

The Lord Wont Mind

Unveiling the Magic of Words: A Report on "**The Lord Wont Mind**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**The Lord Wont Mind**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Critiques of God Peter Adam Angeles 1997 Essays on atheism by Kurt Baier, John Dewey, Paul Edwards, Antony Flew, Sigmund Freud, Erich Fromm, Sidney Hook, Walter Kaufmann, Corliss Lamont, Wallace I. Matson, H.J. McCloskey, Ernest Nagel, Kai Nielsen, Richard Robinson, Bertrand Russell, and Michael Scriven.

God's Gravediggers Raymond Bradley 2022-06-29 Few can offer a more experienced view on religion than Ray Bradley. Having been raised as a 'winner of souls for Christ' in the 1940s, he spent the next 40 years as an atheist professor of philosophy and an outspoken critic /debater of religion. Revered for his work in logic and his meticulous approach to debate, God's Gravediggers is Bradley's coup de grâce to religion. A career's worth of work on a subject that could hardly be more important. Approaching the moral, logical and scientific arguments - using rich analogies, rational arguments and examples that non-academics would understand - he explores not only whether God exists, but also what damage the concept of God does. A timely book in an age of religious fundamentalism, hatred and conflict. "Bradley does not gloss over difficult points of logic and reasoning. A pleasure to read." Professor Graham Oppy, Chair of Council of the Australasian Association of Philosophy "From a young person's rejection of Christianity, to a mature philosopher's cogent critique of all religions. This compelling defense of atheism is a brilliant read." Professor Robert Nola, University of Auckland. "Bradley's forte is logic and he brings that to bear throughout the work. It is well-written and thoroughly absorbing. I have nothing but praise for his project." Theodore Drange, Professor Emeritus, West Virginia University

The Darkest Minds Alexandra Bracken 2012-12-18 Book one in the hit series that's soon to be a major motion picture starring Amandla Stenberg and Mandy Moore--now with a stunning new look and an exclusive bonus short story featuring Liam and his brother, Cole. When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities--the truth she's hidden from everyone, even the camp authorities--comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them--East River--they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

Holy Bible (NIV) Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Never Let Me Go Kazuo Ishiguro 2009-03-19 From the Booker Prize-winning author of The Remains of the Day and When We Were Orphans, comes an unforgettable edge-of-your-seat mystery that is at once

heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. Never Let Me Go breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

Trust Exercise Susan Choi 2019-04-09 WINNER OF THE 2019 NATIONAL BOOK AWARD FOR FICTION "Electrifying" (People) • "Masterly" (The Guardian) • "Dramatic and memorable" (The New Yorker) • "Magic" (TIME) • "Ingenious" (The Financial Times) • "A gonzo literary performance" (Entertainment Weekly) • "Rare and splendid" (The Boston Globe) • "Remarkable" (USA Today) • "Delicious" (The New York Times) • "Book groups, meet your next selection" (NPR) In an American suburb in the early 1980s, students at a highly competitive performing arts high school struggle and thrive in a rarified bubble, ambitiously pursuing music, movement, Shakespeare, and, particularly, their acting classes. When within this striving "Brotherhood of the Arts," two freshmen, David and Sarah, fall headlong into love, their passion does not go unnoticed—or untold—by anyone, especially not by their charismatic acting teacher, Mr. Kingsley. The outside world of family life and economic status, of academic pressure and of their future adult lives, fails to penetrate this school's walls—until it does, in a shocking spiral of events that catapults the action forward in time and flips the premise upside-down. What the reader believes to have happened to David and Sarah and their friends is not entirely true—though it's not false, either. It takes until the book's stunning coda for the final piece of the puzzle to fall into place—revealing truths that will resonate long after the final sentence. As captivating and tender as it is surprising, Susan Choi's Trust Exercise will incite heated conversations about fiction and truth, and about friendships and loyalties, and will leave readers with wiser understandings of the true capacities of adolescents and of the powers and responsibilities of adults.

