Letter to Poetry Tom Mandel 2022-01-15 Tom Mandel Writes Letter to Poetry In Letter to Poetry, Tom Mandel finds both Rhyme and Reason under the hood of his Coupe de Ville. Rhyme is sometimes played for winks and Reason cloaked in gentle humor ("Maybe more hot air would make it / safe to cross the brink of this thin ice?"), but the undertones are stoic, Talmudic, and wise. Poetry offers Mandel a vast formal, historical, and even autobiographical toolkit. When he writes that a metaphor is "like a noun no longer / used on that occasion," his words are both wistful and transporting. Poetry was built to perform this task.--Jean Day It seems entirely right that Tom Mandel's LETTER TO POETRY should have been occasioned, in part, by his purposive misremembering of a remark made by Harry Mathews. A dark European stripe runs through the work of both writers, and perhaps only they would contrive to chance upon a ripe clinamen in the Florida Keys. But was the letter answered, the reader inquires? Hell--was it ever! The beguilingly odd works visited upon our correspondent evince a rich, comedic music shot through with moments of stark poignance and reflective beauty. Tom Mandel is here to fold you into a rhyme; the note on his door reads, "I'll be back in no time."--Miles Champion

Lyric In Its Times John Wilkinson 2019-06-27 In this important new intervention, leading poet and critic John Wilkinson explores the material life of the lyric poem. How does the lyric - considered as an object, as an event - grapple with permanence and impermanence, the rhythms of change and the passing of time? Drawing on new insights from contemporary philosophy and object-oriented ontology, psychoanalysis and the visual arts, *The Lyric in Its Times* includes innovative and insightful new readings of work by a wide range of lyric poets, from Shakespeare, Blake and Shelley to Charles Baudelaire, Frank O'Hara and J.H. Prynne.

A Companion to Twentieth-Century Poetry Neil Roberts 2008-06-09

In the twentieth century more people spoke English and more people wrote poetry than in the whole of previous history, and this Companion strives to make sense of this crowded poetical era. The original contributions by leading international scholars and practising poets were written as the contributors adjusted to the idea that the possibilities of twentieth-century poetry were exhausted and finite. However, the volume also looks forward to the poetry and readings that the new century will bring. The Companion embraces the extraordinary development of poetry over the century in twenty English-speaking countries; a century which began with a bipolar transatlantic connection in modernism and ended with the decentred heterogeneity of post-colonialism. Representation of the 'canonical' and the 'marginal' is therefore balanced, including the full integration of women poets and feminist approaches and the in-depth treatment of post-colonial poets from various national traditions. Discussion of context, intertextualities and formal approaches illustrates the increasing self-consciousness and self-reflexivity of the period, whilst a 'Readings' section offers new readings of key selected texts. The volume as a whole offers critical and contextual coverage of the full range of English-language poetry in the last century.

Alternative Versions Joy Boughton 2013-11-14 Overview coming soon.

The PIP Anthology of World Poetry of the 20th Century Douglas Messerli 2000 The second volume in the ongoing Green Integer series of 20th century poetry.

Translating Tradition Benjamin Hollander 1988

Edinburgh Companion to Anthony Trollope Frederik Van Dam

2018-11-14 Explores the many ways in which Anthony Trollope is being read in the twenty-first century Since the turn of the century, the Victorian novelist Anthony Trollope has become a central figure in the critical understanding of Victorian literature. By bringing together leading Victorianists with a wide range of interests, this innovative collection of essays involves the reader in new approaches to Trollope's work. The contributors to this volume highlight dimensions that have hitherto received only scant attention and in doing so they aim to draw on the aesthetic capabilities of Trollope's twenty-first-century readers. Instead of reading Trollope's novels as manifestations of social theory, they aim to foster an engagement with a far more broadly theorised literary culture. Key Features: The most innovative collection of original essays on Anthony Trollope to date Enables the reader to see the direction of Trollope studies and Victorian studies in the twenty-first century Situates Trollope's work in newly emerging critical contexts, such as media networks and economics Makes use of pioneering developments in stylistics, ethics, epistemology, and reception history

