The Life of William Shakespeare William Leavitt Stoddard 2015-07-22 Excerpt from *The Life of William Shakespeare: Expurgated* PROLOGUE "It seems a kind of respect due to the memory of excellent men, especially of those whom their wit and learning have made famous, to deliver some account of themselves, as well as of their works, to posterity. For this reason, how fond do we see some people of the great men of antiquity; their families, the common accidents of their lives, and even their shape, make, and features have been the subject of critical enquiries. How trifling soever this curiosity may seem to be, it is certainly very natural; and we are hardly satisfied with an account of any remarkable person till we have heard him

described to the very clothes he wears. As for what relates to men of letters, the knowledge of an author may sometimes conduce to the better understanding of his book, and though the works of Mr. Shakespeare may seem to many not to want a comment, yet I fancy some little account of the man himself may not be thought improper."-From Nicholas Rowe's *Account of the Life of Shakespeare*, 1709. "I have not sought, (7 say) nor do I seek either to force or ensnare men's judgments, but I lead them to things themselves and the concordances of things, that they may see for themselves what they have, what they can dispute, what they can add and contribute to the common stock. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Fictional Lives of Shakespeare Kevin Gilvary 2017-12-12 Modern biographies of William Shakespeare abound; however, close scrutiny of

the surviving records clearly show that there is insufficient material for a cradle to grave account of his life, that most of what is written about him cannot be verified from primary sources, and that Shakespearean biography did not attain scholarly or academic respectability until long after Samuel Schoenbaum published *William Shakespeare A Documentary Life* in 1975. This study begins with a short survey of the history and practice of biography and then surveys the very limited biographical material for Shakespeare. Although Shakespeare gradually attained the status as a national hero during the seventeenth and eighteenth centuries, there were no serious attempts to reconstruct his life. Any attempt at an account of his life or personality amounts, however, merely to "biografiction". Modern biographers differ sharply on Shakespeare's apparent relationships with Southampton and with Jonson, which merely underlines the fact that the documentary record has to be greatly expanded through contextual description and speculation in order to appear like a Life of Shakespeare.

The Magazine Subject-index 1911 Contains the cumulation of the subject index issued in the quarterly numbers of the *Bulletin of bibliography and magazine subject-index*.

Who's who in America John William Leonard 1910 Vols. 28-30 accompanied by separately published parts with title: Indices and necrology. *MLN*. 1910 *MLN* pioneered the introduction of contemporary continental criticism into American scholarship. Critical studies in the modern languages--Italian, Hispanic, German, French--and recent work in comparative literature are the basis for articles and notes in *MLN*. Four single-language issues and one comparative literature issue are published each year.
