**Lift as You Climb** Patricia Hruby Powell  
2020-06-09 Learn about the civil rights activist Ella Baker in this inspiring picture book from Sibert Honor winner Patricia Hruby Powell and Caldecott Honor winner R. Gregory Christie. "What do you hope to accomplish?" asked Ella Baker's granddaddy when she was still a child. Her mother provided the answer: "Lift as you climb." Long before the civil rights movement of the 1950s and 60s, Ella Baker worked to lift others up by fighting racial injustice and empowering poor African Americans to stand up for their rights. Her dedication and grassroots work in many communities made her a valuable ally for leaders like Dr. Martin Luther King Jr., and she has been ranked as one of the most influential women in the civil rights movement. In the 1960s she worked to register voters and organize sit-ins, and she became a teacher and mentor to many young activists. Caldecott Honor winner R. Gregory Christie's powerful pictures pair with Patricia Hruby Powell's poignant words to paint a vivid portrait of the fight for the freedom of the human spirit.

**Love Me Tender** Ally Blake 2015-10-12 It was love at first sight... When her Papa loses his job, indomitable Serafina Scott insists it's her turn to take care of him - meaning landing a well-paying job...and fast. Which is how she ends up working for the Cinderella Project, a high-end matchmaking business, even though she's certainly no expert on affairs of the heart. Until she meets Murdoch, the gruff builder restoring her extravagant new work place. He's inscrutable, infuriating, and gorgeous... Convincing them was a whole other matter. Murdoch finds Sera confounding...and luminous. But beneath her firecracker exterior, she is dangerously soft-hearted, and the last thing she needs is a broken brute like him. While Sera does her best to convince Murdoch that they are a match made in heaven, Murdoch makes it his mission to prove her wrong. Will it come down to who's the most convincing...or who's most willing to be convinced?

*Love Does* Bob Goff 2012 Recounts lessons the author learned through taking on challenging and unique opportunities, offering commentary on the inherent compatibility of adventure and the Christian life as well as love's ability to encourage and inspire action.

**The Moment of Lift** Melinda Gates 2019-04-23

NEW YORK TIMES BESTSELLER "In her book, Melinda tells the stories of the inspiring people she's met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace." — President Barack Obama "The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what's possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page." — Brené Brown, Ph.D., author of the New York Times #1 bestseller *Dare to Lead* "Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever." — Malala Yousafzai "Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms." — Tara Westover, author of the New York Times #1 bestseller *Educated* A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. "How can we summon a moment of lift for human beings - and especially for women? Because when you lift up women, you lift up humanity." For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she's learned from the inspiring people she's met during her work and travels around the world. As she writes in the introduction, "That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live." Melinda's unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and

the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

**Babies Love: Animals** Cottage Door Press 2019-01-23 This chunky board book has especially thick flaps for baby to grasp and lift. See and say the names of animals and their babies. Simple sentences reinforce future language structure. Illustrations include patterns and details to hold baby's attention.

**The Hero's Body: A Memoir** William Giraldi 2016-08-09 A memoir of motorcycles and muscles, of obsession and grief, and of a young man who learned how to stay alive through literature. At just forty-seven years old, William Giraldi's father was killed in a horrific motorcycle crash while racing on a country road. This tragedy, which forever altered the young Giraldi and devastated his family, provides the pulse for *The Hero's Body*. In the tradition of Andre Dubus III's *Townie*, this is a deep-seeing investigation into two generations of men from the working-class town of Manville, New Jersey, including Giraldi's own forays into obsessive bodybuilding as a teenager desperate to be worthy of his family's pitiless, exacting codes of manhood. Lauded by *The New Yorker* for his "unrelenting, perfectly paced prose," Giraldi writes here with daring, searing honesty about the fragility and might of the American male. An unflinching memoir of luminous sorrow, a son's tale of a lost father and the ancient family strictures of extreme masculinity, *The Hero's Body* is a work of lasting beauty by one of our most fearless writers.

