Fun Inc. Tom Chatfield 2010-11-15 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Smart Money Michael Konik 2006-11-14 A riveting inside look at the lucrative world of professional high-stakes sports betting by a journalist who lived a secret life as a key operative in the world's most successful sports gambling ring. When journalist Michael Konik landed an interview with Rick "Big Daddy" Matthews, the largest bet he'd placed on a sporting event was \$200. Konik, an expert blackjack and poker player, was no stranger to Vegas. But Matthews was in a different league: the man was rumored to be the world's smartest sports bettor, the mastermind behind "the Brain Trust," a shadowy group of gamblers known for their expertise in beating the Vegas line. Konik had heard the word on the street -- that Matthews was a snake, a conniver who would do anything to gain an edge. But he was also brilliant, cunning, and charming. And when he asked Konik if he'd like to "make a little money" during the football season, the writer found himself seduced . . . So began Michael Konik's wild ride as an operative of the elite Brain Trust. In *The Smart Money*, Konik takes readers behind the veil of secrecy shrouding the most successful

sports betting operation in America, bypassing the myths and the rumors, going all the way to its innermost sanctum. He reveals how they -- and he -- got rich by beating the Vegas lines and, ultimately, the multimillion-dollar offshore betting circuit. He details the excesses and the betrayals, the horse-trading and the paranoia, that are the perks and perils of a lifestyle in which staking inordinate sums of money on the outcome of a single event -- sometimes as much as \$1 million on a football game -- is a normal part of doing business.

Scarne's complete guide to gambling John Scarne 1961

Bringing Down the House Ben Mezrich 2002-12-02 The #1 national bestseller, now a major motion picture, 21—the amazing inside story about a gambling ring of M.I.T. students who beat the system in Vegas—and lived to tell how. Robin Hood meets the Rat Pack when the best and the brightest of M.I.T.'s math students and engineers take up blackjack under the guidance of an eccentric mastermind. Their small blackjack club develops from an experiment in counting cards on M.I.T.'s campus into a ring of card savants with a system for playing large and winning big. In less than two years they take some of the world's most sophisticated casinos for more than three million dollars. But their success also brings with it the formidable ire of casino owners and launches them into the seedy underworld of corporate

Vegas with its private investigators and other violent heavies.

The Gambler's Pocket Book David Spanier 1980

Winning Craps: a Pocket Guide Michael Wehking 2018-04-26 Perhaps no casino game is as scintillating and sexy as craps. Its been around forever, is prominent in movies, and pays astronomical payouts, yet its not very well understood. I call it the in vogue game! Chicks dig it! Ill bring you out of the dark, and Ill teach you the ropes, train you to win, and help you live the glamour and glitz of a great craps player!

Behind the 8-ball Linda Berman 1992 Describes the symptoms of compulsive gambling, and recommends ways for the families of gamblers to persuade them to enter treatment, and to regain control over their own lives

The Pocket Idiot's Guide to Casino Comps David Apostolico 2007-12-04 Always a Winner! Before you lay down a lot of money at the tables and machines in casinos, you should also consider all of the freebies you can get from simply being there. Casinos give away over one billion dollars a year in free stuff to valued customers. From the high roller level of suites, meals and credit to the small time repeater gamblers with discounts on meals, transportation and shows, there are hundreds of ways to make a visit to the casino profitable-without spending a dime. Dave Apostolico, poker and gambling expert, explains how gamblers can get paid to play, which casinos have the best comps, inside rules that work to your advantage, the ideal games for comps, special promotions, discounts and credit.

Casino Magazine's Play Smart and Win

Victor H. Royer 1994 For the more than 50 million people who gamble each year in the U.S. but have no information about the games, an authority in recreational gambling provides this no-nonsense guide to the most popular casino games. Royer covers slot machines, blackjack, craps, baccarat, keno, and the newly popular video poker.

