

Simple Sex Worship

Thank you very much for downloading **Simple Sex Worship**. Maybe you have knowledge that, people have look numerous times for their chosen novels like this Simple Sex Worship, but end up in harmful downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some infectious virus inside their laptop.

Simple Sex Worship is available in our digital library an online access to it is set as public so you can get it instantly. Our book servers hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the Simple Sex Worship is universally compatible with any devices to read

Sex, Jesus, and the Conversations the Church Forgot Mo Isom 2018-03-06 Sex. In a world overwhelmingly obsessed with it, why is the church so silent about it? While our secular culture twists, perverts, cheapens, and idolizes sex, there are gaping holes in the church's guidance of young people. The result is generations of sexually illiterate people drowning in the repercussions of overwhelming sin struggles. Enough is enough, says Mo Isom. With raw vulnerability and a bold spirit, she shares her own sexual testimony, opening up the conversation about misguided rule-following, virginity, temptation, porn, promiscuity, false sex-pectations, sex in marriage, and more and calling readers back to God's original design for sex--a way to worship and glorify him. This book is for the young person tangled up in an addiction to pornography, for the girlfriend feeling pressured to go further, for the "good girl" who followed the rules and saved herself for marriage and then was confused and disappointed, for the married couple who use sex as a bargaining tool, for every person who casually watches sex play out in TV and movies and wonders why they're dissatisfied with the real thing, and for every confused or hurting person in-between. Sex was God's idea. It's time we invited him back into the bedroom.

Planning Your Lgbtq Wedding: Words for Same-Sex Ceremony B. J. Beu 2019-02-16 In over twenty years of ministry, I have married hundreds of couples. Every couple has brought unique elements to their wedding, but they have all shared the decision to express their love before family and friends in a relationship that carries both societal approval and legal protection. Until recently, they have also shared one other thing in common--none of these couples were same-sex. It just wasn't allowed. It bothered me that I was allowed to bless a same-sex couple's home, business, and pets, but not their love and their commitment to each other. If God is love, and if the gospel is a witness to this all-encompassing love, why was I not allowed to sanctify and hallow the love of two people created in the image of God, simply because they share a gender? When I assigned the same-sex couples a wedding planning book to choose language for their service, I quickly realized that the book I had assigned to hundreds of cisgender couples was utterly void of appropriate language and material for same-sex services. This book is a response to that void. In its pages, you will find all the elements of a standard marriage ceremony, but you will find so much more. You will find poems of passionate love. You will find Rituals of Union, representing the joining of your lives: unity candle ceremonies, Sand ceremonies, wine ceremonies, even Celtic rituals like "Tying the Knot." You will find two beautiful Blessing of the Hands readings to use before the giving and receiving of rings. But above all, you will understand what each element of the marriage ceremony represents and how to use this knowledge to create a beautiful service that is uniquely your own. And so, allow this book to lead you on a journey of discovery--a journey that helps you understand what you and your partner hold sacred, a journey that transforms this understanding into a service that will draw you closer together, a journey that will deepen the relationship you have chosen to celebrate and solemnize in marriage.

The Masculine Cross and Ancient Sex Worship Sha Rocco 1904 [A tremendous and controversial undertaking for its time, this book unearths some of the most fascinating connections between the world of Christianity and sexual imagery, adventure and exotica. Without missing a beat, Rocco has seen to it that her readers are not only kept fascinated, but that her own theories and precepts remain strong in the reader's mind. It doesn't matter that her words reach out from a past century. Their ring is clear and their message loud, even by today's standards. Rocco moves from an intrinsic philosophy of the cross and its

shape and form in theoretical gendering, while leaving no stone unturned in her discussions of the Triad and Vocabulary of the ancients. This woman finds sex in every nook and cranny of history, letting nothing stand in her way to complete sexual discovery. Her writing style remains clear and easy to read, while packed with the most interesting of facts, theories and suggestions.