**Babies Love: First Words** Cottage Door Press 2019-01-23 This chunky board book has especially thick flaps for baby to grasp and lift. See and say the names of animals and their babies. Simple sentences reinforce future language structure. Illustrations include patterns and details to hold baby's attention.

**Lift** Minh Lê 2020-05-05 From the award-winning and bestselling creators of *Drawn Together* comes the fantastic tale of a magical elevator that will lift your spirits--and press all the right buttons! Iris loves to push the elevator buttons in her apartment building, but when it's time to share the fun with a new member of the family, she's pretty put out. That is, until the sudden appearance of a mysterious new button opens up entire realms of possibility, places where she can escape and explore on her own. But when she's forced to choose between going at it alone or letting her little brother tag along, Iris finds that sharing a discovery with the people you love can be the most wonderful experience of all. Using their dynamic comics-

inspired storytelling, acclaimed author Minh Lê and Caldecott Medal-winning artist Dan Santat carry readers on a journey of ups, downs, and twists and turns that will send hearts--and imaginations--soaring. \*"Beautiful" ---School Library Journal, starred review \*"Dazzling"---Publishers Weekly, starred review \*"Delightful"---School Library Connection, starred review \*"Immersive"---Booklist, starred review \*"Inspired"---Kirkus Reviews, starred review

**Ignite Me** Tahereh Mafi 2014-02-04 The heart-stopping third installment in the New York Times bestselling Shatter Me series, which Ransom Riggs, author of *Miss Peregrine's Home for Peculiar Children* and *Hollow City*, called "a thrilling, high-stakes saga of self-discovery and forbidden love." With Omega Point destroyed, Juliette doesn't know if the rebels, her friends, or even Adam are alive. But that won't keep her from trying to take down The Reestablishment once and for all. Now she must rely on Warner, the handsome commander of Sector 45. The one person she never thought she could trust. The same person who saved her life. He promises to help Juliette master her powers and save their dying world . . . but that's not all he wants with her. The Shatter Me series is perfect for fans who crave action-packed young adult novels with tantalizing romance like *Divergent* by Veronica

Roth, *The Hunger Games* by Suzanne Collins, and *Legend* by Marie Lu. Tahereh Mafi has created a captivating and original story that combines the best of dystopian and paranormal and was praised by Publishers Weekly as "a gripping read from an author who's not afraid to take risks." Don't miss *Defy Me*, the shocking fifth book in the Shatter Me series!

[The Spanish Love Deception](#) Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

**Love, Lust, Life, and Lift** Eduardo Jackson 2011-03 "Love, Lust, Life, and Lift" is Jackson's enlightening compilation of poems and shorts--a must for all who live and love.

[Lift](#) Kelly Corrigan 2010-03-02 No matter when and why this comes to your hands, I want to put down on paper how things started with us. Written as a letter to her children, Kelly

Corrigan's Lift is a tender, intimate, and robust portrait of risk and love; a touchstone for anyone who wants to live more fully. In Lift, Corrigan weaves together three true and unforgettable stories of adults willing to experience emotional hazards in exchange for the gratifications of raising children. Lift takes its name from hang gliding, a pursuit that requires flying directly into rough air, because turbulence saves a glider from "sinking out." For Corrigan, this wisdom--that to fly requires chaotic, sometimes even violent passages--becomes a metaphor for all of life's most meaningful endeavors, particularly the great flight that is parenting. Corrigan serves it up straight--how mundanely and fiercely her children have been loved, how close most lives occasionally come to disaster, and how often we fall short as mothers and fathers. Lift is for everyone who has been caught off guard by the pace and vulnerability of raising children, to remind us that our work is important and our time limited. Like Anne Morrow Lindbergh's *Gift from the Sea*, Lift is a meditation on the complexities of a woman's life, and like Corrigan's memoir, *The Middle Place*, Lift is boisterous and generous, a book readers can't wait to share.

**Love Lift Me Higher** Dorothy Marcic 2009  
*Little Blue Boat* Ginger Swift 2016 Lift the flaps to explore the ocean with *Little Blue Boat*. Introduces ocean animals, encourages use of fine motor skills, entertains with exploration & surprise.
