Lillian Too's Easy-to-use Feng Shui Lillian Too
1999 Looking for luck, love, wealth, and health? The world's best-selling writer on feng shui takes you step-by-step down the road to happiness! Lillian Too, renowned author of books and articles on this ancient Chinese art, divulges the secrets of controlling the powerful forces of ch'i to bring success into our lives. Enrich personal space by identifying auspicious corners, good fortune directions, and life-enhancing elements, and organize the household to intensify their beneficial qualities. Need to improve finances? Grow orange or lime plants, whose ripening fruits symbolize prosperity, or hang coins or bells on the doors. Sleep on an authentic Feng Shui bed, let carpets create solid foundations, and fill vases with the right flowers. Protect the home or office from the "shar chi" or "killing breath" of open shelves. And there's a reason traditional Chinese matriarchs keep cleaning paraphernalia out of sight—they know that visible brooms will "sweep away" the family's livelihood. Try one of many effective methods for ensuring togetherness and harmony between kinfolk, for helping children do well at school, and for attracting romance. As you put these time-tested ideas into practice, you'll feel your world getting better and better! 160 pages (all in color), 7 3/4 x 9 1/4. DELUXE PAPERBACK WITH FLAPS.

The Holistic Home Laura Benko 2016-01-19 Rule the world and take control of your emotional and mental health from where you sit, stand, and sleep. The Holistic Home is based on an original lifestyle concept focused on creating a dynamic, healthy, and thoughtful space within yourself and your home by combining three planes of action—mind, body, and spirit—that result in profound change. The condition of the mind affects the psychology of how you dwell: subconscious influences, decorating with intention, and allowing your emotional issues and challenges to manifest in your space. The physical aspects of your design space, such as furniture positioning, design elements, sustainability, wellness, and organization, are representative of your relationship with your body. And finally, the spirit refers to all the invisible energies within you and your home—feng shui, atmosphere, and the soul of

your home. Years ago, author and holistic feng shui expert Laura Benko was diagnosed with a rare cancer. Around that time, a book serendipitously fell on her head. She took this as a much-needed sign to devote the next decade of her life to research and hundreds of transformative holistic design consultations. Her clients' real-life, inspiring stories, along with specific actions and tips, have become the foundation for *The Holistic Home*. Chapter by chapter, you'll learn how to holistically tackle it all—relationships, clutter, health, communities, inner balance, and more—by looking within your immediate environment to make direct connections in your life.
