[The Life of John Randolph of Roanoke, Vol. 2 \(Classic Reprint\)](#) Hugh A. Garland
2015-07-10 Excerpt from The Life of John Randolph of Roanoke, Vol. 2 We have now to view Mr. Randolph in a new aspect. After an active, uninterrupted, and eventful career of fourteen years in the public service, in one of the most remarkable epochs of human history, we have now to follow him into retirement. The triumph of his enemies at the recent election had no power to shake the firmness of his purpose, or to disturb the

serenity of his mind. "It relieves me from an odious thralldom," says he, "and, I assure you, my dear sir, I have thought and yet think, much more of the charming Mrs. G. than of the election. The low and base arts to which my adversaries have resorted, have not raised them or sunk me in my own estimation." At home he lived in the utmost seclusion and solitude. Up to 1810 he made Bizarre his principal place of residence. Here he enjoyed the best of female society, for which no man had a higher relish - found employment in the education of his young nephews, the future heirs of his name and fortune, and on whom he doted with the fondness of a father; and solace for his leisure hours in a large miscellaneous library, and the society and conversation of old neighbors and well-trying friends. In 1810 he removed to Roanoke, his estate in Charlotte county, on the Roanoke river, some thirty-five or forty miles south of Bizarre; "a savage solitude," says he, "into which I have been driven

to seek shelter." Shortly before the recent election, on Sunday, March 21, 1813, the house at Bizarre took fire - the family were at church - very little saved. "I lost," says he, "a valuable collection of books. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. [A Biography of John Randolph, of Roanoke](#) Lemuel Sawyer

2015-06-12 Excerpt from A Biography of John Randolph, of Roanoke: With a Selection From His Speeches We are forced to pause a moment at the commencement of this work, to express our wonder and astonishment that no regular biography of John Randolph has yet made its appearance. We should have supposed that some of his many gifted relatives would have felt it a sacred duty to have taken the lead, in transmitting to future ages, in an imperishable memoir, the great founder of their name and fortunes. So lofty a theme is well calculated to rouse the ambition of the higher order of native talent, and to insure a rich harvest of laurels and

wealth to the successful adventurer in this unoccupied field of literature. He has long passed from among us, his "sun has made a glorious set," but no one has ventured to mark "the bright track of his resplendent car." In the "Port-Folio" of 1812, is a print of Mr. Randolph from a miniature likeness, furnished at the instance of Dr. Nathaniel Chapman of Philadelphia, with a promise that it should be followed with a biographical sketch in a succeeding number. Some overtures were made to Mr. Randolph, on behalf of Dr. Chapman, through Theodore Bland Dudley, Mr. Randolph's nephew and correspondent, a student attending the medical lectures of Dr. Chapman and his brethren of the Faculty, for some materials for the projected work. Mr. Randolph, in reply, tenders his thanks to Dr. Chapman for his good intentions, but says his life, though eventful, did not afford the requisite materials. In a letter written in the November following, he directs his nephew to inform Dr. Chapman

that he would give him some memories pour servir, if he had an amanuensis. In another letter, written to his nephew, of the 19th of December following, he expresses some dissatisfaction at the print given of him in the Port-Folio. "I really regret," says he, "that you lent the miniature for the purpose of having it so wretchedly engraved." About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. John Randolph of Roanoke, 1773-1833 William Cabell Bruce 2013-12-31 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing

commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

John Randolph of Roanoke

David Johnson 2012-05-07 One of the most eccentric and accomplished politicians in all of American history, John Randolph (1773--1833) led a life marked by controversy. The long-serving Virginia congressman and architect of southern conservatism grabbed headlines with his prescient comments, public brawls, and clashes with every president from John Adams to Andrew Jackson. The first biography of Randolph in nearly a century, John Randolph of Roanoke provides a full account of the powerful Virginia planter's hard-charging life and his impact on the formation of conservative politics. The Randolph lineage loomed large in early America, and Randolph of Roanoke emerged as one of the most visible -- and certainly the most bombastic -- among

his clan. A colorful orator with aristocratic manners, he entertained the House of Representatives (and newspaper readers across the country) with three-hour-long speeches on subjects of political import, drawing from classical references for his analogies, and famously pausing to gain "courage" from a tumbler at his side. Adept at satire and uncensored in his verbal attacks against colleagues, he invited challenges to duel from those he offended; in 1826, he and the then--secretary of state Henry Clay exchanged gunfire on the banks of the Potomac. A small-government Jeffersonian in political tastes, Randolph first entered Congress in 1799. As chairman of the powerful Ways and Means Committee he memorably turned on President Jefferson, once and for all, in 1805, believing his fellow Virginian to have compromised his republican values. As a result, Randolph led the "Old Republicans," a faction that sought to restrict the role of the federal government. In this

rich biography, David Johnson draws upon an impressive array of primary sources -- Randolph's letters, speeches, and writings -- previously unavailable to scholars. John Randolph of Roanoke tells the story of a young nation and the unique philosophy of a southern lawmaker who defended America's agrarian tradition and reveled in his own controversy.
