Examining Whiteness Lucia Villares
2017-12-02 "Critics consider Clarice Lispector the leading female writer in the Brazilian literary canon. Her connections with the nation, however, seem to magically disappear as her work is analysed. This paradox is the starting point for this analysis of the works of an author who - despite being born in the Ukraine - grew up to be an irreplaceable presence in Brazilian literature. Non-Brazilian authors, such as the South African Bessie Head and the North American Toni Morrison, provide triggering concepts to help tackle a blind-spot in Brazilian culture: the issue of racial difference. From this new perspective, overlooked black characters in Lispector's work become crucial and relevant, and whiteness emerges as an unexamined set of norms."

The Futilitarians Anne Gisleson 2017-08-22 A San Francisco Chronicle Best Book of the Year Recommended Summer Reading -- Louise Erdrich, New York Times "Gisleson writes with wit, warmth, and a spiritual devotion to books...Her search for purpose and connection amid chaos and loss permeates even the most heart-wrenching moments of *The Futilitarians*--and it's what turns the book from a meditation on reading to a celebration of being." --Jason Heller, NPR Anne Gisleson had lost her twin sisters, been forced to flee her home during Hurricane Katrina, and watched cancer take the life of her beloved father. Before she met her husband, Brad, he had suffered his own trauma, losing his partner and the mother of his son to cancer in her early thirties. "How do we keep

moving forward," Anne asks, "amid all this loss and threat?" The answer: "We do it together." While forging their happiness, Anne and Brad found that their friends had been suffering their own crises: loved ones gone, rocky marriages, jobs lost or gained. Together they formed what they called the Existential Crisis Reading Group, jokingly dubbed "the Futilitarians." From Epicurus to Tolstoy, from Cheever to Amis, they read and talked about the questions that dogged them most. In the year after her father's death, these living-room gatherings in post-Katrina New Orleans helped Anne blaze a trail out of her well-worn grief and finally share the untold story of her family. Written with wisdom, soul, and a playful sense of humor, *The Futilitarians* is a guide to living curiously and fully.

Breath of Life Clarice Lispector 2022-07-28 A *Breath of Life* is Clarice Lispector's final novel, 'written in agony', which she did not live to see published. Sensual and mysterious, it is a mystical dialogue between a god-like author and the creation he breathes life into: the speaking, shifting, indefinable Angela Pralini. As he has created Angela, so, eventually, he must let her die, for life is merely 'a kind of madness that death makes.' This is a unique, elegiac meditation on the creation of life, and of art.

Why This World: A Biography of Clarice Lispector Benjamin Moser 2009-07-01 "That rare person who looked like Marlene Dietrich and wrote like Virginia Woolf," Clarice Lispector is one of the most popular but least understood of Latin American writers. Now, after years of research on three continents, drawing on previously unknown manuscripts and dozens of

interviews, Benjamin Moser demonstrates how Lispector's development as a writer was directly connected to the story of her turbulent life. Born in the nightmarish landscape of post-World War I Ukraine, Clarice became, virtually from adolescence, a person whose beauty, genius, and eccentricity intrigued Brazil. *Why This World* tells how this precocious girl, through long exile abroad and difficult personal struggles, matured into a great writer. It also asserts, for the first time, the deep roots in the Jewish mystical tradition that make her the true heir to Kafka as well as the unlikely author of "perhaps the greatest spiritual autobiography of the twentieth century." From Chechnik to Recife, from Naples and Berne to Washington and Rio de Janeiro, *Why This World* strips away the mythology surrounding this extraordinary figure and shows how Clarice Lispector transformed one woman's struggles into a universally resonant art.

Family Ties Clarice Lispector 1972 Tells the stories of a fearful adolescent, an angry old woman, a dog's burial, a possessive mother and her son, a businessman's dinner, and a French explorer in Africa

Too Much of Life Clarice Lispector 2022-09 'How did I so unwittingly transform the joy of living into the great luxury of being alive?' Between 1967 and 1977, Clarice Lispector wrote weekly dispatches from her desk in Rio for the *Jornal do Brasil*. Already famous for her revolutionary, interior, metaphysical novels, in her *Chronicles* she turns her attention to the everyday, turning the material of her life into profound, touching and funny, tiny revelations. Observing the world around her, small encounters like hearing tales of the lost loves of a taxi driver, or the bitterness lurking beneath the prettiness of an old friend, become an exposition of the currents and foibles that define our lives. Everything from the meaning of cosmonauts to the new ideas, writers and artists that populate the sparkling international world of the sixties and seventies are considered and transformed into jewels of insight, delight and devastation. Sincere and playful, exhilarating and contemplative, *Too Much of Life- Complete Chronicles* opens up a new way of seeing the world.