Rules Cynthia Lord 2008-09 Twelve-year-old Catherine just wants a normal life. Which is near impossible when you have a brother with autism and a family that revolves around his disability. She's spent years trying to teach David the rules from a peach is not a funny-looking apple to keep your pants on in public--in order to head off David's embarrassing behaviors. But the summer Catherine meets Jason, a surprising, new sort-of friend, and Kristi, the next-door friend she's always wished for, it's her own shocking behavior that turns everything upside down and forces her to ask: What is normal?

God and the New Physics P. C. W. Davies 1984-10-16 Argues that the discoveries of twentieth-century physics--relativity and the quantum theory--demand a radical reformulation of the fundamentals of reality and a way of thinking, that is closer to mysticism than materialism.

The Madness of Lord Ian Mackenzie Jennifer Ashley 2011-08-02 A woman is drawn to a dangerously intriguing man in this unique historical romance from New York Times bestselling author Jennifer Ashley. It was whispered all through London Society that Ian Mackenzie was mad, that he'd spent his youth in an

asylum, and was not to be trusted—especially with a lady. For the reputation of any woman caught in his presence was instantly ruined. Yet Beth found herself inexorably drawn to the Scottish lord whose hint of a brogue wrapped around her like silk and whose touch could draw her into a world of ecstasy. Despite his decadence and his intimidating intelligence, she could see that he needed help. Her help. Because suddenly the only thing that made sense to her was...The Madness of Lord Ian Mackenzie.

You Have a Match Emma Lord 2021-01-12 INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB WINTER YA PICK INDIE NEXT PICK A BEST YA PICK OF 2021 BY POPSUGAR * PARADE A new love, a secret sister, and a summer she'll never forget. From the beloved author of Tweet Cute comes Emma Lord's *You Have a Match*, a hilarious and heartfelt novel of romance, sisterhood, and friendship... When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid photographer. Injury-prone tree climber. Best friend to Leo and Connie...although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front. But she didn't know she's a younger sister. When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents — especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself. The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. And her parents have a secret that threatens to unravel everything. But part of life is showing up, leaning in, and learning to fit all your awkward pieces together. Because sometimes, the hardest things can also be the best ones. "A YA contemporary set at summer camp? Count us in." —BuzzFeed "Heartfelt and engaging, *You Have a Match* is a masterclass on love in all its forms." —Sophie Gonzales, author of *Only Mostly Devastated* and *Perfect on Paper* "A bright summer tale of connection and self-discovery." —Booklist "A cute, feel-good coming-of-age story." —Kirkus

Are Souls Real? Jerome W. Elbert 2010-05-04 In an age dominated by science many traditional concepts are being reevaluated in light of current knowledge about the physical and biological world. Among the many religious notions passed down from generation to generation, belief in the soul may be the most in need of reconsideration. Despite its slightly antiquated nuances and its fuzziness as a coherent idea, people today still refer to the soul quite frequently We often hear such questions as: Can the soul leave the body? Does the soul survive death? And if so, do the souls of the departed occasionally appear to the living? But, given what we now know about the brain, psychology, and body chemistry, the skeptic may well ask, what meaning or relevance can this medieval term possibly have?Physicist Jerome W. Elbert takes up this intriguing issue in this informative yet accessible study. He begins by reviewing the ancient origins of the soul concept, looks at Christian beliefs and pagan parallels, and then considers how the advance of science has changed our fundamental understanding of the brain and consciousness. These new scientific insights, he points out, inevitably affect our traditional ideas about the soul. Moreover, many contemporary dilemmas have much to do with whether or not we posit the existence of a soul—for example, the question of free will and the debate over abortion. Taking into consideration the views of many recognized experts, he moves to the inescapable conclusion that we can account for the nature of life, the mind, and the human decision-making process without any need for the now obsolete idea of a soul.Insightful and absorbing, *Are Souls Real?* is popular science writing at its best.Jerome W. Elbert, Ph.D. (Tacoma, WA), now a self-employed researcher and writer, worked for many years as a research professor of physics at the University of Utah.

