Scottish Literature in English and Scots

Douglas Gifford 2002 This substantial new volume is a stimulating yet in-depth introduction to Scottish literature in English and Scots. From medieval to modern, the entire range of literature is introduced, examined and explored. Aimed primarily at those with an interest in Scottish literature, this guide also responds to the need for students and teachers to have detailed discussions of individual authors and texts. The volume looks at Scottish literature in six period sections: Early Scottish Literature, Eighteenth-Century, The Age of Scott, Victorian and Edwardian, The Twentieth-Century Scottish Literary Renaissance, and Scottish Literature since 1945. Each section begins with an overview of the period, followed by several chapters examining exemplary authors and texts. Each section finishes with an extensive discussion including suggestions as to how to further explore the rich and often neglected hinterlands of Scottish writing. Extensive reading lists identify primary texts of the period as well as details of a wide range of additional authors. Opening up neglected areas of study as well as responding to the burgeoning interest in novelists, modern poets and dramatists, this book serves as an invaluable guide to Scottish Literature.

The Desclergues of la Villa Ducal de Montblanc
Nico F. Declercq 2021-12-24 This book, consisting of almost 70 chapters, spread over ten parts and a foreword section, covers the following topics. A prelude and introduces the reader to the world of Heraldry, the Town and the Duchy of Montblanc in Spain and Onomastics. Finally, it provides a brief history to understand the book's chronological context better. A part on genetics is provided to outline the DNA analysis, made by different commercial companies, of the genes of the author and his brother-in-law. The investigations compare genetics with the genealogy provided in this

work and are consistent. They show, for instance, that the author is a male descendent of the Desclergues of Montblanc and is equally blood-related to them through his mother, consistent with what the records provide. Furthermore, an autosomal analysis reveals a percentage-wise appearance, in agreement with the documents, of DNA strings originating from Spain, where the Desclergues came from, and Brittany, where they had their ancient paternal roots. Concerning the DNA of his brother in law, illustrative for his wife, the author discovered results in agreement with his wife's ancestors' history. A Part Brittany in France goes deeper into the life of Bertrand Du Guesclin and the fact that he begot offspring in Spain. The latter is well-known, and the book provides a comprehensive literature survey on this subject. Apart from autosomal DNA, pointing at ancient roots in Brittany, the author also uncovered indications in documents retrieved in Spain in the archives of de Pedrolo, equally descendants of the Desclergues. A major Part describes the Desclergue family of Montblanc and their settlement in Belgium. A lot of this knowledge had already been described by earlier investigators, and an exhaustive overview of all existing knowledge about the family is provided insofar as published in the past. In addition, the author provides extensive research results not described formerly, particularly of the Desclergues who left Spain for Flanders around 1600 and their descendants. The unravelled archives include civil and ecclesiastic records and documents found in the libraries of some Spanish military strongholds in Flanders. The book situates the facts in history and supplies valuable general knowledge to broad readers. The data range from the 1500s until the present and cover the author's paternal ancestry line. Numerous military campaigns in the 16th and 17th centuries are clarified, with particular attention to the lives and involvements of the Desclergues. As a coincidence, the author's mother also stems from the Desclergues, and this line is equally represented. A large part is devoted to the de Silva family of Uduwara from whom the author's wife stems. This is particularly interesting to globe trotters and describes the long paternal history of the author's wife, Shirani de Silva. The bloodline

originated in the North West of India and migrated through Persia to Byzantine. They continued to Iberia, where they arrived as new settlers and mixed with locals. The family line of Carvalho, so initiated, later blended with de Silva, consequently migrated to Goa during the Iberian expansion to India. From Goa, they relocated to Uduwara in Sri Lanka to protect a fortification on the Kalu Ganga river. The evidence contains documents, DNA analysis and new archaeological findings in Uduwara and Goa. Other ancestry lines are described separately. Some may only be interesting to his descendants; others are, again, of general interest, such as the family of de Patin that played an essential role during the Belgian Austrian era. Although not anticipated early in this research, the author discovered Antoni Desclergue's (DC06) involvement in establishing a chapel in Deerlijk in Belgium. The evidence is provided by archaeological discoveries and records and is extensively described in a separate part. The facts are essential in understanding the influence of Monblanquians in Flanders but are also thought-provoking for the inhabitants of Deerlijk. Indeed, the village's ancient legend of a miracle in 1634 is based on solid ground and not on a fairy tale as one believed during the previous decennia. The nobleman in the story was Antoni Desclergue, while the events were almost an exact copy of the legend of Mare de Deu de la Serra in Montblanc. The main difference is that oxen were involved in Montblanc and horses in Deerlijk. The oldest known depiction of the miracle exposes an image of Monblancs Mare de Deu de la Serra and discloses Antoni Desclergue's initials. Furthermore, Antoni Desclergue later ornamented the chapel with the artwork. For instance, he provided a polychrome panel depicting the Main Square of Montblanc, including the House of Desclergue and also a beautiful statuette by Cano.
