The Afterlife in Popular Culture

Kevin O'Neill 2022-06-17
The Afterlife in Popular Culture: Heaven, Hell, and the Underworld in the American Imagination gives students a fresh look at how Americans view the afterlife, helping readers understand how it's depicted in popular culture. What happens to us when we die? The book seeks to explore how that question has been answered in American popular culture. It begins with five framing essays that provide historical and intellectual background on ideas about the afterlife in Western culture. These essays are followed by more than 100 entries, each

focusing on specific cultural products or authors that feature the afterlife front and center. Entry topics include novels, film, television shows, plays, works of nonfiction, graphic novels, and more, all of which address some aspect of what may await us after our passing. This book is unique in marrying a historical overview of the afterlife with detailed analyses of particular cultural products, such as films and novels. In addition, it covers these topics in nonspecialist language, written with a student audience in mind. The book provides historical context for contemporary depictions of the afterlife addressed in the entries, which deal specifically with work produced in the 20th and 21st centuries.

The Fifth Angel's Trumpet B. K. Neifert 2018-07-31
Marcus and Erin are passionate lovers who live in a subterranean city beneath Baltimore, MD. The two must endure many decades of world war and the infestation. Marcus, or Colonel Krantz, goes on his last tour of

duty at his lover's request. Unbeknown to him, he's being used by the powers of history to provoke an escalation to this brutal conflict for consequences he cannot even imagine. World powers capitalize on war while Marcus struggles to figure out what his role will be: A simple Family Man or the infamous Colonel Krantz known by all as a man of legend.

All the Angels Nick Drake 2016-12-30 Handel's Messiah is the world's most popular choral work. But its story begins in the unlikely setting of a room above a pub in Chester, when the great composer, detained by bad weather on his way to a season of concerts in Dublin, invites some local choristers to rehearse excerpts. It is not a success. So begins Handel's struggle to stage the premiere of his masterpiece, confronted by seemingly insurmountable challenges, including the tricky librettist Charles Jennens, the actress Susannah Cibber who he trains to sing the most moving arias, and the

mysterious Crazy Crow. Nick Drake's divine, musical play premiered at Shakespeare's Globe in the Sam Wanamaker Playhouse, London, in June 2015. All the Angels was revived at same theatre in December 2016.

Reading Time in Music

Sarah Cash 2023-04-15 This book examines the intersection of music and temporality in British literature of the long nineteenth century, arguing the temporal multiplicity of music as the most dynamic way to subvert mimetic bias. Temporally vexed sound spaces rupture the narrative, transgressing the hegemonic structures to which it is subject.
