Remaining Faithful in Ministry John MacArthur 2019-03-14 Perhaps no one else has ever faced as much hardship, opposition, or relentless suffering as the apostle Paul. And yet, through it all, Paul stood firm in Christ and remained faithful—to the very end. The power of Paul's example has captivated veteran pastor John MacArthur for years, and here he outlines nine unwavering convictions that contributed to this remarkable perseverance. In an age when pastoral failure and burnout are increasingly common, this book is a call to endurance in ministry, encouraging pastors to stand strong in their role and not lose heart, regardless of what God sends their way.

The Grace of Sin Larry Ammons 2019-03-15 For two thousand years, theologians have been attempting to explain the Bible's book of Revelation. The mysterious last plague, also known as the "seventh vial," was explained to John by the angel of the Lord and documented in two chapters within Revelation. For centuries, it was a fiercely debated topic because it had not happened yet—until September 11, 2001. In a comprehensive and enlightening biblical study, Larry Ammons extracts forty verses from the two chapters and matches them with forty events that took place at the World Trade Center at the beginning of the twenty-first century. Through fact-based evidence and Bible epigraphs, Ammons demonstrates how and why the ancient prophecies have come true and reveals by truth, not coincidence, how ten men were allowed powers as kings for an hour and forever changed the world in the process. The Grace of Sin is a unique presentation of facts that examines the seventh plague in the book of Revelation, compares biblical facts with actual events, and reveals shocking truths.

Barth's Ontology of Sin and Grace Shao Kai Tseng 2018-12-07 In recent Barth studies it has been argued that a key to understanding the theologian's opposition to natural theology is his rejection of substantialist ontology. While this is true to an extent, this book argues that it is a mistake to see Barth's 'actualistic ontology' as diametrically opposed to traditional substantialism. Probing into Barth's soteriological hamartiology in *Church Dogmatics*, III-IV, a largely neglected aspect of these volumes in recent debates on his understanding of being and act, it shows how his descriptions of sin, nature, and grace shed light on the precise manners in which his actualistic ontology operates on both a substance grammar of being and a process grammar of becoming, while rejecting the metaphysics underlying both grammars. Looking at issues such as original sin, universal salvation and human will, Barth is shown to be radically redefining the relationship between humans, their actions and the divine. This book argues that human 'nature' is the total determination of the human being 'from above' by God's grace in Christ, while the existential dimension of the human being is also totally determined 'from below' by the Adamic history of sin. This serves to demonstrate Barth's endeavours in eliminating the vestiges of natural theology within the Western tradition handed down from Augustine. By exploring these issues this book offers a fresh insight into Barth's relationship with his theological forbears. As such, it will be vital reading for any scholar of Barth studies, the problem of evil, and theological ontology.

Grace Abounding to the Chief of Sinners; Or, A Brief Relation of the Exceeding Mercy of God in Christ to His Poor Servant, John Bunyan John Bunyan 1863

Why the Worst Sinners Make the Best Saints Michael Lister 1996-02
The Christian and Habitual Sin Thomas Bear 2017-01-16 Jesus said that He came to give abundant life. Does this characterize your life? Or does it seem like you are in bondage to sinful attitudes or behaviors? The Apostle Paul warned that people whose lifestyles are controlled by sexual addiction, substance addiction, habitual overeating, jealousy, hostility or

anger will not inherit the Kingdom of Heaven. (See Galatians 5:19-21.) These behaviors and attitudes directly contradict the life Jesus came to give. Anyone whose life is dominated by them cannot have peace if he is a Christian. The author was at one time addicted to very powerful drugs and sexual sins but has found deliverance through Jesus Christ. He wrote this book to help other Christians gain sustained deliverance through the application of biblical instruction, not based upon theory, but proven through his own experience. It is intentionally brief so it can be read in less than one hour. This book is a helpful counseling tool for pastors and good to give to any Christian who is battling habitual sin.

