The Simple Truth of Our Home and Soul Pamela Byron 2008

The Simple Truth about You David T. Baston 2015-09-10 Annotation. I spent a moment in Heaven, in the Mind of God. As the limitations of my body were transcended I found my awareness encompassed by a brilliant golden light that emanated the most overwhelming feeling of love and gratitude imaginable. In this moment of awareness beyond time and space, the knowledge of the universe became simply apparent in a dawning moment of understanding as I became one with the light. This experience is part of a series of what I call 'Revelations of Truth' in which I came to experience myself as simply 'awareness'. The idea of being confined in a body disappeared into the knowledge of the eternal, as my mind expanded to encompass all of creation. This is not a book on religion, yet it is for all religions. This is not a book on science, yet it holds the answer to creation. It is not a book on psychology, yet it contains the knowledge of the mind. It is a simple book of logic and reason through which I will attempt to translate my experiences for you, in a practical manner, so that you may demonstrate and experience for yourself the simple truth of what I have come to understand.

The Plain Truth about God 101 Allan W. Janssen 2006-07 Allan W.

Janssen has published: "The Plain truth About God-101 (what the church doesn't want you to know)." God-101 presents a fascinating insight into how the original "cult" teachings of Jesus were altered by Greek philosophy, Pagan beliefs and Pauline thought to become the sayings of "The Christ" and the basis of our modern Bible. God-101 gives an analysis of how the "priesthood" has corrupted Christianity and the other major religions. It shows how "Dogma" has led to the polarization of different sects within the same religion, (Catholic/Protestant - Shiite/Sunni) and how religious strife affects society as a whole, including the upcoming world - wide clash between Christianity and Islam! The book can be reviewed at <http://www.God-101.com> or <http://groups.msn.com/God-101>

The Wisdom of God Tyrone W. Cobb 2008-09 Is the Bible a source of absolute truth, given by the inspiration of God? Many accept that claim by faith, but others view all religions as simply ancient myths, and believe truth is found in the knowledge and wisdom of man. An ongoing battle between faith and science is one result of this dichotomy. It has always been presumed impossible to prove true that which is accepted by faith. Although acceptance of Biblical truth remains a matter of faith, a revelation of the Holy Spirit, received by the author in answer to a prayer for enlightenment regarding Scripture, provides overwhelming evidence to support the claim of Biblical inerrancy. A method of Bible study using the numerical value of Hebrew and Greek words will astound believers and non-believers alike by the proof found in numbers, and the real meaning of inerrancy resulting from the incomprehensible Wisdom of God.

The Simple Truth Walter Wangerin 1996 The purpose of this book is to ravel from the Bible the thread of holy history and to present it lean, clean and sequential, certain portions of Scripture will not be found.

Experiencing Intimacy with God Women of Faith, 2017-02-28 In our hearts, we all want to experience closeness with God. We want to know Him and be known by Him. We long to see Him face to face, hear His voice, and touch His hand. We want to hear Him call us His child, His friend, His beloved. Yet in all of our yearnings, we often miss the simple truth that God is already with us! He is already closer to us than any sister, friend, or other human being could ever be—if only we could have our eyes opened to this reality. In this study, readers will be challenged to come to this reality and see how the Holy Spirit is at work in their lives. They will be challenged to consistently meet with God each day and reveal their true selves to Him—the good, the bad, and the ugly—so they can develop a closer relationship with Him.

Jesus Is God Cary Glenn 2020-11-23 I am a simple man writing an unbiased look at one of the Bibles' hottest topics; Is Jesus God? I give you the simple facts, plain Scripture, and a straight forward view of what is being said in the Bible minus any religious mumbo-jumbo. You will be taken around the Bible to see where Scripture talks about the topic of Jesus being God. I researched, studied, and prayed about what I was finding over a five year period. This book is what has come from that painstaking adventure. I grew up in a Baptist church. I have not attended any traditional schooling for Biblical learning and have not been trained by any theological professors so my mind has not been tainted to their views. Scripture says that you don't need anyone to teach you the Word, the Holy Spirit will lead you to it. What you get from me is what the Holy Spirit and I have found together.

What Is the Truth? E. B. Staples 2018-10-10 Many have sought truth yet do not recognize or acknowledge the truth when it is in plain sight. Truth is simple, and it's not as complicated as people attempt to make it. Nor is it as complex as some attempt to describe it—some find it easier to accept a complicated lie than a simple truth. But what does the Bible say when it comes to the question of truth? *What Is the Truth?* explains this search for truth and takes us on a journey of reality and actuality, perceptions and misconceptions. In today's culture of alternative truth and realities, there are deceptions and lies that lead to a perversion of truth. Author E. B. Staples shares several of his inspired poems about the power of truth, and he brings a beautiful insight to the age-old question of what is truth. *What Is the Truth?* shows how truth cannot be known without faith in the author of all truth, God, and that there can be no truth apart from the creator of truth and all humanity. All things must have a beginning, and in the beginning there was the word, and that word was truth. The word of truth spoke, and all things came into existence. We should thus be inspired to seek and find truth in God's words and in all life experiences, for our Lord God is the source of all truth.