Millionaire Janet Gleeson 2001-02-21 On the death of France's most glorious king, Louis XIV, in 1715, few people benefited from the shift in power more than the intriguing financial genius from Edinburgh, John Law. Already notorious for killing a man in a duel and for acquiring a huge fortune from gambling, Law had proposed to the English monarch that a bank be established to issue paper money with the credit based on the value of land. But Queen Anne was not about to take advice from a gambler and felon. So, in exile in Paris, he convinced the bankrupt court of Louis XV of the value of his idea. Law soon engineered the revival of the French economy and found himself one of the most powerful men

in Europe. In August 1717, he founded the Mississippi Company, and the Court granted him the right to trade in France's vast territory in America. The shareholders in his new trading company made such enormous profits that the term "millionaire" was coined to describe them. Paris was soon in a frenzy of speculation, conspiracies, and insatiable consumption. Before this first boom-and-bust cycle was complete, markets throughout Europe crashed, the mob began calling for Law's head, and his visionary ideas about what money could do were abandoned and forgotten. In *Millionaire*, Janet Gleeson lucidly reconstructs this epic drama where fortunes were made and lost, paupers grew rich, and lords fell into penury -- and a modern fiscal philosophy was born. Her enthralling tragicomic tale reveals two great characters: John Law, with his complex personality and inscrutable motives, and money itself, whose true nature even to this day remains elusive.

How to Win at Gambling Avery Cardoza This new revised edition is easy-to-read book and packed with explanations that show beginning and experienced players the rules, bets, odds, and best winning strategies on more than 25 games and variations. Includes money management strategies. 400 pages

The Pocket Guide to Gambling David Spanier 1980

Casino Moscow Matthew Brzezinski 2002-07-09 After awakening from its long communist slumber, Russia in the 1990s was a place where everything and everyone was for sale, and fortunes could be made and lost overnight. Into this free-market maelstrom stepped rookie Wall Street Journal reporter Matthew Brzezinski, who was immediately pulled into the mad world of Russian capitalism -- where corrupt bankers and fast-talking American carpetbaggers presided over the biggest boom and bust in financial history. Brzezinski's adventures take him from the solid-gold bathroom fixtures of Moscow's elite, to the last stop on the Trans-Siberian

railway, where poverty-stricken citizens must buy water by the pail from the local crime lord, and back to civilization, to stumble into a drunken birthday bash for an ultra-nationalist politico. It's an irreverent, lurid, and hilarious account of one man's tumultuous trek through a capitalist market gone haywire -- and a nation whose uncertain future is marked by boundless hope and foreboding despair.

Scarne's New Complete Guide to Gambling

John Scarne 1986 The author presents the stories of lesser known inventors without whom such men as Fulton might not have become famous.

Winners Guide to Table Gaming: a Pocket Guide

Michael Wehking 2018-04-18 This is a solid pocket primer to get you ready to hit the floor running in today's casino table-gaming world. The Prop Pete Hautman 2007-11-01 National Book Award winner Pete Hautman delivers a fast-paced mystery set in the torrid, unforgiving Southwestern desert, where the stakes are sky high and all bets are off. Peeky Kane is a prop player at an Arizona casino owned by the Santa Cruz tribe. Her job is to play poker. She makes a handsome living off the suckers who populate the card room. Life is sweet. But something's not right at Casino Santa Cruz. When Peeky inadvertently finds herself in a fixed game and comes away a couple thousand dollars richer, she finds herself drawn unwittingly toward the dark side of professional poker. Peeky has always thought of herself as a straight shooter, but now things aren't so clear. And they're about to get a lot murkier. When a band of clown-masked robbers makes off with millions of the casino's dollars and leaves behind four corpses, Peeky recognizes one of the robbers as a casino employee, and fears that one of her closest loved ones might also be involved. That same day, Peeky's son-in-law turns up to tell her that Jaymie, her beloved daughter, has been stealing money from Peeky for years to feed a crack habit. Numb from these revelations, Peeky is compelled to action by an unlikely source when the most powerful member of the Santa Cruz

tribe calls upon her to help him save his troubled casino. Peeky must draw on her years of reading poker faces and playing the odds to save the casino, her daughter, and herself.

