*The Heartache No One Sees*  
Sheila Walsh 2007-05-13 Do you belong to the "silent community of the broken," hiding your pain under a veneer of busyness and perfection? Sheila Walsh, best-selling author, popular Women of Faith® speaker, and gifted recording artist, has a God-given passion for reaching out to women who are privately carrying around broken hearts.

she knows what they are going through because she used to be one of them. Are you lonely but too ashamed to open up? Are you a victim of well-meaning friends who have told you to get over it? Have you tried to heal yourself, to tidy up your pain with a quick fix? Is there a voice inside you saying that you will never change, that you are not worthy of God's love, that you will always be stuck as you are right now? In The

Heartache No One Sees, Sheila shows you why some people are able to access and maintain an absolute hope that cannot be shaken?while others lose it like the morning mist. You're invited to join her on a prayer-filled, God-seeking journey to understand how to live in this world, with all its potential for hurt, pain, and fear, and still experience a deep healing that you are able to hold on to, no matter what life throws at you.

Faith distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion. It shows how unbalanced ministries, misguided churches, and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair. Toxic Faith shows readers how to find hope for a return to genuine, healthy faith that can add meaning to life. In the words of the author, "I want to help you throw out that toxic faith and bring you back to the real thing."

2023-04-25 That prayers are answered nearly all the human race believe. But the subject has been beclouded and often made ridiculous by inconsistent superstitions. This book is a modest attempt to clear up some of the errors. Its record is as accurate as impartial observation can make it. God is not bribed. Laziness cannot bargain with him. But the prayers of the righteous and of

repentant sinners availeth much. Desired ends are gained by prayer which cannot be gained by any other method. The daily experiences of devout persons establish that fact conclusively. The reasons and the methods which produce the results seem hidden, and they often bewilder the investigator. God's thoughts are far above our thoughts. But we can trust our daily experience far enough to retain our confidence in the potency of prayer. It is, therefore, a profitable and comforting study.

heal? And how do we catch ourselves from slipping into the trap of seeking God for what he can do for us, and not for who he really is? Author, pastor, and frequently sought speaker Costi Hinn provides clarity through thoughtful answers and biblical truths about Jesus and his healing ministry. Growing up immersed in one of the world's leading faith-healing dynasties, Costi witnessed the tragedy of people chasing after healing more than the Healer. And now he shares with others the true power and hope that comes from a genuine relationship with God. With captivating stories--beginning with the vivid memory of the night he discovered his son's cancer diagnosis--Costi empathetically unpacks the layered feelings and questions we have about God and his healing power and provides practical principles for growing close to Jesus. With gentle clarity and biblical wisdom, Costi explains how to pray for healing while submitting to God's sovereignty, navigate tough

conversations about the topic, and hold on to faith even in the most painful trials. More than chasing after the Jesus we want, this hopeful and encouraging book will guide us to discovering the Jesus we truly need.

*Behind the Scenes: The True Face of the Fake Faith Healers*  
Yves A. Brault 2003-08-01

SYNOPSIS Behind The Scenes is a startling examination of the fraud and deceit present in some of the most popular charismatic ministries. Yves Brault gained this knowledge first-hand when he and his family attended Benny Hinn's church in Orlando Florida. Unexpectedly, he discovered the real source of Hinn's healing power; mesmerism. This book explains mesmerism, how it is used and exposes its practitioners-Benny Hinn, Kathryn Kuhlman, Rodeny-Howard Browne. The book also exposes a number of popular preachers such as Morris Cerullo, Roberts Leardon and John Avanzini. Finally it examines the School of Prophets whose main

proponents are Bill Hamon, Cathy Lechner and Randi Lechner. The book reveals how it really goes on "Behind the Scenes" and also discloses the true face of those so-called "men of God." It is a must for those who have been hurt, a red flag for those who are involved in these movements, and a road map for those who think they'll never get caught. REVIEW "One of the most revealing books I've read concerning the corruption among televangelists, faith healers, and revivalists." Christian Liberty "This book is about the most important current controversy in the North American scene, the status of the Charismatic movement. The evidence which Brault presents that the actual purpose of the Charismatic movement is to separate bills from billfolds, is extremely persuasive." Robert O. theologians, pastors, and evangelists some questions arise: What is the relationship between physical healing and the message of salvation? Should the church really expect God to do healings in evangelization today? Father Thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the New Testament. The gospel of Jesus Christ is not simply a message of fact; it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached: salvation. As signs of the kingdom, healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the New Testament. The result of this biblical study is a clarion call for the church to renew its faith in God's desire and power to confirm his word through healing. As healing becomes more accepted and frequent in evangelization, a Catholic biblical and theological

approach to healing as it relates to evangelization—an approach that can be different from its Protestant counterpart—is necessary. This modest book fits this need.

