**Perfect** Rachel Joyce 2013-07-04 'You will end up grinning dippily and recommending this wild, searching book to everyone you know.' The Times 'A gorgeously poignant novel of hope and transformation' O: The Oprah Magazine Brimming with love, forgiveness and redemption, this is a heartrending story about what happens when a perfect world is shattered and what it takes to put it right. - Summer, 1972: In the claustrophobic heat, eleven-year-old Byron and his friend begin 'Operation Perfect', a hapless mission to rescue Byron's mother from impending crisis. Winter, present day: As frost creeps across the moor, Jim cleans tables in the local café, a solitary figure struggling with OCD. His job is a relief from the rituals that govern his nights. Little would seem to connect them except that two seconds can change everything. And if your world can be shattered in an instant, can time also put it right? - What readers are saying: \*\*\*\*\* 'A stunningly beautiful and poignant book.' \*\*\*\*\* 'Heartbreaking and so beautifully written.' \*\*\*\*\* 'A touching story with a twist I didn't see coming.' \*\*\*\*\* 'Thought provoking and full of hope.' \*\*\*\*\* 'The story is quiet, and yet absolutely absorbing... I loved this book'

**Children's Voyage the Long Voyage Home** Cesca Hampton

2009-12-11 The distance from California to Hawaii is more than 2500

miles, an impossibly long voyage by sea for five troubled youngsters, yet for all of them this daunting journey has come to seem the only way back to families they have lost. Jason Hitole, the eldest at 14, once learned how to manage his father's yacht, the Makai, in the sunny waters off Hawaii, but now he must navigate it accurately across the greatest ocean on earth, relying only on his own ingenuity and what little he can teach his novice crew in the short time they have. Somehow he must bring home his younger siblings Jenny and Christopher and keep safe their friends 12-year-old Michelle and 11-year-old Jimmy. But when Jason is knocked unconscious in a great storm, the youngsters finally understand this voyage may never reach its destination unless they can figure out how to sail by themselves.

*The John Ford Encyclopedia* Sue Matheson 2019-12-15 The winner of four Academy Awards for directing, John Ford is considered by many to be America's greatest native-born director. Ford helmed some of the most memorable films in American cinema, including *The Grapes of Wrath*, *How Green Was My Valley*, and *The Quiet Man*, as well as such iconic westerns as *Stagecoach*, *My Darling Clementine*, *She Wore a Yellow Ribbon*, *The Searchers*, and *The Man Who Shot Liberty Valance*. In *The John Ford Encyclopedia*, Sue Matheson provides readers with detailed information about the acclaimed director's films from the silent era to the 1960s. In more than 400 entries, this volume covers not only

the films Ford directed and produced but also the studios for which he worked; his preferred shooting sites; his World War II documentaries; and the men and women with whom he collaborated, including actors, screenwriters, technicians, and stuntmen. Eleven newly discovered members of the John Ford Stock Company are also included.

Encompassing the entire range of the director's career—from his start in early cinema to his frequent work with national treasure John Wayne—this is a comprehensive overview of one of the most highly regarded filmmakers in history. The John Ford Encyclopedia will be of interest to professors, students, and the many fans of the director's work. *A Long Voyage to the Moon* Geoffrey Bowman 2021-11 Biography of Apollo 17 astronaut Ron Evans (1933-1990).

*Voyage with the Vikings* Paul McCusker 2012-01-11 Over 1 million sold in series! While visiting Mr. Whittaker at Whit's Soda Shoppe, Beth and Patrick find a mysterious letter in the Imagination Station requesting a Viking sunstone. The letter is old and says that someone named Albert will be imprisoned if the sunstone isn't found. Mr. Whittaker sends cousins Patrick and Beth to Greenland circa 1000. On their quest for the sunstone, the cousins meet Vikings Erik the Red and Leif Eriksson—and find the sunstone as they join Leif on his first voyage to North America. But the adventure is just beginning, for when they return to Mr. Whittaker's workshop with the sunstone, there is another note waiting for them, requesting a silver goblet. Join Patrick and Beth as they continue their travel to various lands and time in the Imagination Station book series.