Sex Symbolism in Religion James Ballantyne Hannay 1991-08 1922 Contents: the Gods of the Hebrew Bible; Part I - Old Testament Gods; Growth of the Sun God Idea; Status, Beliefs & Idols of the Hebrews; Fruition of the Sun God Idea; Peter or the Rock; the Two Gods; Queen of Heaven, Ruach; Seven Stories of. **Phallic Worship: A Description of The Mysteries of The Sex Worship of The Ancients With The History of The Masculine Cross** Anonymous Sex Worship has prevailed among all peoples of ancient times, sometimes contemporaneous and often mixed with Star, Serpent, and Tree Worship. The powers of nature were sexualised and endowed with the same feelings, passions, and performing the same functions as human beings. Among the ancients, whether the Sun, the Serpent, or the Phallic Emblem was worshipped, the idea was the same--the veneration of the generative principle. Thus we find a close relationship between the various mythologies of the ancient nations, and by a comparison of the creeds, ideas, and symbols, can see that they spring from the same source, namely, the worship of the forces and operations of nature, the original of which was doubtless Sun worship. It is not necessary to prove that in primitive times the Sun must have been worshipped under various names, and venerated as the Creator, Light, Source of Life, and the Giver of Food. In the earliest times the worship of the generative power was of the most simple and pure character, rude in manner, primitive in form, pure in idea, the homage of man to the supreme power, the Author of life. Afterwards the worship became more depraved, a religion of feeling, sensuous bliss, corrupted by a priesthood who were not slow to take advantage of this state of affairs, and inculcated with it profligate and mysterious ceremonies, union of gods with women, religious prostitution and other degrading rites. Thus it was not long before the emblems lost their pure and simple meaning and became licentious statues and debased objects. Hence we have the depraved ceremonies at the worship of Bacchus, who became, not only the representative of the creative power, but the God of pleasure and licentiousness. The corrupted religion always found eager votaries, willing to be captives to a pleasant bondage by the impulse of physical bliss, as was the case in India and Egypt, and among the Phœnicians, Babylonians, Jews and other nations. Sex worship once personified became the supreme and governing deity, enthroned as the ruling God over all; dissent therefrom was impious and punished. The priests of the worship compelled obedience; monarchs complied to the prevailing faith and became willing devotees to the shrines of Isis and Venus on the one hand, and of Bacchus and Priapus on the other, by appealing to the most animating passion of nature.

Sex God Rob Bell 2010-01-02 Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated. Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality, you quickly end up in the spiritual--because 'this' is always about 'that.' Something deeper. Something behind it all. You can't talk about sexuality without talking about how we were made. About how we relate to each other. About how we were made to relate to each other. And that will inevitably lead you to who made us. At some point you have to talk about God. To make sense of the one, we have to explore the other. That is what this book is about.

Science, Scripture, and Same-Sex Love Michael B. Regele 2014-10-31 Some church leaders assert that same-sex practices are incompatible with Christian teaching. The issues threaten to divide our churches and our nation. Michael B. Regele explores current scientific findings in biological brain research, psychology, and sociology, which he compares with scriptural teaching from the Bible, to show that a faithful reading of the Scriptures is consistent with Christian teaching that affirms same-sex love leading to same-sex marriage and full participation of LGBT people in church leadership. Regele offers compelling research and well-supported answers to common-place questions such as: Is sexual orientation a choice that individuals make? Is same sex attraction sinful in itself? Is it true that lesbian, gay, bi-sexual, and transgender (LGBT) people are more promiscuous than heterosexual people? Is it true that same-sex relationships do not last as long as hetero-sex relationships? Is abstinence for life the only choice for a Christian LGBT person? Or can they enter into intimate and sexual relationships and still be active participants in a Christian community? Is same-gender marriage acceptable from a Christian standpoint?

The Sex Worship and Symbolism of Primitive Races Sanger Brown 2019-11-09 First published in 1916, this book is a study of 'the history of that great motive of action, the sex passion, as it appears in religion and the interpretation of its significance.' Chapters include; Simple Sex Worship, Symbolism, Sun Myths, Mysteries And Decadent Sex Worship, and Interpretations.