Healed by the Grace of God is a practical guide of how to open up to the true power of God's healing grace: a must read for all who seek healing or wish to lead happier, holier and more peace-filled lives. It starts with the basics of life and faith, and builds on this with processes and suggestions that are sure to inspire and bring hope to the hopeless. It affirms that God is truly alive, and that His saving power and mercy are open to all who seek them, right now. It contains all that has helped the author to heal and transform his life. In areas where psychiatrists and psychologists could not help, or simply held no hope for success, he found hope and help in the Lord.

### **When God & Cancer Meet**

Lynn Eib 2002 A book of powerful stories about cancer patients and their families who have been touched by God in miraculous ways—some in their bodies, others in their minds, all in their spirits—offers inspiring testimony that, when God and cancer meet, cancer is conquered. The author, herself a cancer survivor, gives us a

behind-the-scenes glimpse of 18 personal encounters with God. Here's what others are saying about When God & Cancer Meet: “Lynn has captured the essence of hope in this book; captured hope in ways that I have always taught in my professional world as well as in my spiritual community. This book is a treasure to those who struggle with the fears of cancer and I want to keep it close at hand for those reasons.” —Judy Lentz, RN, MSN, OCN, NHA Executive Director, Hospice and Palliative Nurses Association “I co-lead a cancer support group at my church, and we have been looking for “just the right book” to study and discuss. Guess what?! Lyn wrote it! I was truly touched by all the stories; of course being a cancer-survivor myself, I saw myself in one of the stories, as if Lyn were writing my own personal story. I was truly impressed with the way she incorporated scripture, and God's viewpoint into every story. I think that is of utmost importance for anyone facing

this disease. Lyn's book is "Real-Life"; some quickly are healed of the cancer, some deal with it over a prolonged period, some deal with recurrences, some, mercifully, die rather quickly. I share Lyn's belief that GOD sometimes chooses to heal in different ways: physically, emotionally and spiritually. In the process of surviving a primary brain tumor, surgery, Chemo, and radiation, I gave my life to Christ, realizing that my physical health was not GOD's main concern, my Spiritual health was the biggest victim of a disease that needed attention and this was the way He FINALLY got my attention. Lyn's book alludes to this fact in every one of her stories. In this day and age that we are living, where it is against the rules to even mention GOD ( unless we mention His name in vain) it is refreshing to have a book written, praising Him for His care and concern for us; written by a woman who has experienced the disease firsthand, and continues to minister to others with cancer,

and to work for a Doctor! who isn't ashamed of his Faith ! WOW!! Obviously, Lyn's book has my highest recommendation, and my support group will be purchasing multiple copies, and we plan to invite Lyn to speak with us. Lyn is a wonderful person, and I thank God for allowing our paths to cross. I'm sure this book will touch many lives, and give many a new perspective and hope with their cancer." —Chris Winand, cancer survivor

planet. To witness a miracle in your life, it takes surrendering to faith. That is what Author Lin Lin Loh, an atheist-turned-believer, did when she was diagnosed with Stage IV terminal bone cancer and given less than a year to live. She took a leap of faith, let go of all her doubts, and put Jesus in the driver's seat. The doctors may have lost all hope for her but not Jesus. This simple yet compelling autobiography chronicles a young woman's relationship with God and the manifestation of His love in her life. Lin Lin has struggled with cancer for years. Overcome under the strain of the disease that had scarred her youth, her body, her career opportunities, she reached out to Jesus in her darkest hour. God answered her call. Since then, everytime the disease has reared its ugly head, it has been beaten back down into submission - not once, not twice but five times!! From a medical perspective, she should be six feet under by now and yet she lives. In fact her body is getting stronger. Hers is a real-life miracle story,

one to inspire, restore faith, reaffirm trust in God. For believers and non-believers alike, this book is an invitation to know God better. It provides the tools to build a firm relationship with Him and to allow His love to work wonders in your life. It will answer many of your questions while brushing upon topics each and everyone of us can relate to. Written in an easy-going, conversational style this uplifting book is a testament that no problem is too big for God. Here is your chance to live the life you were meant to in love and peace, stress-free and pain-free. The miracle you've been waiting for is just a click away! Make your life matter.