**The Long Voyage Home** R. Lancy Burn 2004-10-01 In the fall of 1961, inspired by a dream handed down to him from his grandfather and father, Lancy Burn began a journey to cross the Atlantic Ocean in a small sailboat. After ten years of working and planning, the much anticipated voyage presented extreme weather conditions that would have challenged even the most experienced sailor. This rollicking tale, swelling with colorful nautical language, shows the resourcefulness and determination dedicated to fulfilling one's life-long dream.

*The Incredible Voyage of Ulysses* 2010 A retelling of Homer's The

Odyssey.

*Voyage of the Damned* Gordon Thomas 2014-07-01 The “extraordinary” true story of the St. Louis, a German ship that, in 1939, carried Jews away from Hamburg—and into an unimaginable ordeal (The New York Times). On May 13, 1939, the luxury liner St. Louis sailed from Hamburg, one of the last ships to leave Nazi Germany before World War II erupted. Aboard were 937 Jews—some had already been in concentration camps—who believed they had bought visas to enter Cuba. The voyage of the damned had begun. Before the St. Louis was halfway across the Atlantic, a power struggle ensued between the corrupt Cuban immigration minister who issued the visas and his superior, President Bru. The outcome: The refugees would not be allowed to land in Cuba. In America, the Brown Shirts were holding Nazi rallies in Madison Square Garden; anti-Semitic Father Coughlin had an audience of fifteen million. Back in Germany, plans were being laid to implement the final solution. And aboard the St. Louis, 937 refugees awaited the decision that would determine their fate. Gordon Thomas and Max Morgan Witts have re-created history in this meticulous reconstruction of the voyage of the St. Louis. Every word of their account is true: the German High Command's ulterior motive in granting permission for the “mission of mercy;” the confrontations between the refugees and the German crewmen; the suicide attempts among the passengers; and the attitudes of those who might have averted the catastrophe, but didn't. In reviewing the work, the New York Times was unequivocal: “An extraordinary human document and a suspense story that is hard to put down. But it is more than that. It is a modern allegory, in which the SS St. Louis becomes a symbol of the SS Planet Earth. In this larger sense the book serves a greater purpose than mere drama.”

**The Long Voyage** Jorge Semprún 1964 A devastatingly honest and heartbreaking account of a young Spaniard captured fighting with the French Resistance, and the days and nights he spends in the company of 119 other men, in a cattle truck that rolls slowly but inexorably towards Buchenwald. During the seemingly endless journey, he has conversations that range from his childhood to speculations about the death camps.

When at last the fantastic, Wagnerian gates to Buchenwald come into sight, the young Spaniard is left alone to face the camp.

**The Longest Way Home** Andrew McCarthy 2013-06-04 The author, a travel writer and actor, delivers a memoir about how travel helped him become the man he wanted to be, helping him overcome life-long fears and confront his resistance to commitment. From time immemorial, travel has been a pursuit of passion, from adventurers of old seeking gold or new lands, to today's spiritual and pleasure seekers who follow in the footsteps of Elizabeth Gilbert. Some see travel as a form of light-hearted escapism while others believe it has the power to open your mind, forcing you to confront your demons, and discover your true self. The author belongs to this second category of traveler. His memoir follows his excursions to Patagonia, the Amazon, Costa Rica, Baltimore, Vienna, Kilimanjaro, Dublin, and beyond. He uses his wanderlust to examine his motives and desires, and explore his ambivalence about commitment. He ponders his personal life, his acting career, and his impulse to leave home, all building toward one of the most significant moments of his life: his wedding day. His message about the transformative power of travel is universal, and his exploration of the nature and passion of relationships, both fleeting and enduring, strikes a chord with every man and woman who has ever wondered at the vicissitudes of the human heart.