Journal of the American Medical Association American Medical Association 1917

Sex Worship Clifford Howard 2019-06-25 No subject is of greater importance and significance in the history of the human race than that of sex worship, the adoration of the generative organs and their functions as symbols of the procreative powers of nature. It was the universal primitive religion of the world and has left its indelible impress upon our ideas, our language and our institutions. It constitutes the basis of all religious systems and the origin of our most sacred symbols and many of our most familiar customs; in a word, it is the foundation of religious thought and conduct.

The Gospel & Pornography Russell D. Moore 2017-04-01 The problem isn't sex. God designed sex; and sex is good. Sex is a powerful union that brings men and women together. But when sex is distorted by sin, the misuse of our sexuality can alienate us from one another, causing immense harm and pain. Enter pornography—the most prevalent distortion of sexual sin in America. Pornography is not only a problem in terms of personal morality, but a social epidemic that is making the possibility of sexually-fulfilled marriages harder to achieve. It is rewiring our brains to think about sexuality in destructive ways. We have a very serious problem, and it's not isolated to any one segment of culture. So, what now? Editors Russell Moore and Andrew T. Walker of the Ethics and Religious Liberty Commission (ERLC) assemble leading voices to frame the issue with a gospel-centered perspective. The Gospel for Life series gives every believer a biblically-saturated understanding of the most urgent issues facing our culture today, because the gospel is for all of life.

Sacred Sex Tim Alan Gardner 2009-01-16 For years, Christians have been told that sex is God's creation, designed by him as a gift to husbands and wives. Yet few couples actually experience sex as a spiritual, God-ordained experience. Rather than admit their lack of fulfillment, many couples hide their disappointment and confusion, while others attempt to solve the problem through better sexual technique. Unfortunately, all the advice on improved technique fails to explain the one thing that makes sense of it all. Despite the proliferation of resources to enhance sexual satisfaction, couples continue to struggle in their sexual relationship. In fact, author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting, energizing, and soul-touching physical bond. But now, that can change. A couple's sexual relationship has a far higher purpose than pleasure or procreation. Scripture makes it clear that sex is the one thing on earth that joins two people into one. Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness. Sacred Sex shows how they can experience a beautiful, God-ordained life of intimacy that blesses them far beyond the bedroom walls, serves as an act of worship to God, and touches their hearts and souls in ways they never could have imagined.

Sex Symbolism in Religion James Ballantyne Hannay 1922

The Masculine Cross and Ancient Sex Worship Sha Rocco 2011-04-29 This short book on ancient 'Phallic worship', as the Victorians called it, contains much which is covered in the other entries in this literature.

Jennings has a compelling thesis about the role of sexuality in ancient religions and their modern successors which bears careful examination. A tremendous and controversial undertaking for its time, this book unearths some of the most fascinating connections between the world of Christianity and sexual imagery, adventure and exotica. Without missing a beat, Rocco has seen to it that her readers are not only kept fascinated, but that her own theories and precepts remain strong in the reader's mind. It doesn't matter that her words reach out from a past century. Their ring is clear and their message loud, even by today's standards. Rocco moves from an intrinsic philosophy of the cross and its shape and form in theoretical gendering, while leaving no stone unturned in her discussions of the Triad and Vocabulary of the ancients. This woman finds sex in every nook and cranny of history, letting nothing stand in her way to complete sexual discovery. Her writing style remains clear and easy to read, while packed with the most interesting of facts, theories and suggestions.

The Sex Worship and Symbolism of Primitive Races Sanger Brown 2020-10-25 First published in 1916, this book is a study of 'the history of that great motive of action, the sex passion, as it appears in religion and the interpretation of its significance.' Chapters include; Simple Sex Worship, Symbolism, Sun Myths, Mysteries And Decadent Sex Worship, and Interpretations.