The Strumpet Wind Gordon Merrick 2020-02-25 *The Strumpet Wind*, first published in 1947, is a fictional account of espionage during the later days of World War II. Set in southern France, the novel revolves around a French family (the husband is a collaborator with the Vichy government and the German army), and an American intelligence agent, whose mission is to transmit false messages to the Nazis. Mercanton, the collaborator, attempts to switch allegiance to the Allied cause, but his actions, although helpful, do not prevent the tragic consequences brought about by his earlier activities. Author Gordon Merrick (1916-1988), served in the O.S.S. in France during World War II, reaching the rank of captain. *The Strumpet Wind* was his first novel.

Natural Atheism David Eller 2004 Everything is here to help those who are already atheists better understand the logic of their lives and see Atheism's social and political implications. Those who are not yet atheists will be helped by this scientist's common-sense analysis of the so-called 'proofs of God' to see the irrationality, indeed, the meaninglessness of god-beliefs. What is belief? What is knowledge? As Pilate is alleged to have asked, "What is truth"? Understandable and clear answers to all these questions are given by a seasoned anthropologist who has been able to see around the blinders imposed by Judaeo-Christian cultures.

An Idol for Others Gordon Merrick 2014-09-30 From the New York Times–bestselling author of *The Lord Won't Mind* comes the story of a man whose marriage of convenience will never keep him from taking what he truly wants Before he has even hit his twentieth birthday, Walter Makin has already earned a red-hot career on the stage and a reputation as a Boy Wonder. From afar, he is truly a man who has the whole world at its knees and a bright future ahead of him. Still, he has one weakness—other boys. Set in the 1940s, *An Idol for Others* follows Walter's internal turmoil as he tries to follow society's norms by marrying Clara, a wealthy, forceful heiress who is as enamored of Walter's status as she is of his body. In spite of Walter's efforts to refuse what he truly wants, he finds comfort again and again in the beds of other men—men who understand themselves and what they want in ways Walter can only dream of. However, when he meets and falls for a beautiful young writer, he can't deny who he is any longer. Now he must tell the world, regardless of the consequences.

Davy Edgar Pangborn 1975 The world we know is gone, destroyed in a fiery cataclysm. The survivors built a new world ruled by religion, oppression, and fear. In this pre-industrial society, sickness, ignorance, and death are the norm. A bond-slave, Davy dreams of sailing to the edge of the known world. He runs away at age 14, and what he discovers is similar to what most young men find in any age. As he searches for answers to his moral questions, he becomes an educated, thoughtful man, a dangerous heretic, and finally, a rebel.

Russell on Religion Bertrand Russell 1999 Bertrand Russell's religious convictions were controversial, and one of his best selling titles is 'Why I am not a Christian'. This is a comprehensive and coherent survey of Russell on religion, with notes for students.

One for the Gods Gordon Merrick 2014-09-30 In the follow-up to the gay romance bestseller *The Lord Won't Mind*, Peter and Charlie's marriage is put to the test when a young Frenchman enters their lives After a decade together in a steady, happy relationship, a trip to the sun-baked Mediterranean is exactly what Peter and Charlie need. Peter, now an art dealer, and Charlie, an artist, travel to the Riviera to attend to some business. However, once there, they meet a man who pushes their fidelity to the breaking point—and past it. In this, the second novel of the bestselling *Peter & Charlie Trilogy*, Gordon Merrick picks up with the couple's lives a few years after *The Lord Won't Mind* and in smart and scintillating fashion explores the ways the years can twist and warp a relationship. When their trip continues on a yacht through the Greek islands, Peter creates what he hopes is a good plan to mend their cracked bond, but instead may have created something that will rip them apart forever.

