**Managing the Mystery Collection** Judith A. Overmier 2014-04-23 Unravel the mystery of fostering a vibrant mystery collection for your library patrons! Whodunnit? *Managing the Mystery Collection: From Creation to Consumption* reveals just who is responsible—for providing high-quality library mystery collections to fans. This resource takes you through the complicated process, from creating a mystery story to getting it to the library bookshelf and your patrons—all with clear explanations and no plot twists. Authors, readers, critics, scholars, and librarians give you an interdisciplinary inside look at the production and collection of one of the most popular genres in literature, the mystery. This unique book comprehensively explains how a mystery story journeys a surprisingly winding way to reach an avid reading public. No red herrings here though. Acquisitions and collection development resources are provided along with effective strategies that will help librarians to sift through the clues on how to bring life to their mystery collections. Examinations of various subgenres of the mystery are provided, such as romance and Native American mysteries, as well as an enlightening discussion of the links between mysteries, libraries, and interest groups. *Managing the Mystery Collection* brings you: mystery writer Barbara Fister describing the creative process insights about Sisters in Crime—an organization that promotes mysteries authored by women—and its special relationship with libraries and librarians a detailed introduction to buying and selling books online Web and print resources guidance for the acquisition of mysteries for the younger mystery reader development of a collection of ethnic mysteries the creation of special collections of Sherlock Holmes and author Conan Doyle extensive listings of subgenre titles and details of popular series an organization that networks creators, fans, and scholars of detective and mystery fiction and more! *Managing the Mystery Collection: From Creation to Consumption* solves the mystery behind the step-by-step process it takes to provide readers with what they want—access to a collection of perplexing, well-written mysteries. This is perfect for public and academic librarians with an interest in building quality collections of mysteries; library school faculty teaching courses in collection building, popular culture and libraries, genre literature, and special collections; and students of those fields.

**Hot Links** Cora M. Wright 1998-10-15 When looking for exciting, quality literature to use in the middle school classroom, reach for this book. It identifies and describes 300 contemporary and classic books that

relate to middle school science, history (ancient cultures and U.S.), physical education, English language (classic literature, grammar, and usage), mathematics, and fine arts. The book also has useful sections on biographies, multicultural selections, poetry, read-alouds, recent releases, high-interest/low-reading level material, myths and legends, and unique reads. Wright lists curriculum links for each book, and a reference chart lists all titles with their pertinent categories.

*Sing Me a Death Song* Jay Bennett 1990 The headline in the newspaper screamed at Jason. The photo of Marian haunted him, her sad eyes filling his heart with dread. For Marian Feldon is Jason's mother. And on his eighteenth birthday she will die. Marian Feldon will be executed for the murder of her lover. Everyone, even her lawyer, is convinced of her guilt -- except for Jason. He knows his mother could never murder anyone. But certain doom is only a few days away. And there is no one to turn to, nowhere to go. Then, at the bedside of a dying stranger, Jason learns something that could free his mother...something that sends him down a nightmarish trail of double-crossing, deceit, and danger. But Jason is desperate, and he'll risk anything to save his mother's life. Even death.

*The 100 Most Popular Young Adult Authors* Bernard A. Drew 1997-10-15 The book focuses on individuals writing in the '90s, but also includes 12 classic authors (e.g., Mark Twain, Louisa May Alcott, J.R.R. Tolkien) who are still widely read by teens. It also covers some authors known primarily for adult literature (e.g., Stephen King) and some who write mainly for middle readers but are also popular among young adults (e.g., Betsy Byars). An affordable alternative to multivolume publications, this book makes a great collection development tool and resource for author studies. It will also help readers find other books by and about their favorite writers.

**Sing Me that Lovely Song Again** - Helga-Maria Griffin 2006 The story of Helga Griffin - born in Turkey of Austrian and German parents. In Iran at the outbreak of World War II, her engineer father was transported, with the family, to Australia as enemy aliens. Released in 1946, they settled in Melbourne. It was here that her feisty loving migrant family explores everyday life in the Australia of the late 1940s and early 50s.

*I Shot a Man in Reno* Graeme Thomson 2008-08-15 Ask the gangsta rap devotee. Ask the grizzled blues fanatic and the bearded folk fan. Ask the goth and the indie kid. Ask and they will all tell you the same thing: death and popular music have forever danced hand-in-hand in funereal waltz time. The pop charts and the majority of radio stations' playlists may conspire to convince anyone listening that the world spins on its axis to the tune of "I love you, you love me" and traditional matters of the heart. The rest of us know that we live in a world where red roses will one day become lilies and that death is the motor that drives the greatest and most exhilarating music of all. "Death music" is not merely a byword for bookish solemnity, or the glorification of murder, drugs and guns. Over the course of the last hundred years it has also been

about teenage girls weeping over their high school boyfriend's fatal car wreck; natural disasters sweeping whole communities away; the ever-evolving threat of disease; changing attitudes to old age; exhortations to suicide; the perfect playlist for a funeral; and the thorny question of what happens after the fat lady ceases to sing. Which means that for every "Black Angel's Death Song" there is a "Candle in the Wind," and for every "Cop Killer" there is "The Living Years." Death, like music, is a unifying force. There is something for every taste and inclination, from murderous vengeance to camp sentimentality and everything in between. Drawing upon original and unique interviews with artists such as Mick Jagger, Richard Thompson, Ice-T, Will Oldham and Neil Finn among many others, *I Shot a Man In Reno* explores how popular music deals with death, and how it documents the changing reality of what death means as one grows older. It's as transfixing as a train wreck, and you won't be able to put it down. as an epilogue, *I Shot A Man In Reno* presents the reader with the 40 greatest death songs of all time, complete with a brief rationale for each, acting as a primer for the morbidly curious listener.