From Outlaw to Classic Alan Golding 2009-08-26 From Outlaw to Classic presents a sweeping history of the forces that have shaped, and continue to shape, the American poetry canon. Students, scholars, critics, and poets will welcome this enlightening and impressively documented book. Recent writings by critics and theorists on literary canons have dealt almost exclusively with prose; Alan Golding shows that, like all canons, those of American poetry are characterized by conflict. Choosing a series of varied but representative instances, he analyzes battles and contentions among poets, anthologists, poetry magazine editors, and schools of thought in university English departments. The chapters: • present a history of American poetry anthologies • compare competing models of canon-formation, the aesthetic (poet-centered) and the institutional (critic-centered) • discuss the influence of the New Critics, emphasizing their status as practicing poets, their anti-nationalist reading of American poetry, and the landmark textbook, *Understanding Poetry* by Cleanth Brooks and Robert Penn Warren • examine the canonizing effects of an experimental "little magazine," *Origin* • trace how the Language poets address, in both their theory and their method, the canonizing institutions and canonical assumptions of the age.

Light While There Is Light Keith Waldrop 2013-03-05 One of the unheralded masterpieces of twentieth-century American fiction, *Light While There Is Light* is acclaimed poet Keith Waldrop's autobiographical novel about the myriad ghosts left behind by his family. Born to a deeply religious mother, the narrator and his siblings are led across the US as she searches for the "right" religious sect—a trip that ends with her speaking in tongues, and finally her total isolation. But no synopsis can do justice to the beauty of Keith Waldrop's measured, wise, and unembroidered prose, illuminating the fear, madness, and destruction within hearth and home—though never repudiating his love for same. In a tradition that stretches back through Flannery O'Connor and William Faulkner to Hawthorne, Melville, and Poe, Keith Waldrop and *Light*

While There Is Light are American treasures.

Prospect of Release Tom Mandel 1996

Ethics and Politics in Modern American Poetry John Wrighton

2012-06-25 From the Objectivists to e-poetry, this thoughtful and innovative book explores the dynamic relationship between the ethical imperative and poetic practice, revitalizing the study of the most prominent post-war American poets in a fresh, provocative way. Contributing to the "turn to ethics" in literary studies, the book begins with Emmanuel Levinas' philosophy, proposing that his reorientation of ontology and ethics demands a social responsibility. In poetic practice this responsibility for the other, it is argued, is both responsive to the traumatized semiotics of our shared language and directed towards an emancipatory social activism. Individual chapters deal with Charles Olson's *The Maximus Poems* (including reproductions of previously unpublished archive material), Gary Snyder's environmental poetry, Allen Ginsberg's Beat poetics, Jerome Rothenberg's ethnopoetics, and Bruce Andrew's Language poetry. Following the book's chronological and contextual approach, their work is situated within a constellation of poetic schools and movements, and in relation to the shifting socio-political conditions of post-war America. In its redefinition and extension of the key notion of "poethics" and, as guide to the development of experimental work in modern American poetry, this book will interest and appeal to a wide audience.

Burning Deck 1965

Realism Tom Mandel 1991 Poetry. "The world, as refracted through the lens of Tom Mandel's poetry, takes on the singularity of a new kind of order. His voice is fresh, astringent and altogether compelling. He is a dynamic presence" -John Ashbery.

Directory of American Poetry Books Poets House (Firm) 1993

The Oxford Handbook of Victorian Poetry Matthew Bevis 2013-10-31 'I am inclined to think that we want new forms . . . as well as thoughts', confessed Elizabeth Barrett to Robert Browning in 1845. The Oxford Handbook of Victorian Poetry provides a closely-read appreciation of the vibrancy and variety of Victorian poetic forms, and attends to poems as both shaped and shaping forces. The volume is divided into four main sections. The first section on 'Form' looks at a few central innovations and engagements—'Rhythm', 'Beat', 'Address', 'Rhyme', 'Diction', 'Syntax', and 'Story'. The second section, 'Literary Landscapes', examines the traditions and writers (from classical times to the present day) that influence and take their bearings from Victorian poets. The third section provides 'Readings' of twenty-three poets by concentrating on particular poems or collections of poems, offering focused, nuanced engagements with the pleasures and challenges offered by particular styles of thinking and writing. The final section, 'The Place of Poetry', conceives and explores 'place' in a range of ways in order to situate Victorian poetry within broader contexts and discussions: the places in which poems were encountered; the poetic representation and embodiment of various sites and spaces; the location of the 'Victorian' alongside other territories and nationalities; and debates about the place - and displacement - of poetry in Victorian society. This Handbook is designed to be not only an essential resource for those interested in Victorian poetry and poetics, but also a landmark publication—provocative, seminal volume that will offer a lasting contribution to future studies in the area.