**Voyage of the Narwhal: A Novel** Andrea Barrett 1999-09-17 "A luminous work of historical fiction that explores the far reaches of the Arctic and of men's souls." —Denver Post Capturing a crucial moment in the history of exploration—the mid-nineteenth century romance with the Arctic—Andrea Barrett's compelling novel tells the story of a fateful expedition. Through the eyes of the ship's scholar-naturalist, Erasmus Darwin Wells, we encounter the Narwhal's crew, its commander, and the far-north culture of the Esquimaux. In counterpoint, we meet the women left behind in Philadelphia, explorers only in imagination. Together, those who travel and those who stay weave a web of myth and mystery, finally discovering what they had not sought, the secrets of their own hearts.

*The Voyage of the Beagle* Charles Darwin 1909 This is Charles Darwin's chronicle of his five-year journey, beginning in 1831, around the world as a naturalist on the H.M.S. Beagle.

*Seven Plays of the Sea* Eugene O'Neill 1972 The action of the seven one-act plays takes place in the years preceding World War I

*The Long Voyage Home* Eugene O'Neill 1946

**Call It Sleep** Henry Roth 2013-10-22 When Henry Roth published his debut novel *Call It Sleep* in 1934, it was greeted with considerable critical acclaim though, in those troubled times, lackluster sales. Only with its paperback publication thirty years later did this novel receive the recognition it deserves—and still enjoys. Having sold-to-date millions of copies worldwide, *Call It Sleep* is the magnificent story of David Schearl, the "dangerously imaginative" child coming of age in the slums of New York.

*Searching for John Ford* Joseph McBride 2011-02-11 John Ford's classic films—such as *Stagecoach*, *The Grapes of Wrath*, *How Green Was My Valley*, *The Quiet Man*, and *The Searchers*—have earned him worldwide admiration as America's foremost filmmaker, a director whose rich visual imagination conjures up indelible, deeply moving images of our collective past. Joseph McBride's *Searching for John Ford*, described as definitive by both the *New York Times* and the *Irish Times*, surpasses all other biographies of the filmmaker in its depth, originality, and insight. Encompassing and illuminating Ford's myriad complexities and contradictions, McBride traces the trajectory of Ford's life from his beginnings as "Bull" Feeney, the nearsighted, football-playing son of Irish immigrants in Portland, Maine, to his recognition, after a long, controversial, and much-honored career, as America's national mythmaker. Blending lively and penetrating analyses of Ford's films with an impeccably documented narrative of the historical and psychological contexts in which those films were created, McBride has at long last given John Ford the biography his stature demands.

**Early Plays** Eugene O'Neill 2001-08-01 A selection of early work—including two Pulitzer Prize-winning plays—from Eugene O'Neill, winner of the Nobel Prize in Literature A Penguin Classic Included in this

volume are seven one-act plays (The Moon of the Caribbees, Bound East for Cardiff, In the Zone, The Long Voyage Home, Ile, Where the Cross Is Made, and The Rope), and five full-length plays (Beyond the Horizon, The Straw, Anna Christie, and the classics The Emperor Jones and The Hairy Ape), all written between 1914 and 1921 and produced for the stage between 1916 and 1922. The majority of these plays are heavily influenced by German expressionism—Freud, Nietzsche, Strindberg, and the radical leftist politics in which O'Neill was involved during his youth. Also included in this unique collection is the little-known and highly autobiographical play The Straw, which draws on O'Neill's confinement in the Gaylord Farm Sanatorium.