The Simon and Schuster Pocket Guide to Antiques Bevis Hillier 1981 Provides information that can be used to identify the style and period of furniture, pottery, glass, firearms, jewelry, carpets, textiles, toys, enamels, and mirrors.

Filled with tips, tricks, and tactics, this handy guide shows you how to place bets strategically. You'll learn all of the different types of bets you can make, how to spot a potentially profitable bet, and when to walk away. Covering all of the major sports leagues, The Everything Guide to Sports Betting will introduce you to the sports betting world and show you how to beat the casinos at their own games. In no time, you'll be a gambling pro—and cash in on some major wins!

Cyber Junkie Kevin Roberts 2010-08-24 Recovering video game addict Kevin Roberts offers a step-by-step guide to recovery for those struggling with compulsive video gaming and Internet surfing. Recovering video game addict Kevin Roberts offers a step-by-step guide to recovery for those struggling with compulsive video gaming and internet surfing. Video gaming and Internet surfing are the top sources of entertainment for tens of millions of North Americans today. As these technologies continue to grow and flourish, so does the number of people becoming obsessively absorbed in the imagination and fantasy that they present. More and more people are isolating themselves, turning their backs on reality, ignoring family and friends, and losing their sleep and even their jobs due to excessive use of video games and the Internet--and they continue to do so despite harmful consequences to their mental, physical, and spiritual health, a telltale sign of addiction. In this groundbreaking book, recovering video game addict Kevin Roberts uses extensive scientific and social research, complemented by his and others' personal stories, to give compulsive gamers and surfers--and their family and friends--a step-by-step guide for recovery. He outlines the ways that "cyber junkies" exhibit the classic signs of addiction and reveals how they can successfully recover by following a program similar to those used for other addictions. Readers learn to identify whether they have an addiction, find the right resources to get individualized help, and regain a rewarding life away from the screen by learning new thoughts and behaviors that free them from the cravings that rule their lives.

Included is a guide for parents for working with their addicted children.

The Complete Idiot's Guide to Gambling Like a Pro Stanford Wong 2003 Yours're no idiot, of course. No Limit Pete Hautman 2009-12-01 A teen develops a gambling addiction in this risk-heavy read—in trade paperback for the first time. Sixteen-year-old Denn Doyle’s troubles begin with a seemingly harmless—and extremely profitable—game of poker with some neighborhood kids. Eager to join the adult world, Denn realizes that casinos and poker are a means to do exactly that. His “hobby” progresses to a habit and then to an addiction that threatens relationships with his parents, girlfriend, and best friend. Hautman explores the escalation of Denn’s gambling without preachiness, dealing with his problem in a straightforward and knowledgeable manner.

All-in Pete Hautman 2012-02-07 Originally published: New York: Simon & Schuster Books for Young Readers, 2007.

Dueling with Kings Daniel Barbarisi 2017-03-07 In the spirit of *Bringing Down the House* and *The Wolf of Wall Street*, “an engrossing and often hilarious behind-the-scenes look at the characters, compulsions, and chaos inside the fantasy sports gold rush. It’s the perfect meld of a sports and business book, engagingly written like a fun, page-turning novel” (*The Wall Street Journal*). Daniel Barbarisi quit his job as a New York Yankees beat writer and began a quest to join the top one percent of Daily Fantasy Sports (“DFS”) players, the so-called “sharks,” in hopes to discover the

