*Historic Bottle and Jar Closures* Nathan E Bender 2016-07 This book presents a much-needed review of commercial closures for bottles and jars used in America prior to World War II. Archaeological attention to commercial closures has been rather limited. This is surprising given that data derived from bottles and jars pertain to a wide range of studies, including chronological control, trade, site functions, and methods of manufacture. Closures are an integral part of these studies, becoming particularly important after a spectacular variety of metal and glass caps in the late nineteenth and early twentieth centuries. This volume-provides a comprehensive review, including detailed

closure definitions, as well as glass finishes;-discusses the history of the development and impact of the hermetic seal in commercial closures;-will appeal to students, professionals, and collectors studying this common historic artifact class.

*The Spectacular Now* Tim Tharp 2014-02-06 Sutter's the guy you want at your party. Aimee's not. She needs help and it's up to Sutter to show Aimee a splendiferous time and then let her go forth and prosper. But Aimee's not like other girls and before long he's over his head. For the first time in his life he has the power to make a difference in someone else's life - or ruin it forever.

Out of the Ordinary 2005 Out of the ordinary examined how contemporary artists explore the traditional genre of still life. The exhibition showed work in a wide variety of media including painting, sculpture, photography, installation and film, all of which stretched the boundaries of Still Life beyond our initial perceptions. Exhibits included a luscious fruit still life by Caroline McCarthy, created from coloured toilet paper, and an elegant display of intricate glass works made from throwaway plastic bottles by Gerd Rohling.

Tommy Raw Thomas Mondello 2003-06 Sometimes people say and do things that just make you sit back and wonder. Well, this book is definitely three chapters of pure wonderment! It

all begins innocently enough within the womb then guides you on a path of fifth grade laughter and hi-jinx. Each tale contains real life situations that will surely bring a smile to your face. In fact, they're almost therapeutic as they confirm the fact that yes, there is actually someone out there in the world more moronic than yourself! Now isn't that a comforting thought! Stories from childhood through high school, to a three-year stint with the United States navy, right up to present day, only proves one thing. That years and experience of life mean absolutely nothing if you can't look back on them and have yourself a good hearty laugh! Hopefully some of the stories within this book will help to stir up a few entertaining memories from your own past. Remember.. memories are the fuel powering our sanity! Welcome to Tommy's world!

The Girl with Ghost Eyes M. H. Boroson

2015-11-03 "The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer

cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range

of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

**One Ordinary Sunday** Paula Huston 2016-03-11 Winner of the 2017 Association of Catholic Publishers Excellence in Publishing Award: General Interest Books (First Place) and the Catholic Press Association Book Award: Popular Presentation of the Catholic Faith (First Place). In *One Ordinary Sunday* the popular, award-winning writer Paula Huston draws on her spiritual wisdom and her talent as a novelist to provide both a moment-by-moment record of her experience of one particular Mass on one particular Sunday in her home parish in

California and a theologically and historically rich exploration of the origin and meaning of the liturgy. For Catholics, the Mass is the “source and summit of the Christian life,” as the documents of the Church put it. Yet many Catholics might confess to not understanding in any depth what goes on in an “ordinary” celebration of the Eucharist. In perhaps her most compelling and original book to date, novelist and spiritual writer Paula Huston guides us through a Mass on the Fourteenth Sunday in Ordinary Time at her home parish in Arroyo Grande, California. Huston’s personal and spiritual reflections offer fresh and often unexpected insights into the profound mystery at the heart of the Catholic faith. A natural storyteller, Huston deftly illuminates what might seem either mysterious to those unfamiliar with the Mass or overly familiar to those who have lost an appreciation of its mystery. In the Mass “we are healed and restored and spiritually fed,” she writes. “We are handed strong armor

against evil. We are unified and made whole as a people and as a Church. We get a little taste of heaven.” Readers of this book will learn how our confession of sins at the beginning of the Mass differs from the sacrament of Penance; what it means to say that the Mass is a sacrifice; why the prayers of the Mass, especially the Gloria, are full of scriptural allusions; what the purpose of the Eucharistic Prayer is; and what happens at the consecration of bread and wine and how it is the most profound mystery and miracle of the Mass. One Ordinary Sunday is for all Catholics, especially those who have questions about the basic practices of their faith, who are new to the Church and still somewhat baffled about its rituals of worship, or who have left the Church behind but still feel like part of the family.

Messages in a Bottle B. Krigstein 2013-03-20  
Bernard Krigstein began his career as an

unremarkable journeyman cartoonist during the 1940s and finished it as a respected fine artist and illustrator — but comics historians know him for his explosively creative 1950s, during which he applied all the craft, intelligence and ambition of a burgeoning “serious” artist to his comics work, with results that remain stunning to this day. Krigstein’s legend rests mostly on the 30 or so stories he created for the EC Comics, but dozens of stories drawn for other, lesser publishers such as Rae Herman, Hillman, and Atlas (which would become Marvel) showcase his skills and radical reinterpretation of the comics page, in particular his groundbreaking slicing and dicing of time lapses through a series of narrow, nearly animated panels. Greg Sadowski, who has previously written and designed a Harvey Award-winning biography of Krigstein, has assembled the very best of Krigstein’s comics work, starting with his earliest creative rumblings, through his glory days at EC, to his final, even more brilliantly

radical stories for Atlas Comics — running through every genre popular at the time, be it horror, science fiction, war, western, or romance (but no super-heroes).
