*Next Up* Jonathan Pearson 2014-05-19 There are 8 key attitude and action shifts that every great leader makes. From entitlement to honor. From passive to passionate. From unreliable to consistent. Are you willing to make these shifts (and more) and be ready when the “next up” call comes? The Millennial generation is poised to do something. We can either learn, grow, ask for help, and lead honorably into the future, or we can passively wait, feeling entitled for the keys to eventually be given to us. We can do better than that! Let’s take the initiative and rise to the challenge. The future will be filled with leadership transitions at not only the highest levels in businesses, churches, and organizations all over the world, but also at regular, everyday places. Who will be ready to lead existing movements, groups, and causes? Or who will be ready to start the new ones? Using practical, biblical, and contemporary examples and lessons, this book will help existing and burgeoning leaders pinpoint the areas of their lives where they still need to make the shift and learn to lead more effectively.

**Some Golden Daybreak** Lee Roberson 2014-12-22 All of these sermons, with the exception of the last two, were preached in the midweek prayer services of the Highland Park Baptist Church. I make no claim for original thought in these messages, but desire to present the plain Word of GOD to the hearts of everyday people. It will be noted that some truths are repeated over and over again for the sake of emphasis. In the more than fourteen years that I have been the pastor of the Highland Park Baptist Church I have preached repeatedly the second coming of CHRIST. GOD has blessed the giving of this truth to our people. Literally thousands have been brought to the Lord JESUS CHRIST. It is my prayer that many will read these simple messages and begin to live fully and eagerly, "Looking for that blessed hope, and the glorious appearing of

the great God and our Saviour Jesus Christ." "Even so, come, Lord Jesus"! Lee Roberson Highland Park Baptist Church Chattanooga, Tennessee

 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our

books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