secrets behind this phenomenon—and potentially make some money along the way. DFS is fantasy sports on steroids. It’s the domain of bitter rivals FanDuel and DraftKings, online juggernauts who turned a legal loophole into a billion-dollar industry by allowing sports fans to bet piles of cash constructing fantasy teams. Yet as Barbarisi quickly realizes, what should have been a fun companion to casual sports viewing was instead a ferocious environment infested with sharks, a top tier of pros wielding complex algorithms, drafting hundreds of lineups, and wagering six figures daily as they bludgeon unsuspecting amateur “fish.” Barbarisi embeds himself inside the world of DFS, befriending and joining its rogue’s gallery as he tries to beat them at their own game. In a work equal parts adventure and rigorously reported investigation, Barbarisi wades into this chaotic industry at the very moment its existence is threatened by lawmakers sick of its Wild West atmosphere and pushy advertising. All their money made FanDuel and DraftKings seem invincible; but, as Barbarisi reports, they made plenty of dubious—perhaps even scandalous—moves as they vied for market supremacy. In *Dueling with Kings*, Barbarisi uncovers the tumultuous inside story of DFS, all while capturing its peculiar cast of characters, from wide-eyed newly minted millionaires, to sun-starved math geeks, to bros living an endless frat party of keggers and Playboy Bunnies. Can he outwit them all and make it to the top?

Beat the Casino Frank Barstow 1984-01-01

Making Monte Carlo Mark Braude 2017-04-25 "A rollicking narrative history of Jazz Age Monte Carlo, chronicling the city's rise from WWI's ashes to become one of the world's most storied, infamous playgrounds of the rich, only to be crushed under it's own weight ten years later"-- Provided by publisher.

Scarne's Guide to Casino Gambling John Scarne 1978

Alligator Blood James Leighton 2013-11-07 Daniel Tzvetkoff was just another Brisbane teenager working for peanuts at Pizza Hut and spending much of his spare time glued to his computer. When he worked out a new method of payment processing, the online poker companies came running to him for help so they could grow their businesses. Soon he was living the

American dream, raking in \$3 million a week and revelling in a jet-set lifestyle of fast cars, luxury yachts and VIP nightclubs. His epic rollercoaster ride mirrored the extraordinary world of online poker, where hot-shot college students won millions from the confines of their dorms, and fortunes were won and lost. However, Tzvetkoff's move to the bright lights of Las Vegas would soon see him facing the abyss. Owing millions to the poker companies, and with the FBI hot on his trail, the boy wonder needed to pull an ace from his sleeve to keep from busting out. And when he did, it resulted in a day that sent shockwaves through the world of online poker - and saw him take the blame.

Memoir of a Gambler

Jack Richardson 1979
Control Freak Cliff Bleszinski 2022-11-01 The designer of Unreal and Gears of War offers an eye-opening personal account of the video game industry as it grew from niche hobby to hundred-billion-dollar enterprise. Video games are dominating the planet. In 2020, they brought in \$180 billion dollars globally—nearly \$34 billion in the United States alone. So who are the brilliant designers who create these stunning virtual worlds? Cliff Bleszinski—or CliffyB as he is known to gamers—is one of the few who've reached mythical, rock star status. In *Control Freak*, he gives an unvarnished, all-access tour of the business. Toiling away in his bedroom, Bleszinski created and shipped his first game before graduating high school, and at just seventeen joined a fledgling company called Epic Games. He describes the grueling hours, obscene amounts of Mountain Dew and obsessive focus necessary to achieve his singular creative visions. He details Epic's rise to industry leader, thanks largely to his work on bestselling franchises Unreal and Gears of War (and, later, his input on a little game called Fortnite), as well as his own awkward ascent from shy, acne-riddled introvert to sports car-

driving celebrity rubbing shoulders with Bill Gates. As he writes, "No one is weirder than a nerd with money." While the book is laced with such self-deprecating humor, Bleszinski also bluntly addresses the challenges that have long-faced the gaming community, including sexism and a lack of representation among both designers and the characters they create. *Control Freak* is a hilarious, thoughtful, and inspiring memoir. Even if you don't play games, you'll walk away from this book recognizing them as a true art form and appreciating the genius of their creators.