"Sin, Grace and Free Will" Matthew Knell 2017-09-28 "In this first volume of *Sin, Grace and Free Will*, Matthew Knell embarks on a journey through centuries of Christian thought, from the Apostolic Fathers to St Augustine of Hippo. While the themes of sin, grace and free will are familiar to any Christian, Knell provides a comprehensive overview of how people such as Irenaeus, Gregory of Nazianzus and Augustine explored these ideas, following the development of early church philosophy on topics such as the problem of evil and the crucial difference between conscious and unconscious sin, as well as the distinction between body and soul. An indispensable primer for any beginning scholar, *Sin, Grace and Free Will* presents the writings of Christian thinkers of the early church in context and examines the progress of church doctrine from the nascent model of sin in the Shepherd of Hermas to Origen's analysis of divine influence on human will and Augustine's seminal work on grace and salvation."

Of Guilt And Grace Matthew LaMaster 2019-12-23 We don't like to talk about tragedy. It's insensitive, dark, and gloomy. Especially in church. We would much rather talk about the stories that make our hearts happy and joyful. Yet, the reality is that when we don't understand the dark depth of the human heart, we will never know the magnificent vistas of God's salvation. Tragedy is an essential reality for understanding the space of the gospel story. Few tragedies fit this mold better than that of Achan in Joshua 7. Achan's theft of sacred property and the resultant panic led Israel down a dark path. It was only with God's revelation of his action that this scourge was made known. However, the most tragic part of Achan's tale is that God's grace was offered out to him and he did not take it. The darkness of Achan's story heightens the glory of the gospel. The sin that Achan committed underscores the salvation that God offers. The cult he bore reveals the grace that is offered to us. *Of Grace and Guilt* is written to help us understand this reality. It is written to underscore the darkness of sin and therefore to examine the light of salvation. It is written for us to see the gracious hands of a loving God offered to us. The question before us is whether or not we will take what Achan could not. "Matt's book, 'Of Guilt and Grace' is a masterpiece of understanding the impact of sin and its ongoing ramifications. The good news about sin is God's grace. Matt elegantly explains how God's grace is the antidote to our sin issue. 'Of Guilt and Grace' is well thought out and a must read for anyone desiring to understand the relationship between our sin and God's grace. I would highly recommend this book!" - Tyson Priest, D. Min, Pastor, the River, Lapel, In. & Motivational Speaker. "Ten very helpful lessons on sin, a disturbing and polarizing subject that many ministers wish to elude for the sake of pastoral preservation. Matthew LaMaster illuminates a haunting story of God's wrath toward sin in a way that is both theologically demanding and accessible. Read with care, LaMaster pulls no punches when it comes to the serious and communal effects of our sin. Read with hope, for nothing is presented that is not saturated with God's mercy and no transgression so abominable that it cannot be healed by Christ's grace." - Tyler Turdici, Associate Pastor, the Oasis, Aurora, IL. ABOUT THE AUTHOR: Matthew

LaMaster is the pastor of Southern Heights Christian Church in Anderson, Indiana. He is an editor at Theology Magazine. He is a graduate of Moody Bible Institute (BA, MDiv) And is also currently a doctoral student at Concordia Theological Seminary in Fort Wayne, Indiana.

Salvation Means Creation Healed Howard A. Snyder 2011-07-13 The Bible promises the renewal of all creation--a new heaven and earth--based on the incarnation, life, death, and resurrection of Jesus Christ. For centuries this promise has been sidelined or misunderstood because of the church's failure to grasp the full meaning of biblical teachings on creation and new creation. The Bible tells the story of the broken and restored relationship between God, people, and land, not just God and people. This is the full gospel, and it has the power to heal the church's long theological divorce between earth and heaven. Jesus' resurrection in the power of the Holy Spirit is the key, and the church as Christ's body is the primary means by which God is reconciling all things through Jesus Christ. Jesus' ultimate healing of all creation is the great hope and promise of the gospel, and he calls the church to be his healing community now through evangelism, discipleship, and prophetic mission.

