Double Blind Edward St. Aubyn 2021-06-01 Double Blind follows three close friends and their circle through a year of extraordinary

transformation. Set in London, Cap d'Antibes, Big Sur, and a rewilded corner of Sussex, this thrilling, ambitious novel is about the headlong pursuit of knowledge—for the purposes of pleasure, revelation, money, sanity, or survival—and the consequences of fleeing from what we know about others and ourselves. When Olivia meets a new lover just as she is welcoming her best friend, Lucy, back from New York, her dedicated academic life expands precipitously. Her connection to Francis, a committed naturalist living off the grid, is immediate and startling. Eager to involve Lucy in her joy, Olivia introduces the two—but Lucy has received shocking news of her own that binds the trio unusually close. Over the months that follow, Lucy's boss, Hunter, Olivia's psychoanalyst parents, and a young man named Sebastian are pulled into the friends' orbit, and not one of them will emerge unchanged. Expansive, playful, and compassionate, Edward St. Aubyn's Double Blind investigates themes of inheritance, determinism, freedom, consciousness, and the stories we tell about ourselves. It is as compelling about ecology, psychoanalysis, genetics, and neuroscience as it is about love, fear, and courage. Most of all, it is a perfect expression of the interconnections it sets out to examine, and a moving evocation of an imagined world that is deeply intelligent, often tender, curious, and very much alive.

The Republic of Imagination Azar Nafisi 2014-10-21 A New York Times bestseller The author of the beloved #1 New York Times bestseller *Reading Lolita in Tehran* returns with the next chapter of her life in books—a passionate and deeply moving hymn to America Ten years ago, Azar Nafisi electrified readers with her multimillion-copy bestseller *Reading Lolita in Tehran*, which told the story of how, against the backdrop of morality squads and executions, she taught *The Great Gatsby* and other classics of English and American literature to her eager students in Iran. In this electrifying follow-up, she argues that fiction is just as threatened—and just as invaluable—in America today. Blending memoir and polemic with close readings of her favorite novels, she describes the unexpected journey that led her to become an American citizen after first dreaming of America as a young girl in Tehran and coming to know the country through its fiction. She urges us to rediscover the America of *The Wonderful Wizard of Oz* and *Adventures of Huckleberry Finn* and challenges us to be truer to the words and spirit of the Founding Fathers, who understood that their democratic experiment would never thrive or survive unless they could foster a democratic imagination. Nafisi invites committed readers everywhere to join her as citizens of what she calls the Republic of Imagination, a country with no borders and few restrictions, where the only passport to entry is a free mind and a willingness to dream.

Pale Horse Coming Stephen Hunter 2008-08-26 In 1951, after Sam Vincent disappears while investigating a prison for violent African American convicts in Thebes, Mississippi, Earl Swagger finds himself confronting a town guarded by a private army of brutal, Klan-type thugs. *Archibald Finch and the Lost Witches* Michel Guyon 2021-10-19 History, magic, and adventure collide in this riveting middle-grade fantasy novel about an unusual boy who unlocks an ancient relic—and with it, a forgotten world. Befriended by a band of young witches, Archibald Finch must quickly adapt to survive in Lemurea, where a battle born in the Middle Ages is still unfolding . . . Archibald is a risk-averse boy with quirks that earn him plenty of eye-rolls, especially from his older sister, Hailee. Things get worse when his parents move the family from London to his grandmother's creepy manor in the English countryside. Now he has to deal with hairless dolls in the library, weird stone creatures on the roof, and a spooky forest at the edge of the backyard. But these turn out to be the least of Archibald's problems . . . One day, as he's exploring the cavernous house, he finds a curious globe that whisks him away to a secret world, hidden for 500 years. Archibald finds himself on a thrilling adventure full of medieval magic, mysterious symbols, and the strangest beasts, while Hailee—who witnessed her brother's disappearance—embarks on a daring quest to find him.

Complete Book of Shooting Jack O'Connor 1965

Game in the Desert Jack O'Connor 2014-05-07 This book—a reprint of the original 1939 edition—offers an in-depth look at some of the most sought-after game in the American Southwest and northern Mexico. Included are black and grizzly bears, doves, elk and deer, and even Mexican jaguars. Each animal-dedicated chapter details habitat and behavior and includes stories from the author. Based mostly on the author's observations of game while on the hunt or just exploring in the field, this classic is a departure from natural history books that “are simply a rehash of other books that are a rehash of still other books.”