The Spiritual Doorway in the Brain Kevin Nelson 2010-12-30 The world's leading neurologist on out-of-body and near-death experiences shows that spirituality is as much a part of our basic biological makeup as our sex drive or survival instinct. If Buddha had been in an MRI machine and not under the Bodhi tree when he attained enlightenment, what would we have seen on the monitor? Dr. Kevin Nelson offers an answer to that question that is beyond what any scientist has previously encountered on the borderlands of consciousness. In his cutting-edge research, Nelson has discovered that spiritual experiences take place in one of the most primitive areas of the brain. In this eloquent, inspired, and reverent book, he relates the moving stories of patients and research subjects, brain scan analysis, evolutionary biology, and beautiful examples of transcendence from literature to reveal the machinery in our heads that enables us to perceive miracles—whether you are an atheist, Buddhist, or the most devout Catholic. The patients and people Nelson discuss have had an extremely diverse set of spiritual experiences, from arguing with the devil sitting at the foot of their hospital bed to seeing the universe synchronize around the bouncing of the ball in a pinball machine. However, the bizarre experiences don't make the people seem like freaks; they seem strangely very much like us, in surprising ways. Ultimately Nelson makes clear that spiritual experiences are not the

exception in human life, but rather an inescapable and precious part of every one of us.

Maybe Right, Maybe Wrong Dan Barker 2011-04-29 This captivating book affirms a child's ability to think, to seek information, and to question why? Children should be given information, not dogma, and tools for critical thought, not holy books, asserts Dan Barker. *Maybe Right, Maybe Wrong* teaches children important humanistic ideas. Andrea, the book's main character, distinguishes between rules and principles, finds that there is not always a right thing to do, and realizes that sometimes the right thing is to choose the lesser wrong. Her most important insight: Regardless of one's own beliefs, you should respect everybody's human rights. Through Andrea, Barker painlessly teaches situation ethics to children. *Maybe Right, Maybe Wrong* doesn't speak down to kids, but uses simple language and fun illustrations to make a tough topic understandable. . . [a] good job of simplifying basic moral questions in language children can understand. -Mansfield News Journal. . . a well-thought-out, clearly presented user's manual for young readers new to handling a moral compass - and serves as a fine review for parents. -Isthmus It will help children become critical thinkers, developing principles that will last a lifetime. -Library Talk

Revelation 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Lord Won't Mind Gordon Merrick 1995-07-01 The first in Merrick's notorious and much loved Peter and Charlie trilogy—the two beautiful young men meet at their Ivy League college and forge a love that will survive a hostile society and Charlie's vengeful ex-wife. A classic novel first published in 1970 and the first to portray a happy gay relationship. Now a new generation of readers can warm to these romantic melodramas featuring exotic locales and memorable characters.

The Perfect Rake Anne Gracie 2005-07-05 A phony engagement turns into real passion in this delightful Regency romance from award-winning author Anne Gracie. Fate has lavished beauty on the Merridew sisters—that is, all save the eldest. But plain Prudence bears no grudge; she loves her four beautiful sisters infinitely. So when their abusive grandfather is laid up with an injury, she seizes the opportunity to concoct an ingenious plan that will allow all five of them to escape the clutches of their legal guardian. All it will take is a little matrimonial deception. . . A renowned rake, Gideon, Lord Carradice, has a way of making ladies swoon. But when Prudence arrives at his doorstep and mistakes him for his cousin, the Duke, it is Gideon who's infatuated. The delightful spitfire claims she and the Duke are engaged—although a taller tale was never told. In spite of the lies, Gideon is so taken with charming Prudence that he's eager to join her game, especially if it will award him a stolen kiss or two. Now, Prudence's plot is about to go terribly, albeit deliciously, awry. . .

From Age to Age Keith A. Mathison 2009 Using the narrative method of biblical theology, *From Age to Age* traces the eschatological themes of Scripture from Genesis to Revelation, emphasizing how each book of the Bible develops these themes that culminate in the coming of Christ and showing how individual texts fit into the over-arching picture.