Sex And Sex Worship Otto Augustus Wall 2014-06-03 Sex is at the very heart of life, and this classic illustrated study of sex, its nature and function, and its influence on art, science, architecture and religion contains a wealth of information on sex beliefs, practices and worship in other cultures and periods of history stretching back to ancient times. Drawing on a wide range of sources including private collections of erotica, Wall shows how people in other times and places have dealt with the timeless themes of sexuality, male, female, love, passion, lust, desire and worship, dealing with sex as a private practice and also as public celebration. This edition first published in 2006. Routledge is an imprint of Taylor & Francis, an informa company.

The Meaning Of Sex Christopher Doyle, MA LPC LCPC 2018-03-20 In the midst of a culture where sex and gender issues are rampant, two common viewpoints exist. Unfortunately, they are both extreme. While there is an effort in the church to minister to the sexually broken, many places of worship have adopted a strict ethic that leads to a fear-based attitude towards those struggling with sexuality and gender identity. This has caused strugglers to feel alienated and wounded from the church. On the other hand, secular culture has adopted the sexual liberation message: "If it feels good, do it." Sadly, this idea has permeated the hearts and minds of too many Christians. As a result, issues such as homosexuality, gender identity confusion, and sex outside of marriage have become battlegrounds of division among the Body of Christ. With all of this discord, how do we find the true meaning of sex? In *The Meaning of Sex: A New Christian Ethos*, Christopher Doyle offers a compassionate and bold philosophy on how to love thy neighbor within the confines set forth by our Savior, who holds us when we struggle, loves us when we fall, and celebrates with us when we experience victory. When we collectively pursue the wholeness Jesus calls us to, the sexual ethics that bind us becomes a higher ethos that unites us. Only then, as we bare our souls to each other and become vulnerable with our own unique wounds, can we meet our struggling brothers and sisters where they are and journey towards emotional wholeness and spiritual maturity. "The Meaning of Sex: A New Christian Ethos is a masterful synthesis of Christian theology and the social sciences that has the potential to radically transform our culture in positive ways." ~ Michelle A. Cretella, M.D. (President, American College of Pediatricians) "Christopher Doyle effectively challenges cultural constructs that have led Christians away from the questions that we need to be asking, connecting the dots between a biblical narrative of sexuality and what is revealed in nature and through scientific inquiry." ~ Professor Carolyn Pela, Ph.D., LMFT (Chair, Department of Behavioral and Social Sciences, Arizona Christian University)

Simply Christian N. T. Wright 2010-02-09 Why is justice fair? Why are so many people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today. Like C. S. Lewis did in his classic *Mere Christianity*, Wright makes the

case for Christian faith from the ground up, assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular. His goal is to describe Christianity in as simple and accessible, yet hopefully attractive and exciting, a way as possible, both to say to outsiders "You might want to look at this further," and to say to insiders "You may not have quite understood this bit clearly yet."

Sex Texts from the Bible 2007 A fresh look at the Bible reveals a richness of insight about sex and sexuality

For some people, the Bible's perspectives on sex may seem too one-dimensional or antiquated to apply to modern-day life. Others may hold up the Bible as the ultimate moral guideline when it comes to sex and human sexuality. A close reading of the Bible reveals that while its rules and lessons about sex and sexuality may not be applicable to all people at all times, this sacred scripture does offer surprising insight into our modern sexual lives. This intriguing guide demystifies the Bible, synthesizing basic historical, theological, literary and linguistic ideas about the Bible's texts with our modern attitudes about sex.

Thoughtful new translation and provocative commentary bridge the divide between biblical authority and our present-day views on gender roles, marriage, sexual orientation, virginity, lust and sexual pleasure. Drawing from Hebrew and Christian scripture, it examines the ways that the language of religion and the language of sex intersect. Now you can discover what the Bible says about sex with no previous background in theology or religious history. This SkyLight Illuminations edition offers insightful and engaging commentary that explains the historical context and religious worldviews of those who wrote the Bible as well as the role their perspectives play in current social debates. You will be encouraged to form your own opinion about what the Bible has to say about sex and gain a deeper understanding of your own sexuality.