Women and Men Joseph McElroy 2023-01-17 Beginning in childbirth and entered like a

multiple dwelling in motion, *Women and Men* embraces and anatomizes the 1970s in New York - from experiments in the chaotic relations between the sexes to the flux of the city itself. Yet through an intricate overlay of scenes, voices, fact, and myth, this expanding fiction finds its way also across continents and into earlier and future times and indeed the Earth, to reveal connections between the most disparate lives and systems of feeling and power. At its breathing heart, it plots the fuguelike and fieldlike densities of late-twentieth-century life. McElroy rests a global vision on two people, apartment-house neighbors who never quite meet. Except, that is, in the population of others whose histories cross theirs believers and skeptics; lovers, friends, and hermits; children, parents, grandparents, avatars, and, apparently, angels. For *Women and Men* shows how the families through which we pass let one person's experience belong to that of many, so that we throw light on each other as if these kinships were refracted lives so real as to be reincarnate. A mirror of manners, the book is also a meditation on the languages, rich, ludicrous, exact, and also American, in which we try to grasp the world we're in. Along the kindred axes of separation and intimacy *Women and Men* extends the great line of twentieth-century innovative fiction.

The Hour of the Star Clarice Lispector 1992 The *Hour of the Star*, Clarice Lispector's consummate final novel, may well be her masterpiece.

Soulstorm Clarice Lispector 1989 The twenty-nine stories in *Soulstorm* were originally published in two separate volumes in 1974--*Via Crucis do Corpo* (The Stations of the Body) and *Onde Estivestes de Noite* (Where You Were at Night)--and are now combined and sensitively translated into English by Alexis Levitan.

The Complete Stories Clarice Lispector 2015 Clarice Lispector's *Complete Stories*, 85 in all, are an epiphany, among the important books of this--or any--year

Passion According to G.H Clarice Lispector 2017-03-02 G.H., a well-to-do Rio sculptress, enters the room of her maid, which is as clear and white 'as in an insane asylum from which dangerous objects have been removed'. There she sees a cockroach - black, dusty, prehistoric -

crawling out of the wardrobe and, panicking, slams the door on it. Her irresistible fascination with the dying insect provokes a spiritual crisis, in which she questions her place in the universe and her very identity, propelling her towards an act of shocking transgression. Clarice Lispector's spare, deeply disturbing yet luminous novel transforms language into something otherworldly, and is one of her most unsettling and compelling works. Clarice Lispector was a Brazilian novelist and short story writer. Her innovation in fiction brought her international renown. References to her literary work pervade the music and literature of Brazil and Latin America. She was born in the Ukraine in 1920, but in the aftermath of World War I and the Russian Civil War, the family fled to Romania and eventually sailed to Brazil. She published her first novel, *Near to the Wildheart* in 1943 when she was just twenty-three, and the next year was awarded the Graça Aranha Prize for the best first novel. Many felt she had given Brazillian literature a unique voice in the larger context of Portuguese literature. After living variously in Italy, the UK, Switzerland and the US, in 1959, Lispector with her children returned to Brazil where she wrote her most influential novels including *The Passion According to G.H.* She died in 1977, shortly after the publication of her final novel, *The Hour of the Star*.

Sexuality and Being in the Poststructuralist Universe of Clarice Lispector Earl E. Fitz 2010-06-28 Driven by an unfulfilled desire for the unattainable, ultimately indefinable Other, the protagonists of the novels and stories of acclaimed Brazilian writer Clarice Lispector exemplify and humanize many of the issues central to poststructuralist thought, from the nature of language, truth, and meaning to the unstable relationships between language, being, and reality. In this book, Earl Fitz demonstrates that, in turn, poststructuralism offers important and revealing insights into all aspects of Lispector's writing, including her style, sense of structure, characters, themes, and socio-political conscience. Fitz draws on Lispector's entire oeuvre—novels, stories, crônicas, and children's literature—to argue that her writing consistently reflects the basic tenets of poststructuralist theory. He shows how Lispector's characters

struggle over and humanize poststructuralist dilemmas and how their essential sense of being is deeply dependent on a shifting, and typically transgressive, sense of desire and sexuality.

