This book provides advice on creating a resume, drafting a cover letter, networking, and interviewing -- all in the specific context of applying for a job in sports.

Career Opportunities in the Sports Industry, Third Edition Shelly Field 2009-01-01

Careers in Focus 1998 Defines the top twenty-two careers in sports-related fields, discussing the nature of the work, educational or training requirements, getting started, advancement possibilities, salary, employment outlook, and sources of more information.

Sports Industry John Greenwald 2009 Presents a guide to help you examine job possibilities while on your way to a new career in the sports industry. Includes a self-assessment quiz.

Career Opportunities in the Sports Industry Shelly Field 2004 Describes the responsibilities, salaries, outlook, and educational requirements for a variety of sports-related careers, including player, manager, agent, and sports writer, and includes tips for getting started. *Careers for Sports Nuts & Other Athletic Types* William Ray Heitzmann 2004-04-14 Looks at job opportunities, training requirements, and salary figures for careers such as coaches, trainers, physical education teachers, game officials, fitness center operators, and sports medicine professionals.

Dream Jobs in Sports Personnel Carla Mooney 2017-12-15 Many people work behind the scenes in sports. Sports personnel work in a variety of careers. They are not on the field, but these professionals are an essential part of the success of their sports organizations. This comprehensive career guide covers the most sought-after careers in sports personnel, including public relations, talent scouts and evaluators, human resources, and financial planning. For each career path, readers will learn about educational and professional requirements, job responsibilities, and job outlook, while also learning job-specific skill building and work experience that they can start today to prepare for a career in the sports industry.

You're Hired Brian A. Rzeppa 2020-11-05 With fantasy sports and sports video games growing each year, the appeal of working in the sports industry is perhaps greater now than ever before. Whether it's going online to discuss the latest trades and free agent moves or going behind a screen to take control of a virtual franchise, the business behind the game is often as intriguing as on the field of play. *You're Hired: A Guide to Working in Sports* gives an inside look at working in the upper-level roles of the billion-dollar sports industry. Relying on interviews from 17

current and former professional general managers and coaches as well as Division I collegiate athletic directors and coaches, *You're Hired* provides everything you wanted to know about working in sports — such as the hiring process, the process of making transactions and much more.

Dream Jobs in Sports Management and Administration Jeri Freedman 2012-07-15 Careers in sports management and administration enable those who love sports to work with athletes, sports teams, and sporting events up close — these positions often provide excellent salaries and benefits. There are a vast number of sports management jobs at professional, college, and high school levels. This lively text enables readers to gain a solid overview of the positions involved in performing the activities necessary for running a team, sports facility, or event. They learn about the types of jobs that relate to players, business, or media functions, and those that work with the public or behind the scenes. Some of the exciting job opportunities covered in this book include: general manager, athletic director, coach, trainer, business manager, agent, facility manager, security manager, ticket sales manager, and public relations manager, among many others. This book will guide readers in developing the skills, knowledge, and training necessary to land a job in this thriving area of the sports industry. Sidebars offer intriguing information about such topics as extreme sports, mentoring, and crisis management at sports facilities. A list of college and university programs in sports management and administration, an At a Glance section about possible career paths and their descriptions, and helpful Bureau of Labor Statistics information will support readers in researching many sports career opportunities.

How to Get a Job in Sports John Taylor 1992 In 1-2 page articles, the author profiles dozens (see contents screen) of sports and sports-related careers. He describes the job, gives education and training requirements, tells where the job is, the salary range, and the personality characteristics needed for the position. Also includes a list of league internship programs.

Careers for Sports Nuts William Ray Heitzmann 1994-07

The First Hurdle STEVE. INGHAM 2020-05-04 THE FIRST HURDLE: A guide to searching, applying and interviewing for jobs in sports performance Whatever you go on to achieve during your career, it will stem from the pivotal day you were appointed to do the job. If you're aiming for a successful innings in sports performance (and there are thousands entering via sports science, sports therapy and medicine routes every year), you'll know that it's viciously competitive. You've invested a substantial amount of money and effort in your education and you're probably confused about the next step... how to get ahead in the race. Most aspirants are completely unprepared for the job application and interviewing stages. They are either unskilled or don't know how to show that they have what it takes. This book will help you find the right doors to push and show you how to avoid having them slammed in your face. It will support you in putting your best foot forward for what could be the most important day of your career. Don't buy this book if you're expecting a speedy boarding pass to becoming Man United's next big training ground guru. Do buy it if you're prepared to put in the groundwork necessary to craft out a successful career in supporting the goals of others in the world of sport. Having interviewed, led and developed thousands of support staff and hopefuls, Dr Steve Ingham has seen it all. In this essential guide, he shares, in his usual candid and humorous style, the key areas to help you look for jobs and stand out as you apply. Steve gives insight into what interviewers are thinking and how to answer the array of interview questions you might face in the best possible way. With specialist sections on how to present yourself, virtual interviews, presentations, group interviews and applying for senior positions, this book will prepare you to take hold of the role you have always dreamed of.

Career Opportunities in the Sports Industry Shelly Field 2004-08-01

Describes the responsibilities, salaries, outlook, and educational requirements for a variety of sports-related careers, including player, manager, agent, and sports writer, and includes tips for getting started. [Dream Jobs in Sports Finance and Administration](#) Marty Gitlin 2014-07-15 Many people dream of making it to the big leagues, but very few will make it there as athletes. This does not mean that the dream of a career in the sports industry should be discarded. Those who have an interest in business, finance, and management should set their sights on sports finance and administration. This highly practical career guide highlights the various academic and professional pathways that one can follow to arrive at a career in the sports industry. It comes fully loaded with resource lists of college programs, Bureau of Labor Statistics data, and At-a-Glance fact sheets.

A Dream Job as a Sports Agent Mary-Lane Kamberg 2017-12-15 Readers who wish for a career in professional sports, but lack the athletic ability to go pro can consider a role as a sports agent. This extensive overview of this occupation includes dramatic examples of what sports agents do, as well as the personal skills and education required for the job. Readers also get tips on how to begin to prepare through classes and extracurricular activities they can participate in before they graduate from high school.
