Citizens' Hall Andr   Carrel 2011-02-25 Based on years of practical experience in small towns, Carrel argues for municipal autonomy—for turning what are now ‘colonies’ of the federal and provincial orders of government into independent, mature, and fully democratic entities. For Carrel, the citizen is the sole legitimate source of political power, and the best tool for citizen empowerment is the controversial tool of the referendum. This is the story of how a small municipality broke the rules of local government. It also recounts the author’s irreverence for the status quo and his ideas on the rebuilding of citizenship at the community level.

The Silly Season Bernard Shrimmsley 2014-08-14 Jack Stack is an editor with the full-blown tabloid virus. He says ‘bollocks’ a lot and his headline signature is a ‘double ejaculation mark’. He revels in Fleet Street’s non-stop silly season of hunting down young royals and petrifying cabinet members. He even outsmarts the Palace, Prime Minister and proprietor to win a knighthood for ‘services to journalism’ at the hand of the sovereign whose family he has comprehensively shafted. Jack takes over the beleaguered Mercury and within a day transforms the formerly respectable newspaper into the most tabloid of all tabloids. His cut-the-crap management style has the old guard trembling in its boots, but has he met his match in the domineering Marina Marshall - the chairman’s mistress and the most canny columnist in Fleet Street? Perfect for an era obsessed with celebrity and spin, *The Silly Season* is a beautifully crafted, laugh-out-loud, satirical novel. Written by an insider who has seen it all, Bernard Shrimmsley has drawn on his vast experiences.