*Commander Toad and the Voyage Home* Jane Yolen 1998-10-26 "A funny space adventure that spoofs Star Wars while providing an easy-to-read story." —Booklist After many long days in the dark of space, the crew of the Star Warts is thinking longingly of home. But when Mr. Hop sets a course for HOME, the spaceship zeroes in on an uncharted planet. The intrepid crew sets out to explore, and Commander Toad stumbles into an extraordinary discovery -- one that gives a new meaning to home. Join these much-loved characters in a toadally new adventure, full of groan-worthy puns and visual jokes. Fans of DK Readers: LEGO Star Wars, Tom Angleberger's Origami Yoda, and silliness will toad-ally love Commander Toad!

**In the Zone** Eugene O'Neill 1923

*The Long Voyage* Charles Dickens 2018-10-11 The Long Voyage (+Biography and Bibliography) (Glossy Cover Finish): The story concerns a man alone on New Year's Eve, who loves to "sit by the fire, thinking of what I have read in books of voyage and travel" while he himself has never been "around the world, never has been shipwrecked, ice-environed, tomahawked, or eaten." Some of the books he has read concern Christopher Columbus, James Bruce who searched for the source of the Nile, John Franklin who made an "unhappy overland Journey" and was lost searching for the northwest passage in the Canadian Arctic, "Men-selling despots" and the Atlantic slave trade, and Mungo Park, a Scottish explorer (1771

The Lost Worlds of John Ford Jeffrey Richards 2020-02-20 The great director John Ford (1894-1973) is best known for classic westerns, but his body of work encompasses much more than this single genre. Jeffrey Richards develops and broadens our understanding of Ford's film-making oeuvre by studying his non-Western films through the lens of Ford's life and abiding preoccupations. Ford's other cinematic worlds included Ireland, the Family, Catholicism, War and the Sea, which share with his westerns the recurrent themes of memory and loss, the plight of outsiders and the tragedy of family breakup. Richards' revisionist study both provides new insights into familiar films such as *The Fugitive* (1947); *The Quiet Man* (1952), *Gideon's Way* and *The Informer* (1935) and reclaims neglected masterpieces, among them *Wee Willie Winkie* (1937) and the extraordinary *The Long Voyage Home*. (1940).

**Orbits - Book 3** Thomas Swartz 2023-06-13 In this the third book in the Orbits Series, the intrepid crew of the Excelsior travels to Mars in search of crewmen Rosalind's long lost husband. Their desperate search is interrupted by a stop at the beautifully designed deep space station Pegasus, where communist dissident LiMing rejoins the crew to assist in their fight and flight from the communist menace. On Pegasus, Rosalind undergoes a religious experience but then must desperately escape from the bowels of the most fearsome warship of the Chinese Space Force - the Xi Jinping after gaining intelligence of her husband's whereabouts. The battle ensues when Captain Thomas Major guides his beloved Excelsior into a trojan asteroid field where he must match wits with a Red Dragon interceptor fighter hunting Rosalind's husband. The final battle culminates at Mars where Captain Major executes the most daring maneuver to directly confront the warship Xi Jinping. The battle over, Rosalind finds what she has been seeking since joining Excelsior. She comes to realize the meaning of her fond memories, and realizes she has found a new home on Excelsior. A trilogy of the Orbits Series thus completed, the crew is ready for a new set of adventures to begin. *A Prompt Book for the Long Voyage Home and the Hairy Ape* Dorothy N. Nixon 1977

**The Long Voyage Home: A Journey of Discovery** Patrick Kelly

2018-01-25 The Long Voyage Home is an epic journey written in the manner of Irish writers and poets who have sung from the rocks of Dublin, struggled on the decks of seafaring ships and wept at the graves of comrades and in the alleys of tenements. It seeks the grace of God and the friendship of angels, while always casting a fearing ear about for the "beast" that sometimes rips our dreams. The remarkable new work examines the struggle to balance our perceptions of memories, dreams and reality, good and evil, Heaven and Hell, while moving through a landscape of parents, jobs, lovers and friends. It invites you to come along. The author, Patrick Kelly, served as a Russian linguist in the U.S. Army, stationed in West Germany before the Berlin Wall fell. He received a B.A. in Journalism from the University of Southern Mississippi, where he also did graduate work in English literature. He spent 25 years as a newswriter and editor in the American Southeast. He is currently working on Volume II of The Long Voyage Home.