Ordinary Grace William Kent Krueger 2014-03-04 Looking back at a tragic event that occurred during his thirteenth year, Frank Drum explores how a complicated web of secrets, adultery, and betrayal

shattered his Methodist family and their small 1961 Minnesota community.

The Loss of All Lost Things Amina Gautier 2016 Fiction. Winner of the Florida Authors and Publishers Association Award. Winner of a Royal Palm Literary Award. Winner of the Chicago Public Library's 21st Century Award. Winner of a Phillis Wheatley Book Award in Fiction. Winner of the International Latino Book Award in Most Inspirational Fiction. Amina Gautier's THE LOSS OF ALL LOST THINGS won the Elixir Press 2014 Fiction Award. It is a short story collection that illuminates the beauty that can be found in inconsolable loss. Gautier leads us through terrible reality but leaves us with the promise of hope and redemption. Contest judge, Phong Nguyen had this to say about it: "Literary fiction that grips us and won't let us go is notoriously rare. To offer us complex emotional experience and riveting narrative momentum, and then to leave the reader in contemplation of its sophisticated themes and subtle weave of objective correlatives... that is the stuff of literary greatness, of art that demands to be read in conversation with the canon....Gautier's stories have you by the throat, and they surprise you with their mercy."

Montana Outdoors 2014

The Misinformation Age Cailin O'Connor 2019-01-08 "Empowering and thoroughly researched, this book offers useful contemporary analysis and possible solutions to one of the greatest threats to democracy." —Kirkus Reviews Editors' choice, The New York Times Book Review Recommended reading, Scientific American Why should we care about having true beliefs? And why do demonstrably false beliefs persist and spread despite bad, even fatal, consequences for the people who hold them? Philosophers of science Cailin O'Connor and James Weatherall argue that social factors, rather than individual psychology, are what's essential to understanding the spread and persistence of false beliefs. It might seem that there's an obvious reason that true beliefs matter: false

beliefs will hurt you. But if that's right, then why is it (apparently) irrelevant to many people whether they believe true things or not? The Misinformation Age, written for a political era riven by "fake news," "alternative facts," and disputes over the validity of everything from climate change to the size of inauguration crowds, shows convincingly that what you believe depends on who you know. If social forces explain the persistence of false belief, we must understand how those forces work in order to fight misinformation effectively. "[The authors] deftly apply sociological models to examine how misinformation spreads among people and how scientific results get misrepresented in the public sphere." —Andrea Gawrylewski, Scientific American "A notable new volume . . . The Misinformation Age explains systematically how facts are determined and changed—whether it is concerning the effects of vaccination on children or the Russian attack on the integrity of the electoral process." —Roger I. Abrams, New York Journal of Books *The Unforgotten Coat* Frank Cottrell Boyce 2011-09-13 When two Mongolian brothers inexplicably appear one morning in her sixth grade class, Julie, who lives in a town near Liverpool, England, named Bootle, becomes their new friend and "Good Guide," navigating them through soccer, school uniforms, and British slang.

The Life You Save May Be Your Own Paul Elie 2004-03-10 Elie tells the story of four modern American Catholics who made literature out of their search for God: Thomas Merton; Dorothy Day; Walker Percy; and Flannery O'Connor.

The Lonely Passion of Judith Hearne Brian Moore 2011-08-17 The Lonely Passion of Judith Hearne is an unflinching and deeply sympathetic portrait of a woman destroyed by self and circumstance. First published in 1955, it marked Brian Moore as a major figure in English literature (he would go on to be short-listed three times for the Booker Prize) and established him as an astute chronicler of the human soul. Judith Hearne is an unmarried woman of a certain age who has come down in society. She has few skills and is full of the prejudices and pieties of her genteel Belfast upbringing. But Judith has a secret life. And she is just one heartbreak away from revealing it to the world.

The Lost Classics of Jack O'Connor Jim Casada 2009-01-02 Born January 22, 1902, in Arizona Territory, John Woolf O'Connor ultimately became America's most popular outdoor writer. From his first magazine article in 1934, which he sold to Sports Afield for a whopping \$12.50, and continuing until just a few weeks before his death in 1978, Jack O'Connor would write nine books on hunting and sporting firearms and more than 1,200 articles for Outdoor Life, Field & Stream, Redbook, True and Esquire. His longest and most treasured magazine association, however, was with Outdoor Life. The Lost Classics of Jack O'Connor features 40 of his best Outdoor Life articles, none of which have ever appeared in any other book. They range from O'Connor's hunts for Coues deer in his beloved desert Southwest to his pursuit of Dall sheep and grizzlies in the Yukon and lions and leopards in Africa.