Don't Give the Enemy a Seat at Your Table Louie Giglio 2021-05-11 Publishers Weekly bestseller Discover how to break free from the chains of negative thinking and experience true freedom from unhealthy thoughts and emotions. The Enemy is constantly seeking to fill your mind with destructive and harmful thoughts—whether of fear, worry, insecurity, anxiety, temptation, envy. . . . It's all too easy for Satan to manipulate his way into a seat at the table intended for only you and Jesus, and to try making himself at home in your mind. It's an ongoing battle, but one you can win! In *Don't Give the Enemy a Seat at Your Table*, bestselling author and pastor Louie Giglio shares practical ways to overcome the Enemy's lies and instead find peace and security in any challenging circumstance or situation. By drawing from Psalm 23 as a framework, he offers biblical insight on how to . . . Cancel the lies that will wreck your life. Take empowering steps to live fully alive in Christ. Stop the spiral of shame, temptation, and insecurity. Restore peace and rest in your life. Embrace the true purpose behind your journey through challenging circumstances. Break free from the endless cycle of destructive thinking. You can find freedom from the war inside your mind—if you allow Jesus, the Good Shepherd, to lead the battle. Learn how to find encouragement, hope, and strength no matter what valleys you face. It's time to reject the lies and listen to

the truth.

Can We Trust the New Testament? George Albert Wells 2004 *Can We Trust the New Testament?* questions the historical accuracy of widely held views of early Christianity. In this book radical Bible scholar G. A. Wells examines Biblical accounts of the lives of the apostles Peter and Paul and presents evidence that the events described in the New Testament were written over time to support the agendas of the Christian church. He embarks on a close analysis of the Book of Acts, questioning its authorship and casting doubt on the events it and the gospels describe.

Perceiving God William P. Alston 2014-01-21 In *Perceiving God*, William P. Alston offers a clear and provocative account of the epistemology of religious experience. He argues that the "perception of God"—his term for direct experiential awareness of God—makes a major contribution to the grounds of religious belief. Surveying the variety of reported direct experiences of God among laypersons and famous mystics, Alston demonstrates that a person can be justified in holding certain beliefs about God on the basis of mystical experience. Through the perception that God is sustaining one in being, for example, one can justifiably believe that God is indeed sustaining one in being. Alston offers a detailed discussion of our grounds for taking sense perception and other sources of belief—including introspection, memory, and mystical experience—to be reliable and to confer justification. He then uses this epistemic framework to explain how our perceptual beliefs about God can be justified. Alston carefully addresses objections to his chief claims, including problems posed by non-Christian religious traditions. He also examines the way in which mystical perception fits into the larger picture of grounds for religious belief. Suggesting that religious experience, rather than being a purely subjective phenomenon, has real cognitive value, *Perceiving God* will spark intense debate and will be indispensable reading for those interested in philosophy of religion, epistemology, and philosophy of mind, as well as for theologians.

The Lord Won't Mind Gordon Merrick 2014-09-30 A four-month New York Times bestseller: This classic gay love story is as gripping and sexy today as when it was first published. Charlie Mills always played the role of the good grandson, and his grandmother rewarded him for it handsomely in the form of all the gifts, money, and attention a boy could want. Entering college in the late 1930s, Charlie just has to keep doing what his grandmother expects of him in order to continue to receive her gifts. He has to find a nice girl, get married, and have a few kids. Then one summer, he meets Peter Martin. Peter is everything that Charlie has ever wanted. Despite all the obstacles, Charlie immediately craves and pursues Peter, who happily obliges him. As they grow closer, Charlie is forced to choose between two options: complying with the expectations of society and family, or following the call of true love. In this, the first book of the *Charlie & Peter Trilogy*, Gordon Merrick creates an enduring portrait of two young men deeply in love, and the tribulations they endure to express themselves and maintain their relationship.