The Masculine Cross, or a History of Ancient and Modern Crosses, and Their Connection With the Mysteries of Sex Worship UNKNOWN. AUTHOR 2015-06-25 Excerpt from *The Masculine Cross, or a History of Ancient and Modern Crosses, and Their Connection With the Mysteries of Sex Worship*: Also an

Account of the Kindred Phases of Phallic Faiths and Practices In the following pages certain things supposed to be of comparatively modern origin have been traced back to the remotest historic ages of the world; as a consequence, it follows that the modern symbolical meaning given to such things is sometimes only one acquired in subsequent times, and not that exactly which was originally intended, - it must not be supposed, therefore, that the interpretation belonging to the epoch in which we are first enabled to trace a definite meaning is to be conclusively regarded as that which gave birth to the form of the symbol. The original may have been - probably was - very different to what came after; the starting point may have been simplicity and purity, whilst the developments of after years were degrading and vicious. Particularly so was this the case in the Lingam worship of the vast empire of India; originally the adoration of an Almighty Creator of all things, it became, in time, the worship of the regenerative powers of material nature, and then the mere indulgence in the debased passions of an abandoned and voluptuous nature. With regard to the symbol of the Cross, it may be repugnant to the feelings of some to be told that their recognition of its purely Christian origin is a mistake, and that it was as common in Pagan as in more advanced times; they may find consolation, however, in the fact that its real beginning was further back still in the world's history, and that with Paganism it was, as it had been with Christianity, simply an adopted favourite. Our story is taken up in the middle epoch of the history, and shews the relationship of the things we deal with to prevailing phallic faiths and practices. Sex and the Single Girl Dr. Juli Slattery 2017-08-01 A study on sex that goes beyond "just don't do it." Sexuality is a hot topic these days, and opinions are all over the place. A resource offering simple "do's and don'ts" won't cut it. *Sex and the Single Girl* fills the gap by providing a broader, more comprehensive understanding of what it means to honor God with our sexuality. This resource will equip single women to understand their sexuality, trust the Lord for redemption and healing, and stand against the cultural trends that marginalize and compromise God's design for sex. Juli Slattery is a clinical psychologist, cofounder of Authentic Intimacy, and author of several popular books, including *25 Questions You're Afraid to Ask About Love, Sex, and Intimacy*. She has devoted the last five years to equipping women with God's truth about sexuality, and here she drives home the truth that every sexual choice is also a spiritual choice. The six-week study is broken down into five days for each week, covering: Why Sexuality Matters: The connection between spirituality and sexuality Embracing a Grand Design: God's design and the beauty of living according to His wisdom. Sexuality and Your Character: How sexuality is part of worship and Christian identity. Sexual Boundaries: A very practical chapter providing a biblical grid for matters like masturbation, oral sex, and how far is too far to go in a dating relationship. Battling Temptation: A peak at "the enemy's playbook," helping women anticipate, prepare for, and stand against sexual temptation. Restoring Intimacy with God: How God can tear down the wall of sexual sin, shame, and confusion through forgiveness and redemption. This study has been tested through pilot groups with college women and other 20somethings. Revised according to their feedback, it is primed and ready to help any single woman think biblically about sexuality, live accordingly, and experience the joy and freedom of doing so. *Sex and the Single Girl* is especially relevant today. One of the greatest threats to the modern church and emerging adults is the distortion of sexual design. Study after study has documented the proliferation of porn use (among both men and women), sexual exploitation on college campuses, experimentation with homosexuality and bisexuality, and the acceptability of multiple sexual partners. The average single Christian has received very little teaching on the purpose of sexuality, and a simple "just wait until you're married" approach won't cut it. Christian singles need to be equipped with a biblical worldview of sexuality and practical tools for talking it out. This study, which Slattery created with two women familiar with curriculum development, is ideal for college campuses and small groups. It will prompt discussions on practical topics like sexual temptation, sexual conduct, and responding to cultural thinking on gender issues and sexual autonomy. It is designed to challenge women to examine the assumptions underlying their sexual behaviors and beliefs. The ultimate goal of this resource is to introduce women to an intimate relationship with God who cares about every aspect of her life.

