Scholarship Reconsidered Ernest L. Boyer 2015-10-06 Shifting faculty roles in a changing landscape Ernest L. Boyer's landmark book *Scholarship Reconsidered: Priorities of the Professoriate* challenged the publish-or-perish status quo that dominated the academic landscape for generations. His powerful and enduring argument for a new approach to faculty roles and rewards continues to play a significant part of the national conversation on scholarship in the academy. Though steeped in tradition, the role of faculty in the academic world has shifted significantly in recent decades. The rise of the non-tenure-track class of professors is well documented. If the historic rule of promotion and tenure is waning, what role can scholarship play in a fragmented, unbundled academy? Boyer offers a still much-needed approach. He calls for a broadened view of scholarship, audaciously refocusing its gaze from the tenure file and to a wider community. This expanded edition offers, in addition to the original text, a critical introduction that explores the impact of Boyer's views, a call to action for applying Boyer's message to the changing nature of faculty work, and a discussion guide to help readers start a new conversation about how *Scholarship Reconsidered* applies today.

Promises to Keep: How Jackie Robinson Changed America Sharon Robinson 2016-11-29 A warm, intimate portrait of Jackie Robinson, America's sports icon, told from the unique perspective of a unique insider: his only daughter. Sharon Robinson shares memories of her famous father in this warm loving biography of the man who broke the color barrier in baseball. Jackie Robinson was an outstanding athlete, a devoted family man and a dedicated civil rights activist. The author explores the fascinating circumstances surrounding Jackie Robinson's breakthrough. She also tells the off-the-field story of Robinson's hard-won victories and the inspiring effect he had on his family, his community. . . his country! Includes never-before-published

letters by Jackie Robinson, as well as photos from the Robinson family archives.

British Comment on the United States Ada Nisbet 2001-06-07 This bibliography of more than three thousand entries, often extensively annotated, lists books and pamphlets that illuminate evolving British views on the United States during a period of great change on both sides of the Atlantic. Subjects addressed in various decades include slavery and abolitionism, women's rights, the Civil War, organized labor, economic, cultural, and social behavior, political and religious movements, and the "American" character in general.