The Peter & Charlie Trilogy Gordon Merrick 2017-10-31 A passionate love story unfolds between two young men in the 1930s in this "wildly sexy" New York Times bestseller and its two sequels (*The Advocate*). *The Peter & Charlie Trilogy*—with its explicit sex scenes and positive affirmation of coming out—is "one of gaydom's great guilty pleasures" (*The Advocate*). All three groundbreaking works of gay fiction are collected here, including *The Lord Won't Mind*, which stayed on the New York Times bestseller list for sixteen weeks. *The Lord Won't Mind*: Charlie Mills wants to be a good boy. That way, his grandmother will give him all the gifts and money he could want. But remaining in her good graces as he heads off to college means finding a nice girl to marry. He wasn't counting on Peter Martin stepping off a train and into his life. The passion between the two men is undeniable, yet making it last will come at a great price—and there are those who will do anything to make them pay. One for the Gods: It's ten years later, and Peter and Charlie are shipping off to the sunny Mediterranean for a little business and a lot of pleasure. While traveling from Saint-Tropez to Athens to Mykonos, they meet a sexy French playboy who's eager to make waves. Suddenly, Peter and Charlie find themselves on a voyage of self-discovery that could change their relationship forever. *Forth Into the Light*: It's no surprise Peter and Charlie—two men with the looks of Adonis and Narcissus—have chosen a Greek island for their home. But their lives are far from tranquil: The village is rampant with deceit and lust; beguiling Martha is plotting to steal Charlie away from Peter; and passionate, young Jeff repeatedly tests the couple's fidelity. The tale of Peter and Charlie's love has spanned years and the globe, but it could all come to a crashing end on these lush shores.

The Peter and Charlie Trilogy G. Merrick 1974

Beautiful Disaster Signed Limited Edition Jamie McGuire 2012-11-27 Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

Beyond Resurrection A. J. M. Wedderburn 1999 Veteran scholar A. J. M. Wedderburn scrutinizes perhaps one of the most central tenets of the Christian faith the resurrection of Jesus and he does so through the cold hard lens of historical criticism. Recognizing that such a rigorous examination can be an uncomfortable undertaking which constantly threatens to undermine cherished and established beliefs (from the foreword) and risks controversy and sharp criticism, Wedderburn, nonetheless, strives to apply strenuously the methods of historical criticism to the question of Jesus' resurrection in an effort to determine whether the resurrection was more probable, less probable, or somewhere in the middle. Wedderburn eschews neat and tidy answers, insisting that If in truth any talk of God or of ultimate reality must come up against a profound mystery, then does that not set a question-mark against the sort of theological studies where what God is and is not is declared with the greatest of precision? (from the foreword).

The Purpose Driven Life Rick Warren 2007 Presents a forty-day spiritual journey designed to help people understand God's plan for them, reduce stress, focus energy, simplify decisions, give meaning to life, and prepare for eternity.

Arguing about Gods Graham Oppy 2006-09-04 In this book, Graham Oppy examines arguments for and against the existence of God. He shows that none of these arguments is powerful enough to change the minds of reasonable participants in debates on the question of the existence of God. His conclusion is supported by detailed analyses of the arguments as well as by the development of a theory about the purpose of arguments and the criteria that should be used in judging whether or not arguments are successful. Oppy discusses the work of a wide array of philosophers, including Anselm, Aquinas, Descartes, Locke, Leibniz, Kant, Hume and, more recently, Plantinga, Dembski, White, Dawkins, Bergman, Gale and Pruss.

Why I Believed Kenneth W. Daniels 2008-06-28 Part auto-biography and part exposé of Ken Daniels' experience and long time belief in Christianity and the questions and answers he's had to ask about with regard to the validity of Christian theories.

One for the Gods Gordon Merrick 2014-09-30 In the follow-up to the gay romance bestseller *The Lord Won't Mind*, Peter and Charlie's marriage is put to the test when a young Frenchman enters their lives. After a decade together in a steady, happy relationship, a trip to the sun-baked Mediterranean is exactly what Peter and Charlie need. Peter, now an art dealer, and Charlie, an artist, travel to the Riviera to attend to some business. However, once there, they meet a man who pushes their fidelity to the breaking point—and past it. In this, the second novel of the bestselling *Peter & Charlie Trilogy*, Gordon Merrick picks up with the couple's lives a few years after *The Lord Won't Mind* and in smart and scintillating fashion explores the ways the years can twist and warp a relationship. When their trip continues on a yacht through the Greek islands, Peter creates what he hopes is a good plan to mend their cracked bond, but instead may have created something that will rip them apart forever.