**The Long Voyage Home** Mary June Spain 2003

**John Wayne: The Life and Legend** Scott Eyman 2015-04-21 This revelatory biography shows how both the facts and fictions about John Wayne illuminate his singular life.

**The Long Voyage Home, a Film Directed by John Ford from Plays by Eugene O'Neill** Judy Myrick Vogel 1995

**Long Voyage Back** Luke Rhinehart 2015-01-13 When the bombs came, only the lucky escaped. In the horror that followed, only the strong would survive. The voyage of the trimaran Vagabond began as a pleasure cruise on the Chesapeake Bay. Then came the War Alert...the unholy glow on the horizon...the terrifying reports of nuclear destruction. In the days that followed, it became clear just how much chaos was still to come. For Captain Neil Loken and his passengers, their shipmates were now the only family they had, the open seas their only sanctuary, their skill and courage all that might get them out alive.

Paulo Emílio Salles Gomes Maite Conde 2018-10-15 Paulo Emílio Salles Gomes (1916-77) is revered in Brazil as the first ardent defender, promoter and theorist of Brazilian cinema. A film professor, critic and historian, his dedication to cinema shaped a generation of influential film

critics in his home country, and set the foundations for the serious study of film in Brazil. For the first time in English, this book brings together a selection of his essays for an English-speaking audience, with detailed explanatory introductions to each section for readers unfamiliar with the context of the writings of Salles Gomes. By blending together ruminations on global and national cinema, as well as avant-garde film and popular movies, the collection shows how the defence and promotion of a national cinema has been forged through dialogues with international trends, informed by commercial influences, and shaped by global and national political contexts. The book thus introduces readers to the international dimensions of Salles Gomes's engagements with film, and in doing so reassesses the locatedness of his formulations on national cinema and signals their international dimensions.

**The Long Voyage** Malcolm Cowley 2014-01-06 Critic, poet, editor, chronicler of the Lost Generation, elder statesman of the Republic of Letters, Malcolm Cowley (1898-1989) was an eloquent witness to American literary and political life. His letters, mostly unpublished, provide a self-portrait of Cowley and his time and make possible a full appreciation of his long, varied career.

The Long Voyage Home and Other Plays Eugene O'Neill 2016-02-17 Populated by moody, intense characters trapped by forces greater than themselves, these four short melodramas include Bound East for Cardiff, In the Zone, The Long Voyage Home, and The Moon of the Caribbees.

**The Odyssey** Homer 1871

**A Voyage Long and Strange** Tony Horwitz 2008-04-29 The bestselling author of Blue Latitudes takes us on a thrilling and eye-opening voyage to pre-Mayflower America. On a chance visit to Plymouth Rock, Tony Horwitz realizes he's mislaid more than a century of American history, from Columbus's sail in 1492 to Jamestown's founding in 1607. Did nothing happen in between? Determined to find out, he embarks on a journey of rediscovery, following in the footsteps of the many Europeans who preceded the Pilgrims to America. An irresistible blend of history, myth, and misadventure, A Voyage Long and Strange captures the wonder and drama of first contact. Vikings, conquistadors,

French voyageurs—these and many others roamed an unknown continent in quest of grapes, gold, converts, even a cure for syphilis. Though most failed, their remarkable exploits left an enduring mark on the land and people encountered by late-arriving English settlers. Tracing this legacy with his own epic trek—from Florida's Fountain of Youth to Plymouth's sacred Rock, from desert pueblos to subarctic sweat lodges—Tony Horwitz explores the revealing gap between what we enshrine and what we forget. Displaying his trademark talent for humor, narrative, and historical insight, *A Voyage Long and Strange* allows us to rediscover the New World for ourselves.