Little Book of Liverpool Alex Tulloch 2011-10-01 The Little Book of Liverpool is a funny, fast-paced, fact-packed compendium of the sort of frivolous, fantastic or simply strange information which no-one will want to be without. Here we find out about the most unusual crimes and punishments, eccentric inhabitants, famous sons and daughters and literally hundreds of wacky facts. Alex Tulloch's new book gathers together a myriad of data on this historic city. There are lots of factual chapters but also plenty of frivolous details which will amuse and surprise. A reference book and a quirky guide, this can be dipped in to time and time again to reveal something you never knew. For instance, did you know that the clock on the Liver Buildings was started at the precise moment that King George V was crowned on 22 June 1911? Thought not. A remarkably engaging little book, this is essential reading for visitors and locals alike.

Encyclopedia of the New York School Poets Terence Diggory 2015-04-22 Presents an alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early twentieth century.

The Last Avant-Garde David Lehman 1999-11-09 A landmark work of cultural history that tells the story of how four young poets, John Ashbery, Frank O'Hara, James Schuyler, and Kenneth Koch, reinvented literature and turned New York into the art capital of the world.

Greenwich Village, New York, circa 1951. Every night, at a rundown tavern with a magnificent bar called the Cedar Tavern, an extraordinary group of painters, writers, poets, and hangers-on arrive to drink, argue, tell jokes, fight, start affairs, and bang out a powerful new aesthetic. Their style is playful, irreverent, tradition-shattering, and brilliant. Out of these friendships, and these conversations, will come the works of art and poetry that will define New York City as the capital of world culture--abstract expressionism and the New York School of Poetry. A richly detailed portrait of one of the great movements in American arts and letters, *The Last Avant-Garde* covers the years 1948-1966 and focuses on four fast friends--the poets Frank O'Hara, James Schuyler, John Ashbery, and Kenneth Koch. Lehman brings to vivid life the extraordinary creative ferment of the time and place, the relationship of great friendship to art, and the powerful influence that a group of visual artists--especially Jane Freilicher, Larry Rivers, and Fairfield Porter--had on the literary efforts of the New York School. *The Last Avant-Garde* is both a definitive and lively view of a quintessentially American aesthetic and an exploration of the dynamics of creativity.

The Marginalization of Poetry Bob Perelman 2021-02-09 Language writing, the most controversial avant-garde movement in contemporary American poetry, appeals strongly to writers and readers interested in the politics of postmodernism and in iconoclastic poetic form. Drawing on materials from popular culture, avoiding the standard stylistic indications of poetic lyricism, and using nonsequential sentences are some of the ways in which language writers make poetry a more open and participatory process for the readers. Reading this kind of writing, however, may not come easily in a culture where poetry is treated as property of a special class. It is this barrier that Bob Perelman seeks to break down in this fascinating and comprehensive account of the language writing movement. A leading language writer himself, Perelman offers insights into the history of the movement and discusses the political and theoretical implications of the writing. He provides detailed readings of work by Lyn Hejinian, Ron Silliman, and Charles Bernstein, among many others, and compares it to a wide range of other contemporary and modern American poetry. A variety of issues are addressed in the following chapters: "The Marginalization of Poetry," "Language Writing and Literary History," "Here and Now on Paper," "Parataxis and Narrative: The New Sentence in Theory and Practice," "Write the Power," "Building a More Powerful Vocabulary: Bruce Andrews and the World (Trade Center)," "This Page Is My Page, This Page Is Your Page: Gender and Mapping," "An Alphabet of Literary Criticism," and "A False Account of Talking with Frank O'Hara and Roland Barthes in Philadelphia."

