Slow Motion Ghosts Jeff Noon 2019-01-24 'Noon's storytelling is assured and compelling ... it's a belter' Guardian 'Constantly surprising' Spectator A viciously occult murder. A curious clue left on the body. The soundtrack to the murder still playing... It is 1981 and Detective Inspector Henry Hobbes is still reeling in the aftermath of the fire and fury of the Brixton riots. The battle lines of society - and the police force - are being redrawn on a daily basis. With the certainties of his life already sorely tested, a brutal murder will shake his beliefs to their very core once more. The manner of the death and its staged circumstances pose many questions to which there are no obvious answers. To track the murderer, Hobbes must cross boundaries into a subculture hidden beneath the everyday world he thought he knew. His investigation takes him into a twisted reality, which is both seductive and devastating, and asks him the one question he has been dreading: How far will he go in pursuit of the truth? Jeff Noon is the author of six acclaimed novels, Vurt, Pollen, Automated Alice, Nymphomation, Needle in the Groove and Falling Out of Cars, as well as two collections of short fictions, and is also the crime fiction reviewer for The Spectator. He lives in Brighton.

Living My Life Emma Goldman 2006-04-04 Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most famous—and notorious—woman in the early twentieth century. This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of and later disillusionment with Lenin's Bolshevik experiment, and more. Sounding a call still heard today, *Living My Life* is a riveting account of political ferment and ideological turbulence. First time in Penguin Classics Condensed to half the length of Goldman's original work, this edition is accessible to those interested in the activist and her extraordinary era

Those We Left Behind Milree Latimer 2017-12-06 Those We Left Behind is a story of the damage we do to ourselves and those we love, because we allow our past to rule us. Dr. Casey MacMillan's carefully constructed world unravels when Galean, a good friend enters into a dangerous and threatening love affair. Casey who is emotionally frozen by choice, must face cold truths about herself and her resistance to love and be loved. Forced to untangle everything that kept her safe, she leaves all that is familiar and abandons her friend Galean, vowing to leave him to his chosen fate. Now she faces the prospect of the unknown and the possibility of untangling all she believes about life.

The Gothic Romance Wave Lori A. Paige 2018-09-19 The late 1960s and early 1970s saw the birth of modern feminism, the sexual revolution, and strong growth in the mass-market publishing industry. Women made up a large part of the book market, and Gothic fiction became a higher popular staple. Victoria Holt, Mary Stewart and Phyllis Whitney emerged as prominent authors, while the standardized paperback Gothic

sold in the millions. Pitched at middle-class women of all ages, Gothics paved the way for contemporary fiction categories such as urban fantasy, paranormal romance and vampire erotica. Though not as popular today as they once were, Gothic paperbacks retain a cult following—and the books themselves have become collectors' items. They were also the first popular novels to present strong heroines as agents of liberation and transformation. This work offers the missing chapters of the Gothic story, from the imaginative creations of Ann Radcliffe and the Brontë sisters to the bestseller 50 Shades of Grey.
