Behind the Altar Robert Henman 2008-04-29
BEHIND THE ALTAR by Robert Henman Xlibris Publishing 2008 ISBN 978-1-4363-2487-8
This is a work of fiction reflecting on the role of contemporary institutional religions in the modern world. Over the past 500 years science has emerged as a challenge to contemporary religions that have their origins in the mythical and classical consciousness of the past 3000 years. Those modes of consciousness have collapsed into an eclectic mix of consciousness. Do traditional forms of religion have a role in the future of humanity? This story, based on the authors 24 year experience of working in pastoral and educational positions with the Roman Catholic Church, attempts to raise this question. It challenges the reader to reflect on their own authentic way of moving forward. As all issues in contemporary society, the issue is global and serious, as we witness the tension between religions, not unlike that of the Medieval Period in Europe and its destructive colonization of valid cultures world wide. History, or perhaps the longer cycle of decline, will perpetuate itself until some cross cultural, cross gender, and foundational human commonality is empirically discovered. This story is an attempt to reveal local functioning problems as a manifestation of a much larger historical problem. The story ends with a subtle pointing towards solution. This novel is about personal survival within the context of modern institutions, more specifically, contemporary religions. The main character, Jimmie Deveau, and his wife Mel, work as pastoral associates with the Roman Catholic Church. The institution begins to take its toll on their personal lives. Jimmie has had to deal with numerous problems in his career and he accepted them as part of his job and life in general. As ongoing problems emerge within the institution, Jimmie discovers a secret about his childhood that has been kept from him. Jimmie finds himself

wondering whether he can continue working in the institutional church. Relationships become strained as Jimmie attempts to work through to a decision. These events send him into a deeper reflection on his career, his life, and the role religion plays in contemporary society. Through dramatic fiction, the story explores a growing self-interest in contemporary religion and the difficulty of personal change. See below or go to Roberthenman.com for a review of this book and more information on the author. Review by William Zanardi of *Behind the Altar* by Robert Henman Published by Xlibris Publishing April 2008 ISBN 978-1-4363-2487-8 Available at Amazon.ca/com and most online bookstores worldwide> Love and betrayal, anger and distrust such are the phases of relationships ending in pain. In *Behind the Altar*, Robert Henman narrates his protagonists journey through these phases. The love was for a Church that offered a secure home, moral ideals, a purpose for living. Betrayal took the form of institutional authorities putting personal gain and the Church's reputation above service to those they professed to love. If anger is proportionate to love lost, then the greater the original love, the greater the distrust betrayal evokes. The reader will suspect much of the story is autobiographical, an insiders report on the psychological flaws and rationalizing defenses of fearful individuals: authority figures desperate to hang on to power and prestige and their too trusting followers anxious about leaving the only secure home they have known. The authors careful depiction of the wrenching trauma of betrayal is so nuanced that it must have a basis in personal experience. There is no sudden shift from nave belief to disillusionment. Instead, trust erodes slowly; doubts arise and subside; resolve takes shapes and retreats; efforts to overcome fear and to accept financial and spiritual risks only gradually build momentum. Among the Ten Thousand Things Julia Pierpont 2015-07-07 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND THE HUFFINGTON POST • Features an exclusive conversation between Julia Pierpont and Lena Dunham For fans of Jennifer Egan, Jonathan Franzen, Lorrie Moore, and Curtis Sittenfeld, *Among the Ten Thousand Things* is a dazzling first novel, a portrait of an American family on the cusp of irrevocable change, and a startlingly original story of love and time lost. Jack Shanley is a well-known New York artist, charming and vain, who doesn't mean to plunge his family into crisis. His wife, Deb, gladly left behind a difficult career as a dancer to raise the two children she adores. In the ensuing years, she has mostly avoided coming face-to-face with the weaknesses of the man she married. But then an anonymously sent package arrives in the mail: a cardboard box containing sheaves of printed emails chronicling Jack's secret life. The package is addressed to Deb, but it's delivered into the wrong hands: her children's. With this vertiginous opening begins a debut that is by turns funny, wise, and indescribably moving. As the Shanleys spin apart into separate orbits, leaving New York in an attempt to regain their bearings, fifteen-year-old Simon feels the allure of adult freedoms for the first time, while eleven-year-old Kay wanders precariously into a grown-up world she can't possibly understand. Writing with extraordinary precision, humor, and beauty, Julia Pierpont has crafted a timeless, hugely enjoyable novel about the bonds of family life—their brittleness, and their resilience. Praise for *Among the Ten Thousand Things* "A luscious, smart summer novel . . . by a blazingly talented young author."—*The New York Times Book Review* "This book is one of the funniest, and most emotionally honest, I've read in a long time."—Jonathan Safran Foer "Obsessively compelling . . . emotionally sophisticated . . . *Among the Ten Thousand Things* rises above [other novels] for its imagined structure, sentence-by-sentence punch, and pure humanity."—*Vanity Fair* "Gripping . . . Pierpont brings this family of four to life in sharply observed detail. . . . An acute observer of social comedy, Ms. Pierpont has a keen eye for the absurd."—*The Wall Street Journal* "Pierpont's language is heart-stopping. . . . Between Pierpont's literary finesse and her captivating characters, [*Among the Ten Thousand Things*] reads like a page-turner."—*Entertainment Weekly* (grade: A) "A twisty, gripping story—that packs an emotional wallop."—*O: The Oprah Magazine* "There are going to be as many ingenious twists and turns in this literary novel as there are in a top-notch work of suspense like *Gone Girl*."—Maureen Corrigan, NPR's *Fresh Air* "Tender, delicately perceptive . . . Pierpont's voice is wry and confident, and she is a fine anthropologist of New York life."—*The Washington Post* "Pierpont displays a precocious gift for language and observation. . . . She captures the minutiae of loneliness that pushes us away from each other and sometimes brings us back."—*San Francisco Chronicle*

