blue Sword, the great mythical treasure, which no one has wielded since Lady Aerin herself. Legends and myths, no matter how epic, no matter how magical, all begin somewhere.

Gentleman Overboard Herbert Clyde Lewis 2021-11-30 Out of print for over seventy years, *Gentleman Overboard* by Herbert Clyde Lewis is being rescued for today's readers to launch Boiler House Press's new series, *Recovered Books*. Halfway between Honolulu and Panama, a man slips and falls from a ship. For crucial hours, as he patiently treads water in hope of rescue, no one on board notices his absence. By the time the ship's captain is notified, it may be too late to save him... Rediscovered in 2009 by Brad Bigelow as part of tireless research for his popular *Neglected Books* website, *Gentleman Overboard* has since achieved the status of a cult classic and even become something of an international phenomenon, having seen translations into Spanish, Hebrew, and Dutch. The newspaper *Ha'aretz* has called it 'A miniature masterpiece that emerged from oblivion'; the Spanish magazine *El Cultural* dubbed it 'una perla': 'a little pearl'. A masterful piece of narrative tension, and way ahead of its time, *Gentleman Overboard* sets the question of existence in its most basic terms. The story speaks fiercely to the contemporary moment and for all who share a sense of loneliness through having found themselves isolated by politics, disease, economics -or indeed just sheer

accident and bad luck. The fate of the novel's hero even has ironic parallels with that of the author, Herbert Clyde Lewis, who died forgotten and alone in 1950, a victim of Hollywood's black list, and who has since slipped beneath the waves of fashion and time, but now hopefully is to be recovered from the murky depths for the readership he posthumously deserves.

When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can’t resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-

winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today
 DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.