Understanding the Mystery of Grace Grace Slater 2021-05-26 It is not enough to hear, learn or even sing about Grace. Knowing about grace without understanding the multi-faceted uniqueness of Grace will lead to spiritual frustration. The bible teaches us this truth encompassed in grace. [John 1:14-17 KJV] "And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth. John bare witness of him, and cried, saying, This was he of whom I spake, He that cometh after me is preferred before me: for he was before me. And of his fullness have all we received, and grace for grace. For the law was given by Moses, but grace and truth came by Jesus Christ". Romans 9:10-16 teaches that this grace is free, by election, and calling and not by works. The Bible tells us that "it is not of him that runs nor of him that wills but it is the Lord that shows mercy and compassion". It is the Lord that determines who he will favor and show kindness to. Grace comes for grace. This grace is unmerited favor. God gives it to those He calls to compensate for their shortfalls and weaknesses. Romans 5:1-2, talks about having access to this grace by faith through Jesus Christ. You and I can access this grace by faith in Jesus Christ. We are called in the grace of Christ. Paul refers to the grace of Christ as the gospel of Christ. Acts 20:24 (ESV) 24 But I do not account my life of any value nor as precious to myself, if only I may finish my course and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. The gospel and grace are used interchangeably in scripture. The gospel of Christ is the grace of God. And the gospel of grace is this: Jesus offered one sacrifice for sins forever; he died on the cross and took your sins past, present, and future. The gospel of grace is over the top good news that your sins have been done away with on the cross. Grace is God's unmerited, unearned, and undeserved favor. Sin had to be judged so Jesus went to the cross and took our place. The condemnation went on Him for our sins. Hebrews 10:10-14 (ESV) On the cross, Jesus offered for all time a single sacrifice for sins. His work on the cross was good for all time. That means your past, present, and future sins have already been forgiven. God judged Jesus for the sins of the whole world forever. Sin is no longer an issue. God is not judging the unbelievers for their sins. Sin has already been judged. People do not go to hell because of sin, but rather because of rejecting Jesus who is the solution to the sin problem. Even after you are saved, sin is no longer an issue. After we are born again, God does not judge the believer for his sins. God is not punishing you for your sins. He is not mad at you when you make a mistake. He already punished Jesus for all the sins that you will ever commit. They have already been judged. Beware of the devil who will try to condemn you because you did something wrong. He tries to bring people under condemnation because they make a mistake and tells them that God will not answer their prayers because they did not pray today, or because they have not been to church for two weeks, or they did not read their Bible all week. That is the law, and we are not under the law. That is performance-based living and God does not relate to us anymore based on our performance. He does not bless us or answer our prayers because of what we do, but because of what Jesus did for us on the cross. God loves you as much as He loves Jesus (John 17:23), and when He sees you, He sees His son Jesus. As Jesus is, so are we in this world (1 John 4:17). We are in Christ Jesus and God sees us in Him.