Don't Kiss Them Goodbye Allison DuBois 2008-09-04 Allison DuBois first realised her abilities at six years old when she saw her great-grandfather - after his funeral. For many years she learned to downplay her talents but while working for the county attorney when at law school, her gift took a distinct and miraculous turn. As she handled evidence from murder cases, Allison began to 'see' the crimes as they had occurred, providing vital information such as the location of bodies and unidentified perpetrators. She then decided to dedicate her life to ease the pain of those who have lost loved ones. Allison has helped solve numerous crimes. She has also been studied at three universities and her accuracy has amazed scientific researchers. DON'T KISS THEM GOODBYE is the fascinating account of a devoted wife and mother who combines a normal life with the ability to communicate with the dead. *Good Morning Message* Peggy Edwards 2010-08 This daily devotional book has been a God-led inspiration from its very start-up; from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network. Our God is so awesome! I've had people return emails to me or speak to me and ask, "How did you know that I needed that today?" or "How did you know I was going through this?" That is when I thankfully remind them that God inspired each and every one of these devotionals. I am just being faithful and following His directions. Now I'm led to put them into a year of daily devotions book to reach others. Occasionally, my emailed devotionals have colored photographs that I take as God inspired message for the day. Unfortunately, I couldn't include those in this book. I did include a photo in grayscale at the beginning of each month; the cover photo is a God-blessed look at an Alaskan sunset. I am so thankful that God is working in my life. I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others. When you feel down, just start counting each of the blessings God has touched you with in your life; and you will feel His Presence and comfort to encourage you. We are never alone; He is just a prayer away; nothing is impossible for our God. He is not done with us yet. He is asking us to be obedient in our service to Him, and He will help us grow in our faith. Trust in Him, and you will be astounded at what He has in store for you.

