Academic Social Responsibility Agata

Stachowicz-Stanusch 2018-04-01 The book

Academic Social Responsibility - Sine Qua Non

for Corporate Social Performance is our endeavor to disseminate the awareness of the significance of responsible (especially management) education not only for academic stakeholders, but for the whole society. It is an interesting combination of theories, studies, recognitions, and experiences gained by authors from different countries, institutions, who function in various institutional and cultural conditions. The book is divided into "Introduction" and three parts: "Towards the Socially Responsible University", "Socially Responsible Education for Enterprise Development", "Human Voice in Responsible Management Education". The authors present fresh concepts for socially responsible university, their impact on real business performance as well as discussions on specific issues when implementing academic social responsibility in practice.

Oxford Studies in Early Modern Philosophy
Donald Rutherford 2020-01-02 *Oxford Studies in Early Modern Philosophy* is an annual series, presenting a selection of the best current work in the history of early modern philosophy. It focuses on the seventeenth and eighteenth centuries--the extraordinary period of intellectual flourishing that begins, very roughly, with Descartes and his contemporaries and ends with Kant. It also publishes papers on thinkers or movements outside of that framework, provided they are important in illuminating early

modern thought. The articles in OSEMP will be of importance to specialists within the discipline, but the editors also intend that they should appeal to a larger audience of philosophers, intellectual historians, and others who are interested in the development of modern thought.

Comprehensive Approach as "Sine Qua Non" for Critical Infrastructure Protection D. Čaleta

2014-12-16 The world in which we live is becoming ever more complex, both from the viewpoint of ensuring security, and also because of our level of dependence on technology, as represented by so-called critical infrastructure. Despite the efforts of national security entities in the national and international context, terrorist attacks will probably never be completely preventable. This makes it necessary to prepare the functioning of our systems for the

occurrence of a terrorist attack so that they will operate quickly and effectively even in this type of crisis. This book presents the papers delivered at the NATO Advanced Research Workshop: Managing Terrorism Threats to Critical Infrastructure - Challenges for South Eastern Europe, held in Belgrade, Serbia in May 2014. The book is divided into five sections: strategic environment and critical infrastructure protection; information security and counterterrorism considerations; terrorist threats to critical infrastructure operation - environmental aspects; energy security as a key factor of critical infrastructure protection; and national approaches to critical infrastructure protection. The book highlights the main dilemmas and challenges of managing terrorist threats in the region of South Eastern Europe, and will be of interest to all those whose work involves protecting critical infrastructure from the threat of terrorist attack.

Sine Qua Non David Levin 2016-11-20 Sine Qua Non is an exploration of the beginning and deterioration of human happiness. It examines the evidence for the existence, goodness, and emotions of God, taking into account scientific arguments to the contrary. The book is a hard-hitting argument for religious leaders' lack of true faith and provides a guide to the restoration of wellbeing and resurrection.

For Her Sake (Sine Qua Non) Joseph A. Gillan
2013-08 "For Her Sake (Sine Qua Non)" is the
long-awaited new novel by Joseph A. Gillan. His
highly-acclaimed introductory novel "Just Before
the Dawn (Rebecca Remembered)" was
nominated for the Amazon.com Breakthrough
Novel of the Year Award in 2011. In his new
book, Gillan tells the tale of two lovers from
college, Loretta and Robert, who meet again
after 20 years. The relationship of two decades
ago ended, mysteriously for Robert, when
Loretta left school suddenly and unexpectedly.
Robert never learned why-until they meet again.
Loretta had given birth 20 years ago to Robert's
daughter, Sarah, but ultimately married another
man, of a different faith, who raised the child as

his own, along with Loretta. For Her Sake tells
the tale of the two erstwhile lovers getting back
together-and wrestling with the issues involved
in trying to recapture what once was, while
working through the difficulties of reconciling in
their daughter's life two different religions,
Judaism and Catholicism. This literary novel will
make the reader laugh out loud at times, while it
also, at times, tugs at the reader's heart strings.
For Her Sake (Sine Qua Non) is another
thoughtful, intelligent, readable, and enjoyable
novel by Joseph A. (Joe) Gillan.