Nonbelief & Evil Theodore M. Drange 2010-10-04 Can God's nonexistence be established? According to author Theodore M. Drange, it all depends on what is meant by "God". This book expands the frontiers of philosophy by exploring atheism, evil, and the nonexistence of God. Included are examinations of free-will, the possibility of an afterlife, arguments by theists, and more.

Redeeming Love Francine Rivers 2020-10-13 NATIONAL BESTSELLER • SOON TO BE A MAJOR MOTION PICTURE • A favorite Christian romance classic—a tragically wounded soul, the man called to marry her, and the only love that heals all—now available in a beautiful keepsake, linen-bound edition! “A literary masterpiece, reminding us that God’s love is unconditional.”—Debbie Macomber California’s gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father’s heart in everything. Michael obeys God’s call to

marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel’s every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband’s pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, *Redeeming Love* is a life-changing story of God’s unconditional, redemptive, all-consuming love.

Don't Limit God Andrew Wommack 2014-10-01 God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. Fear of success, fear of persecution and imaginations are all ways that we limit God. We often see ourselves in a certain way but we have to change that image if we want to experience the abundant life that God has for us. To be able to see big things happen like healing, prosperity in finances and restoration of marriages, you have to let the Word of God paint a picture on the inside of you. Often, if you meditate on that and let the Word of God work, the limits are taken off and what you are praying to happen, will come to pass. In this book, author Andrew Wommack helps you to recognize the areas that you are limiting God so that you can move forward and fulfill His will for your life. Once you take the limits off God, watch what He will do in you and through you!

God or Godless? John W. Loftus 2013-04-15 Perhaps the most persistent question in human history is whether or not there is a God. Intelligent people on both sides of the issue have argued, sometimes with deep rancor and bitterness, for generations. The issue can't be decided by another apologetics book, but the conversation can continue and help each side understand the perspectives of the other. In this unique book, atheist John Loftus and theist Randal Rauser engage in twenty short debates that consider Christianity, the existence of God, and unbelief from a variety of angles. Each concise debate centers on a proposition to be resolved, with either John or Randal arguing in the affirmative and the opponent the negative, and can be read in short bits or big bites. This is the perfect book for Christians and their atheist or agnostic friends to read together, and encourages honest, open, and candid debate on the most important issues of life and faith.

13 Things Mentally Strong People Don't Do Amy Morin 2014-12-23 "Kick bad mental habits and toughen yourself up."—Inc. Master your mental strength—revolutionary new strategies that work for everyone from homemakers to soldiers and teachers to CEOs. Everyone knows that regular exercise and weight training lead to physical strength. But how do we strengthen ourselves mentally for the truly tough times? And what should we do when we face these challenges? Or as psychotherapist Amy Morin asks, what should we avoid when we encounter adversity? Through her years counseling others and her own experiences navigating personal loss, Morin realized it is often the habits we cannot break that are holding us back from true success and happiness. Indulging in self-pity, agonizing over things beyond our control, obsessing over past events, resenting the achievements of others, or expecting immediate positive results holds us back. This list of things mentally strong people don't do resonated so much with readers that when it was picked up by Forbes.com it received ten million views. Now, for the first time, Morin expands upon the thirteen things from her viral post and shares her tried-and-true practices for increasing mental strength. Morin writes with searing honesty, incorporating anecdotes from her work as a college psychology instructor and psychotherapist as well as personal stories about how she bolstered her own mental strength when tragedy threatened to consume her. Increasing your mental strength can change your entire attitude. It takes practice and hard work, but with Morin's specific tips, exercises, and troubleshooting advice, it is possible to not only fortify your mental muscle but also drastically improve the quality of your life.