**Sing Me Back Home** Dana Jennings 2008-05-27 The years from about 1950 to 1970 were the golden age of twang. Country music's giants all strode the earth in those years: Hank Williams and Johnny Cash, George Jones and Merle Haggard, Loretta Lynn and Tammy Wynette. And many of the standards that still define country were recorded then: "Folsom Prison Blues," "Your Cheatin' Heart," "Mama Tried," "Stand by Your Man," and "Coal Miner's Daughter." In *Sing Me Back Home*, Dana Jennings pushes past the iconic voices and images to get at what classic country music truly means to us today. Yes, country tells the story of rural America in the twentieth century—but the obsessions of classic country were obsessions of America as a whole: drinking and cheating, class and the yearning for home, God and death. Jennings, who grew up in a town that had more cows than people when he was born, knows all of this firsthand. His people lived their lives by country music. His grandmothers were honky-tonk angels, his uncles men of constant sorrow, and his father a romping, stomping hell-raiser who lived for the music of Carl Perkins, Jerry Lee Lewis, and the other rockabilly hellions. *Sing Me Back Home* is about a vanished world in which the Depression never ended and the sixties never arrived. Jennings uses classic country songs to explain the lives of his people, and shows us how their lives are also ours—only twangier.

**Songs for the Dead Vol. 1** Andrea Fort 2018-09-11 Bethany is a minstrel, a wanderer, and a would-be hero seeking adventure. She's also a reviled necromancer, hated and hunted by all. To prove her magic isn't evil, Bethany needs help from a murderous mercenary, in other words, a friend. FRIENDS. MAGIC. SWORDS. DEATH. AND LIFE (AGAIN). Bethany is a minstrel with a heart full of adventure, a would-be hero determined to find a missing boy from the town of Llyne, and a friend to all woodland critters. But mostly the dead ones...because Bethany is also a necromancer. She's out to prove her magic isn't evil, and she'll need the help of a hot-headed, sword-swinging mercenary named Elissar—that is, she'll need the help of a friend. Collects the complete four issue series.

**Sing Me Back Home** Bill C. Malone 2017-02-17 For over fifty years, Bill C. Malone has researched and written about the history of country music. Today he is celebrated as the foremost authority on this distinctly American genre. This new collection brings together his significant article-length work from a variety of sources, including essays, book chapters, and record liner notes. *Sing Me Back Home* distills a lifetime of thinking about country and southern roots music. Malone offers the heartfelt story of his own working-class upbringing in rural East Texas, recounting how in 1939 his family's first radio, a battery-powered Philco, introduced him to hillbilly music and how, years later, he went on to become a scholar in the field before the field formally existed. Drawing on a hundred years of southern roots music history,

Malone assesses the contributions of artists such as William S. Hays, Albert Brumley, Joe Thompson, Jimmie Rodgers, Johnny Gimble, and Elvis Presley. He also explores the intricate relationships between black and white music styles, gospel and secular traditions, and pop, folk, and country music. Author of many books, Malone is best known for his pioneering volume *County Music, U.S.A.*, published in 1968. It ranks as the first comprehensive history of American country music and remains a standard reference. This compilation of Malone's shorter—and more personal—essays is the perfect complement to his earlier writing and a compelling introduction to the life's work of America's most respected country music historian.

**Sing Me Forgotten** Jessica S. Olson 2021-03-09 Isda does not exist. At least not beyond the opulent walls of the opera house. Cast into a well at birth for being one of the magical few who can manipulate memories when people sing, she was saved by Cyril, the opera house's owner. Since that day, he has given her sanctuary from the murderous world outside. All he asks in return is that she use her power to keep ticket sales high—and that she stay out of sight. For if anyone discovers she survived, Isda and Cyril would pay with their lives. But Isda breaks Cyril's cardinal rule when she meets Emeric Rodin, a charming boy who throws her quiet, solitary life out of balance. His voice is unlike any she's ever heard, but the real shock comes when she finds in his memories hints of a way to finally break free of her gilded prison. Haunted by this possibility, Isda spends more and more time with Emeric, searching for answers in his music and his past. But the price of freedom is steeper than Isda could ever know. For even as she struggles with her growing feelings for Emeric, she learns that in order to take charge of her own destiny, she must become the monster the world tried to drown in the first place.

**Tell Me a Story, Sing Me a Song** William A. Owens 2011-05-18 Texas, the 1930s—the years of the Great Depression. It was the Texas of great men: Dobie, Bedichek, Webb, the young Américo Paredes. And it was the Texas of May McCord and "Cocky" Thompson, the Reverend I. B. Loud, the Cajun Marcelle Comeaux, the black man they called "Grey Ghost," and all the other extraordinary "ordinary" people whom William A. Owens met in his travels. "Up and down and sideways" across Texas, Owens traveled. His goal: to learn for himself what the diverse peoples of the state "believed in, yearned for, laughed at, fought over, as revealed in story and song." Tell me a story, sing me a song brings together both the songs he gathered—many accompanied by music—and Owens' warm reminiscences of his travels in the Texas of the Thirties and early Forties.