Not Under Law But Under Grace Mike Peralta 2019-10-18 Not Under Law but Under Grace Before launching into scriptures about this subject let me point out that Paul was reminding believers that God's grace empowers them more to overcome sin. It is NOT saying that they no longer have to keep the law. Again Paul is reminding them that because of grace they now have MORE power, not less, to overcome sin and lawlessness. Romans 6:14, For sin shall no longer be your master, because you are not under the law, but under grace. (NIV) Romans 6:14, For sin shall not have dominion over you: for ye are not under the law, but under grace. (KJV) Romans 6:14, for sin over you shall not have lordship, for ye are not under law, but under grace. (YLT) The aim of this chapter, is to help you think through the book of Romans as well as others and get an insight into the thought and doctrine of Paul. As mentioned before, Peter comments that some of Paul's wisdom and teaching is hard to understand and some people twist it to their own destruction (2 Peter 3:15-16). In this lesson we try to represent Paul's doctrine accurately and clearly. You often hear the argument that we are "not under law but under grace." But what does it mean to be under grace? Does this mean we no longer have to obey the Ten Commandment laws or the other Moral Laws in the Old Testament? First let's define what sin is according to the Bible. 1 John 3:4 says, "Whosoever commits sin transgresses also the law: for sin is the transgression of the law." Therefore, if there is no Law then there can be no sin, and for even further clarity Romans 4:15 says, "Because the law worketh wrath: for where no law is, there is no transgression." To give clarity to Romans 6:14 above we also look at Romans 5:21 and Romans 7:6-7; Romans 5:21, "so that, just as sin reigned in death, so also grace might reign through righteousness to bring eternal life through Jesus Christ our Lord." Romans 7:6-7, "But now, by dying to what once bound us, we have been released from the law so that we serve in the new way of the Spirit, and not in the old way of the written code. What shall we say, then? Is the law sinful? Certainly not! Nevertheless, I would not have known what sin was had it not been for the law. For I would not have known what coveting really was if the law had not said, "You shall not covet." Notice that Paul uses Commandment #10 of the Ten Commandments to illustrate this last New Testament scripture! So the law as stated in the Old Testament is still supposed to be used to overcome sin. But we do so in the Spirit, under the Lordship of Jesus under His grace. I hope you noticed the following key words that I underlined: Master, Dominion, Lordship, Lord, Serve, Spirit, Grace. Now the following is the key to understanding Paul's saying that we are "not under the law, but under grace": Before Christ the people of God's covenant were under service to the written code or the law. They were bound up in sin and the law was not enough (by itself) to free them from the power of sin. Under Christ, people - if they choose for Christ - would be freed from being bound in sin. The law was there (and still is there) to show them how far short they fell from God's righteous law. And the penalty of what breaking that law required was punishment and spiritual death (Hell or Sheol in the Old Testament). "The wages of sin is death, but the gift of God is eternal life in (through) Jesus Christ our Lord." (Rom 6:23) So by receiving Jesus Christ we receive the grace of God. And so we put ourselves under the Lordship of Christ "under His grace."

Purity Lydia Brownback 2010-05-05 The Christian community often thinks of purity only as it relates to issues of sexuality, but the term encompasses much more than that. We need to look closely at all it means to be pure as God intended. So what does purity mean? As modern women, how can we follow Paul's command in Colossians to "put to death" impurity? How does purity adorn a godly woman? Lydia Brownback looks to Scripture to answer these questions as she engages an issue faced by all women. The newest in a series of compact

devotional books for women, Purity guides us to understand that our hearts are purified as we lean on the purity of Christ and his perfect work for us. These devotionals are a daily reminder to women that putting Christ first takes care of everything else.

On the Grace of Christ, and on Original Sin Saint Augustine 2015-06-08 Augustine, the man with upturned eye, with pen in the left hand, and a burning heart in the right (as he is usually represented), is a philosophical and theological genius of the first order, towering like a pyramid above his age, and looking down commandingly upon succeeding centuries. He had a mind uncommonly fertile and deep, bold and soaring; and with it, what is better, a heart full of Christian love and humility. He stands of right by the side of the greatest philosophers of antiquity and of modern times. We meet him alike on the broad highways and the narrow footpaths, on the giddy Alpine heights and in the awful depths of speculation, wherever philosophical thinkers before him or after him have trod. As a theologian he is facile princeps, at least surpassed by no church father, schoolman, or reformer. With royal munificence he scattered ideas in passing, which have set in mighty motion other lands and later times. He combined the creative power of Tertullian with the churchly spirit of Cyprian, the speculative intellect of the Greek church with the practical tact of the Latin. He was a Christian philosopher and a philosophical theologian to the full.

Finding God in My Loneliness Lydia Brownback 2017-02-14 Young or old, single or married, male or female—at some point in life, we're all confronted with loneliness. We try to fill the void or change our circumstances so we no longer feel the pain. But what if our pangs of loneliness are meant to point us to something greater? Looking at various aspects of loneliness, Lydia Brownback reminds us of God's power to redeem our loneliness and use it in our lives to draw us to himself. Ultimately, she helps us see that even when we feel misunderstood, forsaken, or abandoned, we're never really alone. God is always with us, and only he can meet all of our needs in Christ Jesus.

