**The Scroll and the Cross** Ilan Stavans 2013-10-23 Jews and Latinos have been unlikely partners through tumultuous times. This groundbreaking, eclectic book of readings, edited by Ilan Stavans, whom The Washington Post described as "one of our foremost cultural critics," offers a sideboard of the ups and downs of that partnership. It includes some seventy canonical authors, Jews and non-Jews alike, through whose diverse oeuvre-poetry, fiction, theater, personal and philosophical essays, correspondence, historical documents, and even kitchen recipes-the reader is able to navigate the shifting waters of history, from Spain in the tenth century to the Spanish-speaking Americas and the United States today. The Reader showcases the writings of such notable authors as Solomon ibn Gabirol, Maimonides, Miguel de Cervantes, Henry W. Longfellow, Miguel de Unamuno, Federico García Lorca, Jorge Luis Borges, Jacobo Timerman, Mario Vargas Llosa, Ruth Behar, and Ariel Dorfman to name only a few.

**Taking Root** Marjorie Agosín 2002-09-30 In Taking Root, Latin American women of Jewish descent, from Mexico to Uruguay, recall their coming of age with Sabbath candles and Hebrew prayers, Ladino songs and merengue music, Queen Esther and the Virgin of Guadalupe. Rich and poor, Sephardi and Ashkenazi, Jewish immigrant families searched for a new home and identity in predominantly Catholic societies. The essays included here examine the religious, economic, social, and political choices these families have made and continue to make as they forge Jewish identities in the New World. Marjorie Agosín has gathered narratives and testimonies that reveal the immense diversity of Latin American Jewish experience. These essays, based on first- and second-generation immigrant experience, describe differing points of view and levels of involvement in Jewish tradition. In Taking Root, Agosín presents us with a contemporary and vivid account of the Jewish experience in Latin America. Taking Root documents the sadness of exile and loss but also a fierce determination to maintain Jewish traditions. This is Jewish history but it is also part of the untold history of Brazil, Argentina, El Salvador, Ecuador, Chile, Peru, and all of Latin America.

**Latin American Women Writers** Kathy S. Leonard 2007-09-19 There is a wealth of published literature in English by Latin American women writers, but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published narrative (short stories, novels, novellas, autobiographies, and biographies) by Latin American women writers has increased significantly in the last ten to fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled Latin American Women Writers: A Resource Guide to Titles in English. This reference includes all forms of narrative-short story, autobiography, novel, novel excerpt, and others-by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies/biographies or other narrative, and almost 250 novels written by more than 100 authors from 16 different countries. For the purposes of this bibliography, authors who were born in Latin America and either continue to live there or have immigrated to the United States are included. Also, titles of pieces are listed as originally written, in either Spanish or Portuguese. If the book was originally written in English, a phrase to that effect is included, to better reflect the linguistic diversity of narrative currently being published. This volume contains seven indexes: Authors by Country of Origin, Authors/Titles of Work, Titles of Work/Authors, Autobiographies/Biographies and Other Narrative, Anthologies, Novels and Novellas in Alphabetical Order by Author, and Novels and Novellas by Authors' Country of Origin. Reflecting the increase in literary production and the facilitation of materials, this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market. This work of reference will be of special interest to scholars, students, and instructors interested in narrative works in English by Latin American women authors. It will also help expose new generations of readers to the highly creative and

diverse literature being produced by these writers.

*Cuatro textos autobiográficos latinoamericanos* Silvia Berger 2004 La autobiografía es un género literario que ha generado gran interés en los últimos años, tanto en el ámbito académico como en el del público lector. Este trabajo sostiene que las autobiografías constituyen un caso particular de discurso en el que la historia personal encarna la de otros y en el que la política y la historia se aúnan y justifican la existencia de la escritura misma. Lo personal deviene una estrategia literaria que permite dar visibilidad a lo ideológico y asegurar el impacto intelectual en el lector.

Jewish Writers of Latin America Darrell B. Lockhart 2013-08-21 Jewish writing has only recently begun to be recognized as a major cultural phenomenon in Latin American literature. Nevertheless, the majority of students and even Latin American literary specialists, remain uninformed about this significant body of writing. This Dictionary is the first comprehensive bibliographical and critical source book on Latin American Jewish literature. It represents the research efforts of 50 scholars from the United States, Latin America, and Israel who are dedicated to the advancement of Latin American Jewish studies. An introduction by the editor is followed by entries on 118 authors that provide both biographical information and a critical summary of works. Argentina, Brazil, and Mexico-home to the largest Jewish communities in Latin America-are the countries with the greatest representation, but there are essays on writers from Venezuela, Chile, Uruguay, Peru, Colombia, Costa Rica, and Cuba.

*Languages of Modern Jewish Cultures* Anita Norich 2016-04-28 This collection of essays brings to Jewish Language Studies the conceptual frameworks that have become increasingly important to Jewish Studies more generally: transnationalism, multiculturalism, globalization, hybrid cultures, multilingualism, and interlingual contexts. Languages of Modern Jewish Cultures collects work from prominent scholars in the field, bringing world literary and linguistic perspectives to generate distinctively new historical, cultural, theoretical, and scientific approaches to this topic of ongoing interest. Chapters of this edited volume consider from multiple angles the cultural politics of myths, fantasies, and anxieties of linguistic multiplicity in the history, cultures, folkways, and politics of global Jewry. Methodological range is as important to this project as linguistic range. Thus, in addition to approaches that highlight influence, borrowings, or acculturation, the volume represents those that highlight syncretism, the material conditions of Jewish life, and comparatist perspectives.

*On the Edge of the Holocaust* Edna Aizenberg 2015-11-22 In this bold study, Edna Aizenberg offers a much-needed corrective to both Latin American literary scholarship and popular assumptions that the whole of Latin America served as a Nazi refuge both during and after World War II. Analyzing the treatment of the Shoah by five leading figures in Argentine, Brazilian, and Chilean writing - Alberto Gerchunoff, Clarice Lispector, Jorge Luis Borges, Gabriela Mistral, and Joao Guimaraes Rosa - Aizenberg illuminates how Latin American intellectuals engaged with the horrific information that reached them regarding the Holocaust,

including the sympathy and collaboration of their own governments with the Nazis. Aizenberg emphasizes how - through fiction, journalism, and activism - these five culture-makers opposed and fought fascism. At the same time, her readings of individual texts confront shopworn clichés about Latin American writing and literature, suggesting deeper and richer dimensions to many canonical works. This interdisciplinary book fills critical gaps in both Holocaust and Latin American studies, and will be of great interest to scholars and students in both fields.