to pass on to others. In the Name of God Cameron Stauth 2013-10-15 An anonymous caller tells a detective in a small Oregon town that a woman has just bitten off a man's finger. But the man is not the victim, the caller says. The woman is. She's being held against her will by a group of faith-healing fanatics who are trying to cure her depression with violent exorcisms. The detective rescues her, but she is afraid to press charges against the people in her church. Then the detective gets an even more ominous message: Children in the church have been dying mysteriously for years, and now several more are in immediate peril, facing blindness, disability, and death. Unwilling to stand by and allow more children to suffer, the anonymous caller -- a church insider -- risks everything to work with three detectives and a lone prosecutor to fight faith-based child abuse, and to change the laws that protect its perpetrators. They are joined by a mother who'd suffered a

faith-healing tragedy herself, and afterwards dedicated her life to saving others from the same fate. Masterfully written by author Cameron Stauth, In the Name of God tells the true story of their heroic mission, which resulted in a historic series of sensational trials that exposed the darkest secret of American fundamentalism, and revealed the shameful political deals that have allowed thousands of children to die at the hands of their own parents -- legally. Though the battle against faith-healing abuse continues around the country, the victory in Oregon has lit the path to a better future, in which no child need die because of a parent's beliefs. *A Book of Miracles* Dr. Bernie S. Scripture as well as from personal experience, in which the healing power of Jesus has become normative, Clark helps readers learn to: · walk in an atmosphere of effective healing ministry · navigate the balance between faith and expectation · pray with confidence · expect results every time Grasping these easy-to-understand principles from a biblical foundation will increase the likelihood of healing when you pray. Let the power of God work through you, your prayer group, or your church for the healing breakthrough promised to every believer.

**Faith Is Beautiful - a Real Life Story of Love, Miracle and Healing** Lin Lin Loh

2018-04-05 Miracles didn't just happen when Jesus walked the earth, they are happening even today... now, at this very moment, somewhere on this planet. To witness a miracle in your life, it takes surrendering to faith. That is what Author Lin Lin Loh, an atheist- turned-believer, did when she was diagnosed with Stage IV terminal bone cancer and given

less than a year to live. She took a leap of faith, let go of all her doubts, and put Jesus in the driver's seat. The doctors may have lost all hope for her but not Jesus. This simple yet compelling autobiography chronicles a young woman's relationship with God and the manifestation of His love in her life. Lin Lin has struggled with cancer for years. Overcome under the strain of the disease that had scarred her youth, her body, her career opportunities, she reached out to Jesus in her darkest hour. God answered her call. Since then, every time the disease has reared its ugly head, it has been beaten back down into submission - not once, not twice but five times!! From a medical perspective, she should be six feet under by now and yet she lives. In fact her body is getting stronger. Hers is a real-life miracle story, one to inspire, restore faith, reaffirm trust in God. For believers and non-believers alike, this book is an invitation to know God better. It provides the tools to build a firm relationship with Him and to

allow His love to work wonders in your life. It will answer many of your questions while brushing upon topics each and everyone of us can relate to. Written in an easy-going, conversational style this uplifting book is a testament that no problem is too big for God. Here is your chance to live the life you were meant to in love and peace, stress-free and pain-free. The miracle you've been waiting for is just a click away! Make your life matter.

**I Believe in Heaven** Cecil Murphey 2013-05-31 What is heaven like? When I die, will I go immediately to heaven? Will I see my loved ones there? Have you ever asked these questions? *The Real Faith* Charles Price  
2018-01-04 The mighty power of God-given faith! Dr. Charles S Price was a preacher of the gospel of Jesus Christ and a man that moved in signs and miracles. A doubter at first of the Pentecostal movement, Dr. Price ended being one of its mighty leaders after experiencing the power of the Holy Spirit first-hand. His meetings drew thousands of people and many of them were dramatically healed. He knew that the faith we needed could not come from man, but only from God. It is the faith of Jesus that moves mountains and heals the sick, and even a portion of that faith the size of a mustard seed is enough. The Real Faith goes into great detail about the wonder and

power of authentic God-given faith and how we may obtain it. Unlike many other teachers on healing, Dr. Price discusses many real-life situations of when people did not get healed when he first prayed for them, but then also how those same people later experienced the healing touch of Jesus Christ. May you be blessed as you read this book!

*Biblical Healing* T. L. Osborn  
2011 Biblical Healing is the Teacher's Handbook, the Believer's Textbook, the Sick Person's Guidebook, and the Needy Person's Miracle Book. These dynamics were first published in Java, 1954. Today this is the Osborn's most translated book. Thousands have been healed while reading the truths that are found in this book, Biblical Healing. This enlarged edition includes Our Four Vital Visions, a half-century of Our Miracle Witness, plus 324 linked Bible verses that comprise Christ's Healing ministry.