Torah of Sin and Grace Michael Tupek 2012 Description: The role of the Torah is poorly understood within the religious communities of both Judaism and Christianity, but with varying causes. Its use in biblical salvation history is much more than the foundational text for Israelite existence, covenant, and stipulation. ""Torah"" is the Hebrew word for instruction, not law, and this sacred document contains, not only the well-known Abrahamic covenant of grace, but two core lessons: the serious nature of sin and the fearful necessity of transforming grace. Torah of Sin and Grace provides a fresh, honest, and careful examination of both the Torah and the relevant prophetic portions of the later Hebrew Bible, which will reveal the fact that the biblical writers themselves had a larger understanding of the role of the Torah, and that this understanding always incorporated the recognition of the failed Israelite covenant, resulting in the core lessons concerning the sinfulness of man and the supernatural grace that rescues him. Much of the book discusses the unfolding of this glorious rescuing grace for both Jew and Gentile, including the ""new things"" revealed by the prophets such as the new covenant, the Suffering Servant, the ingathering of the Gentiles, and the future of Israel and their land. About the Contributor(s): Michael Tupek is a self-taught lay theologian, having studied biblical theology, biblical Hebrew and Greek, Jewish studies, philosophy, and history. He resides in New Hampshire with his wife, and works as an IT technician, and is also a professional artist.

The Doctrines of Grace Charles H. Spurgeon 2008-12-05 My own private opinion is that there is no such thing as preaching Christ and him crucified, unless you preach what now-a-days is called Calvinism. It is a nickname to call it Calvinism; Calvinism is the gospel, and nothing else. I do not believe we can preach the gospel, if we do not preach justification by faith, without works; nor unless we preach the sovereignty of God in his dispensation of grace; nor unless we exalt the electing, unchangeable, eternal, immutable, conquering, love of Jehovah: nor do I think we can preach the gospel, unless we base it upon the peculiar redemption which Christ made for his elect and chosen people; nor can I comprehend a gospel which lets saints fall away after they are called, and suffers the children of God to be burned in the fires of damnation after having believed. Such a gospel I abhor. The gospel of the Bible is not such a gospel. We preach Christ crucified in a different fashion, and to all gainsayers we reply. "We have not so learned Christ." (Charles Spurgeon)

Dominion of Sin and Grace John Owen 2015-08-20 For sin shall not have dominion over you: for ye are not under the law, but under grace. - Rom. 6:14. Being under grace - the Lordship of Jesus Christ does NOT mean you are free to commit lawlessness. Rather it means that you are

FREE from sin. And this freedom from sin comes as a result of the grace of God. God enables you to overcome all sin. Due to hardness of heart many continue to sin thinking that "not under the law" gives a "license" to sin. NO, NO, NO! "Not under the law but under grace" means that we have the grace and God's enablement to overcome all sin. Yes - ALL sin. Don't let the devil deceive you. God gives you the ability to overcome sin. God even commands us: "Be ye holy because I am Holy." 1 Peter 1:16. And whatever God commands - He enables and gives us the grace to do. **A Treatise on the Dominion of Sin and Grace, wherein sin's reign is discovered; ... how the Law supports it; how grace delivers from it, etc. [With a prefatory address by J. Grace Defined and Defended Kevin DeYoung 2019-04-17 Christians love to celebrate grace, but often talk about it in vague generalities. But such an important biblical concept ought to be clearly defined so it can be consistently defended. In this book, best-selling author Kevin DeYoung points modern readers back to an old document originally written to do just that. Warmly pastoral and broadly accessible, this book introduces readers to the Canons of Dort, a 17th-century work summarizing the central doctrines of the Christian faith. Widely regarded as a key pillar of the Reformed tradition, the Canons of Dort stand as a faithful witness to God's grace—offering a depth of understanding that the church still needs today. In three concise sections—covering history, theology, and practical application—DeYoung explores what led to the Canons and why they were needed, the five important doctrines that they explain, and Dort's place in the Reformed tradition today.