The Living Spirit Sheryl Iris Glick 2014-05 I have written *The Living Spirit* not just for healers, but for anyone who wants to awaken to their soul's mission and to the incredible plan God has for them. It is intended as a compassionate and supportive guide for others beginning their spiritual journey as mediums, psychics, and energy healers or simply for those with questions about who they are, what life is all about, and whether there is indeed life after death. In short, it is the book I wish I had on that night all those years ago. In gratitude for my spiritual gifts, I made a commitment to live according to the universal laws of energy and to share all I've learned with others. This includes helping others to conquer their childhood fears and limitations so their souls can mature. As our souls grow and expand, our physical lives expand and abound in abundance. It is my hope that by reading the personal stories shared by a host of people and those from my daily life, it will become apparent to you that each of us is more than we appear to be. We can transform our selves and our world into a place that reflects the best of our divine gifts. When one shifts to living in conjunction with spirit, and to moving through their emotional issues with new vision and expertise, anything is possible. Another major emphasis of this book is to share the miraculous happenings and coincidences that have proven to me, a former skeptic, that life is not random, and all our experiences are the way to a higher understanding of self. There are three main points that I hope readers take away from *The Living Spirit*: -We are divine soul beings interconnected to each other and to the universal energy that supports all of us. -Life is not random. Throughout our lives we will experience a series of coincidences that are not coincidental at all, but Spirit, whispering words of love and guidance in our ears. -Our loved ones in afterlife guide us to expand our understanding of our soul nature and our physical lives. I invite readers to share this journey with me and learn to let go of any restriction preventing their full enjoyment of life. Once we become aware of how we can recognize and utilize coincidences, synchronicities, and higher guidance, we can begin our exploration of what these mean in our lives and in our role in the world. We all have the Divine-given abilities to repair our wounds and misguided thinking. Through meditation and energy work like Reiki, we can learn to quiet the mind of negative chatter and learn to find that place within where we are sure of God's love and guidance.

In the Light of What We Know Zia Haider Rahman 2014-04-22 A bold, epic debut novel set during the war and financial crisis that defined the beginning of our century One September morning in 2008, an investment banker approaching forty, his career in collapse and his marriage unraveling, receives a surprise visitor at his West London townhouse. In the disheveled figure of a South Asian male carrying a backpack, the banker recognizes a long-lost friend, a mathematics prodigy who disappeared years earlier under mysterious circumstances. The friend has resurfaced to make a confession of unsettling power. In the Light of What We Know takes us on a journey of exhilarating scope--from Kabul to London, New York, Islamabad, Oxford, and Princeton--and explores the great questions of love, belonging, science, and war. It is an age-old story: the friendship of two men and the betrayal of one by the other. The visitor, a man desperate to climb clear of his wrong beginnings, seeks atonement; and the narrator sets out to tell his friend's story but finds himself at the limits of what he can know about the world--and, ultimately, himself. It may take some time to figure this out, as you hear voices from nowhere, or see shadows lurking around with no explanation, maybe there are spirits that didn't cross over or lost. In this book many questions will be answered. What happens the moment we die? Is there a light? Are angels and demons real? Is Lucifer real, can he appear? Of the guests that were in my house, I have collected their stories all of over 70 spirits, explaining exactly how they died and their personal experience, age, name, and year that they passed on. I also interviewed demons, angels, and yes, Lucifer, all real true stories, that I am sure you would love to read. This is a must read book that you just can't avoid to pick up.

When they bought the land, they didn't realize that the farm next door to them was occupied by a group of pagans who had come to the area in order to be near Serpent Mound, which they believe is a vortex. The farm, called The Garden of

Eden by its serpent worshipping inhabitants, is host to beliefs such as Wicca, Celtic, Atheist, and Native American; all grouped under a pagan banner. The farm is located in a longtime Christian Farming Community which has recently had an influx of Amish residents as well. It would seem they are heading for a culture clash. When Anne Baxter, the leader of the group is found murdered there are many suspects in this diverse community where she'd made many enemies and seemingly no friends. When suspicion falls on the Morgan family, on whose land the body is found, Silver feels she must help investigate in order to remove the cloud over her family's head. She sets out to learn all the local gossip so she can pass it on to the Sheriff who is investigating the murder. However, her snooping has riled up someone who has her in his/her sights, considering her a threat. This is a Who Dunit set in a small community. A Walk Between the Clouds Patricia A. Leffingwell 2011-01-19 Patricia Leffingwell, a high school reading teacher in Florida, received an ominous message from a prominent psychic medium. This message threw her life off track, and Leffingwell soon found herself propelled into an incredible, self-revealing spiritual and paranormal odyssey. Through difficult trials leading up to and following her spiritual awakening, Leffingwell became aware of her own psychic abilities. We are all born with them, but these abilities are often blamed on overactive childhood imaginations. We thwart our own connection to the other world, but this avoidance can easily become acceptance in adulthood if we open ourselves up to illumination. A Walk between the Clouds: Messages from