The Reason for God Timothy Keller 2008-02-14 A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (Christianity Today) and the "C.S. Lewis for the 21st century" (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

#secrets of God Joan Warden 2017-09-17 Are you a spiritual truth seeker who has yet to discover the real and absolute truth about God, our Creator and Heavenly Father? If so, then this book will dispel the so-called conventional wisdom of who and what is God. What are the #SecretsOfGod? Rather than a God of wrath and vengeance, we learn: that God is true Love Divine; the location where He resides in the Heavens; that God is Soul with a distinct form; and that He communicates with us by soul-to-soul communication. How does God feel about wars? Is He a God of nations or a God of the people who reside there? This book reveals the importance of God's Divine Love, that it is available, and it can transform a hardened sinner into a Divine Angel. God's Love for us is immense and, in fact, if it is our desire to obtain His Divine Love, we may do so at any given moment by the simple awakening and longing of our soul. What is our soul, how is it created, and the process of incarnating into our very being is explained in this chapter. The importance of prayer and the Prayer for Divine Love is included. Other topics in this easy-to-read book format are Soul Longings, Faith, Immortality, and the true definition of Religion. Finally, understanding God's Truths and God's Secrets are highlighted in the closing chapters. Each chapter contains paragraphs and colored images sprinkled throughout. Each paragraph and the numerous images are invaluable for meditating on the various topics. Having known the #SecretsOfGod for four decades, I can attest that the edited spiritual messages contained in this book are authentic. Following the Divine Love spiritual path which is described in this book is truly life changing, and it is amazingly simple. Well, are you ready now to make a positive change in your life and wish to become spiritually motivated and uplifted? As we know, time stands still for no one. Time to get this book! Blessings, Joan Warden

The Truth about God Franz Kiekeben 2015-05-24 Can we prove that God does not exist? Franz Kiekeben, a former lecturer in philosophy at Ohio State University, claims that we can. In this radical new defense of atheism, Kiekeben shows, among other things, that the strongest arguments for God's existence fail; that the Bible offers no evidence in support of theism; that morality does not depend on the existence of a creator; and most important and surprising of all, that no gods can possibly exist.

A Muslim Journey to the Simple Truth Sidate Demba Sene 2012-04-03 All religions are true in (essence) and all messengers speak of the same (mystery) we call God. But both the messenger and the message are stepping stones, your destination is what they point to: -the alpha and the omega of creation and totality of consciousness- not the concept but the experience of it. -Religion is for man and not man for religion. -Man is more important than religion because he (is made in the image of God). This book is also about the awareness and celebration of diversity as a condition of life, because if we all whistle the same note, there will be no music. And a recognition of oneness; not as a beautiful wish, but a scientific fact, and in the depth of the teachings of Islam.

God's Simple Truth on Holiness (Classic Reprint) J. R. Mcfarren 2018-01-21 Excerpt from God's Simple Truth on Holiness First, we will try to Show what we must do, and what God wants us to do in relation to sanctification, sin and holiness, and his will towards us, in these matters. 1 Thess. 4. This is the will of God, even your sanctification, that ye should abstain from fornication: That every one of you should know how to possess his vessel in sanctification and honor. Now if it be the will of God, then it is essential that we do His will. Ver. 7. For God hath not called us to uncleanness, but unto holiness. Ver. 8. He, therefore, that despiseth, despiseth not man, but God, who hath also given unto us His Holy Spirit. (read the 8th verse again thoughtfully.) Matt. Be ye perfect, even as your Father in heaven is perfect. What, blessed Jesus, Master, do you tell us, and even command us to be perfect even as our Father in heaven is perfect? How could you say such a thing, when you knew that in these last times, perilous times would come? When men and women would not endure sound doctrine. Bible Doctrine Kenneth Ester 2019-08-14 There is one true God, Who gave us one true set of doctrines. So how are there thousands of denominations in Christianity, all teaching different doctrines? How can you be certain what you have been taught is the truth? Yet there is an even more important question you should ask yourself. What is more important? Following the doctrines you have been taught, or following the doctrines according to the true Word of God? The fact is, a pastor will only give you a couple interpretations of verses to back up what he is teaching. Those verses are interpreted to fit the particular set of beliefs. Pastors have to teach the doctrines of their denomination. I had been trapped in sin for around thirty years when God pulled me back to Him. When I wanted to return to church, God shut doors on me. He had other plans for me. As I was reading the Bible, I quickly learned that basic doctrines I had been taught when I was young, were completely wrong! I knew then what God wanted from me. To study His Word for myself and find the truth. Not the truth according to some church, but the full truth of God's Word! I set some very strict rules that I had to follow in my studies and I stuck to them. It is because of these rules that I found the absolute Truth of God's Word and there are zero contradictions. And most Christians have a hard time accepting them. Not because they can give a good argument against the doctrines in this book, but simply because they would then need to accept they have been taught wrong. That is why I ask that question. What is more important to you? Following the doctrines you have been taught, or following the doctrines according to the true Word of God?

The Simple Truth of God John E. Ditzel Jr. 2022-05-04 You were uniquely created in the IMAGE of the God and Creator of the universe - far above all other created life for the distinct privilege of living forever with God. Why don't our children know this wonderful, good news message of hope from the Bible? Sadly, it's because public schools and colleges teach students - there is no God. Why do our educational institutions teach students there is no God when Intelligent design is so plainly evident in all creation; and the consequences of not knowing the truth is so devastating to students and to this nation and world? In America, every student should have the opportunity to hear, question, debate, and freely make their own conclusion about the existence of God - thus the purpose of this book. This book presents the simple truth about the existence of God to students and adults who have never heard the Biblical Creation account of life during their public school and college education - so they can intelligently make their own decision about the ORIGIN OF LIFE AND THE UNIVERSE. The book covers the following: The understandable and visible evidence for the existence of God Why mankind was the purpose of God's creation How you can know the Bible is the Word of God What the Bible teaches us about God and His will for mankind The very real spiritual presence of evil in the world The way we can be assured of an eternal life with God upon death And how to love God and others in this present life