Dance in Scripture Angela Yarber 2013-10-16 *Dance in Scripture: How Biblical Dancers Can Revolutionize Worship Today* examines the dances of seven biblical figures: Miriam, Jephthah's daughter, David, the Shulamite, Judith, Salome, and Jesus. Each figure offers a virtue that has the potential to revolutionize worship today. Yarber combines feminist and queer hermeneutics with dance history to highlight the nuances of the texts that often go unnoticed in biblical scholarship, while also celebrating the myriad ways the body can be affirmed in worship in creative, empowering, and subversive ways. Liberation, lamentation, abandon, passion, subversion, innocence, and community each contribute to the exciting ways embodied worship can be revolutionized. This is a book for those interested in biblical scholarship, dance, the arts, feminist and queer theory, or revolutionizing worship.

Wreck My Life Mo Isom 2016-08-02 A NEW YORK TIMES BESTSELLER Inspiring Story of How Brokenness Leads to Bold Faith Jesus promises peace and trouble for his followers. But most of us accept the peace and are confused and angry when adversity comes our way. All-American soccer star Mo Isom knows the struggle firsthand. While her life seemed like a success, she was battling an eating disorder, the suicide of her father, and a horrific car accident. It wasn't until God wrecked her life that she discovered the glory of renewal through Jesus Christ and that wreckage can be sacred rather than scarring. Readers take the journey from broken to bold with her and learn to surrender their lives to the King who was wrecked on their behalf. Endorsements "Mo reminds us that brokenness is actually the very place God meets us the most, and the place where we can find Jesus like never before."--Jefferson Bethke, New York Times bestselling author of *Jesus > Religion* "Every person who picks up this book will be challenged, entertained, and more connected with God by reading it."--Annie Downs, author of *Let's All Be Brave*

Sex and Money Paul Tripp 2013-04-23 Pleasure. We live in a world obsessed with finding it, passionate about enjoying it and desperate about maintaining it. Chief among such objects of affection are sex and money - two pleasures unequalled in their power to captivate our attention and demand our worship. Paul David Tripp pulls back the curtain on the lies of our flesh and the ways we distort God's good gifts, examining the insanity of our culture and exposing our tendency to fall prey to the hollow promises of this world. In exploring how God's grace frees us from futile pursuits, Tripp directs readers to the wisdom of God in Scripture and the liberating power of the gospel, offering practical guidance on finding true joy and lasting satisfaction. With his customary blend of honesty, humour, challenge and sound scriptural application, he offers wise and timely advice on how to break free. Don't make the mistake of seeking horizontally what you can only find vertically.

Sex and the Supremacy of Christ John Piper 2005-06-14 The Bible has a way of shocking us. If Americans could still blush, we might blush at the words, "Rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). But, of course, sin always tries to trash God's gifts. So we can't just celebrate sex for what God made it to be; we have to fight what sin turned it into. The contributors to this unique volume encourage you to do both: celebrate and struggle. This book has something for all-men and women, married and single-from contributors like John Piper, C. J. and Carolyn Mahaney, Mark Dever, Al Mohler, Carolyn McCulley, and others.

Find Simple Sex Worship Today!

In conclusion, the digital realm has granted us the privilege of accessing a vast library of eBooks tailored to our interests. By identifying your reading preferences, choosing the right platform, and exploring various eBook formats, you can embark on a journey of learning and entertainment like never before. Remember to strike a balance between eBooks and physical books, and embrace the reading routine that works best for you. So why wait? Start your eBook Simple Sex Worship

FAQs About Finding Simple Sex Worship eBooks

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice.

Are free eBooks of good quality?

Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.

Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks?

To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks?

Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.

Simple Sex Worship is one of the best book in our library for free trial. We provide copy of Simple Sex Worship in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Simple Sex Worship.