The Black Widow Niamh O'Connor 2013-01-08 Number One Bestseller

The incredible story of the murder which gripped the nation. When Tom Nevin was brutally murdered in Jack White's Inn on the morning of 19 March 1996 there was widespread mourning for the man known as a 'gentle giant'. And none seemed as grief-stricken as his widow, Catherine. She stood by the graveside holding a single red rose, the classic symbol of a lost love. But even as that picture occupied the front page of the nation's newspapers, the rumours had started. Four years later Catherine Nevin stood in the dock and listened impassively as a jury found her guilty of murdering her husband, and guilty on three counts of soliciting others to murder. The trial had kept the entire country enthralled, as every day more bizarre stories emerged: contract killers, money laundering, the IRA, sexual affairs, plastic surgery, contacts in high places. It had all the ingredients of a bestselling thriller, but this was real life, and with a real victim. *The Black Widow* is the story of a woman who wanted it all and didn't care how she got it. Niamh O'Connor, a journalist who sat through every day of the record-breaking trial, explores the personality behind the glamorous mask, the real motives for the murder, and, in a series of revealing interviews, unravels the web of intrigue, deception and violence that brought the woman who once gave deportment classes to schoolchildren to the cells of Mountjoy.

Sheep and Sheep Hunting Jack O'Connor 1974

Keys to the Kingdom Jack O'Connor 2008-03-06 When Jack O'Connor took over as Kerry football manager in 2004, he was a relative unknown. Three All-Ireland finals, and two titles, later, he stepped down, having established himself as one of the greats. *Keys to the Kingdom* is his vivid account of those three seasons in the most high-pressure job in Irish sport.

Shadowplay Joseph O'Connor 2020-06-16 A West End theater in London is shaken up by the crimes of Jack the Ripper in this novel by the New York Times–bestselling author of *The Star of the Sea*. Henry Irving is Victorian London's most celebrated actor and theater impresario. He has introduced groundbreaking ideas to the theater, bringing to the stage performances that are spectacular, shocking, and always entertaining. When Irving decides to open his own London theater with the goal of

making it the greatest playhouse on earth, he hires a young Dublin clerk harboring literary ambitions by the name of Bram Stoker to manage it. As Irving's theater grows in reputation and financial solvency, he lures to his company of mummeters the century's most beloved actress, the dazzlingly talented leading lady Ellen Terry, who nightly casts a spell not only on her audiences but also on Stoker and Irving both. Bram Stoker's extraordinary experiences at the Lyceum Theatre, his early morning walks on the streets of a London terrorized by a serial killer, his long, tempestuous relationship with Irving, and the closeness he finds with Ellen Terry, inspire him to write *Dracula*, the most iconic and best-selling supernatural tale ever published. A magnificent portrait both of lamp-lit London and of lives and loves enacted on the stage, *Shadowplay*'s rich prose, incomparable storytelling, and vivid characters will linger in readers' hearts and minds for many years. "A vibrantly imaginative narrative of passion, intrigue and literary ambition set in the garish heyday of a theater. . . . Artfully splicing truth with fantasy, O'Connor has a glorious time turning a ramshackle and haunted London playhouse into a primary source for Stoker's Gothic imaginings." —Miranda Seymour, *The New York Times Book Review* "A gorgeously written historical novel about Stoker's inner life. . . . I wasn't prepared to be awed by his prose, which is so good you can taste it. . . . O'Connor dazzles." —Michael Dirda, *The Washington Post* "And Mr. O'Connor's main characters—Stoker, Irving and the beloved actress Ellen Terry—are so forcefully brought to life that when, close to tears, you reach this drama's final page, you will return to the beginning just to remain in their company." —Anna Mundow, *The Wall Street Journal* "This novel blows the dust off its Victorian trappings and brings them to scintillating life." —Publishers Weekly, PW Picks, Starred Review FINALIST 2019 COSTA BOOK OF THE YEAR FINALIST 2020 DALKEY LITERARY AWARD 2020 WALTER SCOTT PRIZE