From Sin to Amazing Grace Patrick S. Cheng 2012-03-01 Throughout the history of Christianity, lesbian, gay, bisexual and transgender ("LGBT" or "queer") people have been condemned as unrepentant sinners who are in dire need of God's saving grace. As a result of this condemnation, LGBT people have been subjected to great spiritual, emotional and physical abuse and violence. This issue has taken on a particular urgency in light of the horrific string of suicides over the last year of young LGBT people who were subjected to harassment and bullying by their classmates. Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws. Rather Cheng proposes a Christological model based upon the theologies of Irenaeus, Bonaventure and Barth, in which sin and grace are defined in terms of what God has done for us in Jesus Christ. This book will serve as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century.

The Biology of Sin Matthew S. Stanford 2010 Can I pray and believe enough to stop sinning? There are heated discussions happening on the conflict between science and faith. This disagreement tends to focus around three main issues, one of them being what causes our sinful behavior. The intense conflict has to do with biblically defined sinful behaviors and if there just might be a biological predisposition for these behaviors. The Biology of Sin speaks to this debate and hopefully brings some resolution to the conflict. As both a Christian and a neuroscientist, Dr. Stanford has seen scientific knowledge distorted to justify sinful behavior and perhaps more disturbingly, he has seen Christians misuse Scripture to demonize and alienate the very ones they should be reaching out to. He suggests that the underlying cause of this problem in the church is a lack of knowledge, both of basic brain function and scriptural teaching. The Biology of Sin discusses sinful behaviors, including adultery, rage, addiction, and homosexuality, asking of each: "What does science say, and what does the Bible say about this behavior?" He then attempts to reconcile the fact that biological predispositions do play a role in behavior which the Bible defines as sinful while always emphasizing the authority of God's Holy Word and the abundant grace he has for those struggling with habitual sin.

Three Free Sins Steve Brown 2012-02-07 From a popular pastor and radio host—Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many Christians. It's about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins - not just three. Chapter one, titled "Teaching Frogs to Fly," is even better. The gist of this chapter is that you can't teach frogs to fly, just like you can't teach people not to sin. Steve tells a story about a guy who has a frog, and he's convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls - all to the poor frog's demise. The message is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.

Jesus' resurrection in the power of the Holy Spirit is the key, and the church as Christ's body is the primary means by which God is reconciling all things through Jesus Christ. Jesus' ultimate healing of all creation is the great hope and promise of the gospel, and he calls the church to be his healing community now through evangelism, discipleship, and prophetic mission.

The Grace of Forgiveness Rick Bailey 2022-11-03 Both grace and forgiveness have been extensively written about in the Christian community, yet too often, both have been misunderstood and misapplied. Much confusion, fear, and spiritual bondage has resulted from believing mistruths that have been taught on these subjects. In this book, the author has drawn on his many years of teaching, study and personal experience to address some of those misconceptions and to share many of the biblical truths of grace that set multitudes free. In his succinct and forthright manner, he opens up the Scriptures to bring clarity and understanding about what grace is and about what the forgiveness of God actually encompasses. He shows that grace is a hundred percent the work of God on our behalf and has nothing to do with our response or our behavior. Everything we have because of our "identification with Christ" is a gift we cannot earn. We can only accept. Forgiveness is one of those gifts we cannot earn and cannot lose because it does not depend on us. It is a gift eternally applied to our lives, based upon the finished work of Christ, not in any way based upon what we do or what we don't do. The author shows us that by renewing our minds to the truths of grace and New Covenant theology, we can learn to reject the law-based teachings of many of our modern churches and learn to "walk in the freedom" of what it means to be in Christ. This book reveals the gospel of amazing grace, the good news of love and acceptance where you will never be condemned, where the fragrance of the Father's love keeps drawing you into deeper intimacy with Himself, and where the freedom of grace-based living is discovered and struggling to "keep the law" is abandoned.
