A Song of Sixpence Archibald Joseph Cronin 1964 Story of a sensitive Catholic boy growing up in a Scottish community at the turn of the century. A Song of Sixpence is set in the beautiful western highlands of Scotland. The story revolves around the innocent youth whose very naivete is a target for the complex currents of his social surroundings - the bigotry of the Scottish Protestants, the rigid class consciousness. Laurie is an outsider. The only child of a middle-aged Catholic couple, he suffers the pangs of isolation in a staunchly Puritan town.

Agatha Christie, this book includes chapters by an international group of scholars writing on topics and fields of study as various as ecocriticism and the anthropocene, popular modernism, middlebrow fiction, queer theory, feminism, crime and the state, and more. It addresses a broad selection of Christie's crime novels, as well as her short stories, literary novels written pseudonymously, and her own and others' dramatic adaptations for television, film, and the stage. Featuring unprecedented access to images and content held in Christie's personal archive, as well as a Foreword from renowned crime fiction writer Val McDermid, this is essential reading for anyone interested in Christie's work and legacy.

[The Beatles through a Glass](#)

[Onion](#) Mark Osteen 2019-03-11

The Beatles, the 1968 double LP more commonly known as the White Album, has always been viewed as an oddity in the group's oeuvre. Many have

found it to be inconsistent, sprawling, and self-indulgent. The Beatles through a Glass Onion is the first-ever scholarly volume to explore this seminal recording at length, bringing together contributions by some of the most eminent scholars of rock music writing today. It marks a reconsideration of this iconic but under-appreciated recording and reaffirms the White Album's significance in the Beatles' career and in rock history. This volume treats the White Album as a whole, with essays scrutinizing it from a wide range of perspectives. These essays place the album within the social and political context of a turbulent historical moment; locate it within the Beatles' lives and careers, taking into consideration the complex personal forces at play during the recording sessions; investigate the musical as well as pharmaceutical influences on the record; reveal how it reflects new developments in the Beatles' songwriting and arranging; revisit the question of its alleged disunity; and finally, track its legacy and the

breadth of its influence on later rock, pop, and hip-hop artists. The Beatles through a Glass Onion features the scholarship of Adam Bradley, Vincent Benitez, Lori Burns, John Covach, Walter Everett, Michael Frontani, Steve Hamelman, Ian Inglis, John Kimsey, Mark Osteen, Russell Reising, Stephen Valdez, Anthony D. Villa, Kenneth Womack, and Alyssa Woods. John Covach's Afterword summarizes the White Album's lasting impact and value. The Beatles through a Glass Onion represents a landmark work of rock music scholarship. It will prove to be an essential and enduring contribution to the field.

Thomas in the French operatic style. By 1915, Thomas had become a leading performer on Broadway, and ten years later had embarked on a trans-Atlantic career in opera and concerts. At the height of his popularity from 1934 through 1946, he was a popular star of radio, phonographs, and the Metropolitan Opera, a favorite of both popular and classical audiences. His decision to leave opera and focus on his radio career during the Second World War cost him his reputation as a serious artist. The singer who introduced "Home on the Range" and launched many other American standards has been largely forgotten today. This thorough biography details Thomas's life and career. Beginning with his school days at the Peabody, it traces his Broadway career as the star of Step This Way and Maytime and his highly successful career as a concert, recording, and opera star. Appendices provide a discography of his recordings, a list of operatic appearances in Brussels and the United

States, and the songs he performed on radio broadcasts from 1934 to 1948.

**The Baghdadi Jews in India**

Shalva Weil 2019-06-28 This book explores the extraordinary differentiation of the Baghdadi Jewish community over time during their sojourn in India from the end of the eighteenth century until their dispersion to Indian diasporas in Israel and English-speaking countries throughout the world after India gained independence in 1947.

Chapters on schools, institutions and culture present how Baghdadis in India managed to maintain their communities by negotiating multiple identities in a stratified and complex society. Several disciplinary perspectives are utilized to explore the super-diversity of the Baghdadis and the ways in which they successfully adapted to new situations during the Raj, while retaining

particular traditions and modifying and incorporating others. Providing a comprehensive overview of this community, the contributions to the book show that the legacy of the Baghdadi Jews lives on for Indians today through landmarks and monuments in Mumbai, Pune and Kolkata, and for Jews, through memories woven by members of the community residing in diverse diasporas. Offering refreshing historical perspectives on the colonial period in India, this book will be of interest to those studying South Asian Studies, Diaspora and Ethnic Studies, Sociology, History, Jewish Studies and Asian Religion.

### **Mandolin Songbook for Beginners - 100 Timeless Folk and Children Songs with Tabs and Chords**