Romantic Writings Stephen Bygrave 2017-09-29 Romantic Writings is an ideal introduction to the cultural phenomenon of Romanticism - one of the most important European literary movements and the cradle of 'Modern' culture. Here you will find an accessible introduction to the well-known male Romantic writers - Blake, Wordsworth, Coleridge, Byron, Shelley and Keats. Alongside are chapters dealing with poems by Charlotte Smith, Mary Robinson, Ann Barbauld, Elizabeth Barrett Browning which challenge the idea that these men are the only Romantic writers. As a further counterpoint the book also includes discussion of two German Romantic short stories by Kleist and Hoffman. Throughout, close-reading of texts is matched by an insistence on reading them in their historical context. Romantic Writings offers invaluable discussions of issues such as the notion of the Romantic artist; colonialism and the exotic; and the particular situation of women writers and readers.

American Women Poets in the 21st Century Claudia Rankine 2013-10-01 Poetry in America is flourishing in this new millennium and asking serious questions of itself: Is writing marked by gender and if so, how? What does it mean to be experimental? How can lyric forms be authentic? This volume builds on the energetic tensions inherent in these questions, focusing on ten major American women poets whose collective work shows an incredible range of poetic practice. Each section of the book is devoted to a single poet and contains new poems; a brief "statement of poetics" by the poet herself in which she explores the forces — personal, aesthetic, political — informing her creative work; a critical essay on the poet's work; a biographical statement; and a bibliography listing works by and about the poet. Underscoring the dynamic give and take between poets and the culture at large, this anthology is indispensable for anyone interested in poetry, gender and the creative process. CONTRIBUTORS: Rae Armantrout, Mei-mei Berssenbrugge, Lucie Brock Broido, Jorie Graham, Barbara Guest, Lyn Hejinian, Brenda Hillman, Susan Howe, Ann Lauterbach, Harryette Mullen.

Avec 1991

The Collected Poems of Barbara Guest Barbara Guest 2013-09-01 Winner of the SFSU Poetry Center Book Award (2010) One of the most notable members of the New York School—and its best-known woman—Barbara Guest began writing poetry in the 1950s in company that included John Ashbery, Kenneth Koch, Frank O'Hara, and James Schuyler. And from the beginning, her practice placed her at the vanguard of American writing. Guest's poetry, saturated in the visual arts, extended the formal experiments of modernism, and played the abstract qualities of language against its sensuousness and materiality. Now, for the first time, all of her published poems have been brought together in one volume, offering readers and scholars unprecedented access to Guest's remarkable visionary work. This Collected Poems moves from her early New York School years through her more abstract later work, including some final poems never before published. Switching effortlessly from the real to the dreamlike, the observed to the imagined, this is poetry both gentle and piercing—seemingly simple, but truly and beautifully dislocating.

Pictures of Poverty Lydia Jakobs 2021-10-26 From Charles Dickens's *Oliver Twist* to George Sims's *How the Poor Live*, illustrated accounts of poverty were en vogue in Victorian Britain. Poverty was also a popular subject on the screen, whether in dramatic retellings of well-known stories or in 'documentary' photographs taken in the slums. London and its street life were the preferred setting for George Robert Sims's rousing ballads and the numerous magic lantern slide series and silent films based on them. Sims was a popular journalist and dramatist, whose articles, short stories, theatre plays and ballads discussed overcrowding, drunkenness, prostitution and child poverty in dramatic and heroic episodes from the lives and deaths of the poor. Richly illustrated and drawing from many previously unknown sources, *Pictures of Poverty* is a comprehensive account of the representation of poverty throughout the Victorian period, whether disseminated in newspapers, illustrated books and lectures, presented on the theatre stage or projected on the screen in magic lantern and film performances. Detailed case studies reveal the intermedial context of these popular pictures of poverty and their mobility across genres. With versatile author George R. Sims as the starting point, this study explores the influence of visual media in historical discourses about poverty and the highly controversial role of the Victorian state in poor relief.

Review of Contemporary Fiction John O'Brien 2003-01-08 Joseph Dewey, "Rick Moody" Brian Evenson & Joanna Howard, "Ann Quin" Zachary Hammerman, Ed., "Casebook Study of Silas Flannery" TO 1992

Leaving Lines of Gender Ann Vickery 2000 The most significant contribution to the literary history of Language writing to date.