the Other Side is an adventurous and enlightening memoir, in which Leffingwell shares her own other-worldly encounters and teaches you how to keep your own psychic journal. Once you realize there are no coincidences, you will be open to seeing the psychic phenomenon in your own life and in doing so, you will feel fulfilled, informed, and divinely peaceful.

Cast a Cold Eye Derryl Murphy 2009-11-10 "A genuinely spooky story that lies somewhere near the place where fantasy, horror, and science fiction meet." —Harry Turtledove From Aurora and Sunburst Award nominee Derryl Murphy and Hugo and Nebula Award nominee William Shunn comes a chilling ghost story set in the aftermath of the worst pandemic the world has ever known. 1921. Rural Nebraska. In a region devastated by Spanish flu, where not a single life has gone unscathed by tragedy, 15-year-old Luke Bryant has lost more than most. Orphaned, Luke toils as a farmhand for his strict uncle and aunt, barely recalling a world not gray, deadening, and oppressive. Worse, he can't so much as visit the graves of his parents without the statues in the cemetery opening their stony eyes and watching his every move. Enter Annabelle Tupper, itinerant spirit photographer. Half-blinded by the chemicals of her trade, she travels the countryside in pursuit of the ghost of her dead husband. When a local pastor arranges for Annabelle to take on the boy as an apprentice, both find their every belief turned upside-down. For Annabelle, eking out a bare living while trying not to be run out of town as a charlatan, Luke represents a power she can only dream of. But for Luke—reluctant, resentful, and increasingly violent—the older woman stands for every nightmare that haunts his waking hours. As more and more restless spirits converge on the unblinking eye of Annabelle's camera, Luke's only hope for peace will be to confront the most terrifying specters of all—the ones he carries inside. "An archetypal American myth. . . . Any fantasy of a certain ambition set in the American Midwest in the late 19th through early 20th centuries must reckon with The Wonderful Wizard of Oz, book and movie both, and Shunn & Murphy do so squarely. . . . Their depiction of 1921 Nebraska is vivid . . . but the real heart of the novella lies in the relationship between Luke and Annabelle, two strong but damaged characters who share an eerie bond." —Paul Witcover, Locus Magazine "Characterization is spot on, with no one who can be considered either evil or a criminal, just ordinary men and woman with all the flaws and virtues that implies. . . . I thoroughly enjoyed this book and recommend it without reservation."

—Peter Tennant, Black Static "The authors know how to tell a story. They have good narrative drive, they deliver strong characterization without a lot of exposition, and the supernatural elements of the story are inventive, building one upon the other. . . . Cast a Cold Eye is one of those stories that work on many levels. I've reread the manuscript a few times since I first received it, and every time I do, I find another layer waiting for me. It's past time for you to discover its treasures for yourself." —Charles de Lint "After reading Derryl Murphy and William Shunn's Cast a Cold Eye, I felt as if I had just awakened from a lucid dream . . . as if I had just experienced their protagonist's psychic adventure into deepening horror as my own. This is a book constructed with craft, sensitivity, and resounding talent. I have but one caveat: don't start reading this book if you have other things to do. Murphy and Shunn are plotmeisters. Once you start reading, you won't stop until you've finished the book. And then you'll need to think about what the hell just happened!" —Jack Dann "Cast a Cold Eye . . . creates a fantastically interplay between the growth throes of a young man in [1921] Nebraska and L. Frank Baum's Dorothy." —John Clute, The Encyclopedia of Science Fiction