The Woman Who Killed the Fish (Storybook ND Series) Clarice Lispector 2022-08-16 Four beguiling tales for children of all ages. A surprising new facet of Clarice Lispector's genius "That woman who killed the fish unfortunately is me," begins the title story, but "if it were my fault, I'd own up to you, since I don't lie to boys and girls. I only lie sometimes to a certain type of grownup because there's no other way." Enumerating all the animals she's loved—cats, dogs, lizards, chickens, monkeys—Clarice finally asks: "Do you forgive me?" "The Mystery of the Thinking Rabbit" is a detective story which explains that bunnies think with their noses: for a single idea a bunny might "scrunch up his nose fifteen thousand times" (he may not be too bright, but "he's not foolish at all when it comes to making babies"). The third tale, "Almost True," is a shaggy dog yarn narrated by a pooch who is very worried about a wicked witch: "I am a dog named Ulisses and my owner is Clarice." The wonderful last story, "Laura's Intimate Life" stars "the nicest hen I've ever seen." Laura is "quite dumb," but she has her "little thoughts and feelings. Not a lot, but she's definitely got them. Just knowing she's not completely dumb makes her feel all chatty and giddy. She thinks that she thinks." A one-eyed visitor from Jupiter arrives and vows Laura will never be eaten: she's been worrying, because "humans are a weird sort of person" who can love hens and eat them, too. Such throwaway wisdom abounds: "Don't even get me started." These delightful, high-hearted stories, written for her own boys, have charm to burn—and are a treat for every Lispector reader.

Clarice Lispector Diane Marting 1993-11-22 Clarice Lispector was one of the most important Brazilian writers in Portuguese of the 20th century, and her work continues to receive critical attention. This reference provides a detailed record of her life and career. The book begins with introductory material on the difficulties of documenting her work, and on her life as a writer. The chapters that follow provide

annotated entries for works written by and about her. The first part of the book contains chapters on each of Lispector's major works. Each chapter begins with a brief critical essay, followed by lists of editions and translations, as well as criticism. Also included are chapters on other works by Lispector. The second part of the volume contains chapters on general works about Lispector's writing, such as biographical accounts, bibliographies and other reference works, and general criticism. Appendices provide translations of her Portuguese titles, and an index concludes the volume.

Readings Hélène Cixous 1991 Four striking and novel textual studies of major literary figures and emergent authors. Selected from Cixous's seminars taught between 1980 and 1986 at the Université de Paris VIII (Saint-Denis) and at the Collège International de Philosophie, the texts chronicle the French intellectual scene with its shifting tastes over the decade following May 1968. Edited, translated, and introduced by Verena Andermatt Conley. Annotation copyrighted by Book News, Inc., Portland, OR
The Passion According to G.H. Clarice Lispector 1988 A disoriented and confused young woman looks back on her life and her place in the world."

An Apprenticeship or The Book of Pleasures Clarice Lispector 2022-05-03 Now in paperback, a romantic love story by the great Brazilian writer Lóri, a primary school teacher, is isolated and nervous, comfortable with children but unable to connect to adults. When she meets Ulisses, a professor of philosophy, an opportunity opens: a chance to escape the shipwreck of introspection and embrace the love, including the sexual love, of a man. Her attempt, as Sheila Heti writes in her afterword, is not only "to love and to be loved," but also "to be worthy of life itself." Published in 1968, *An Apprenticeship* is Clarice Lispector's attempt to reinvent herself following the exhausting effort of her metaphysical masterpiece *The Passion According to G. H.* Here, in this unconventional love story, she explores the ways in which people try to bridge the gaps between them, and the result, unusual in her work, surprised many readers and became a bestseller. Some appreciated its accessibility; others denounced it as sexist or superficial. To both admirers and

critics, the olympian Clarice gave a typically elliptical answer: "I humanized myself," she said. "The book reflects that."

The Passion According to G.H. Clarice Lispector 2012-06-13 Lispector's most shocking novel. *The Passion According to G.H.*, Clarice Lispector's mystical novel of 1964, concerns a well-to-do Rio sculptress, G.H., who enters her maid's room, sees a cockroach crawling out of the wardrobe, and, panicking, slams the door—crushing the cockroach—and then watches it die. At the end of the novel, at the height of a spiritual crisis, comes the most famous and most genuinely shocking scene in Brazilian literature...

Lispector wrote that of all her works this novel was the one that "best corresponded to her demands as a writer."

A Study Guide for Clarice Lispector's "Family Ties" Gale, Cengage Learning 2016
"Coming to Writing" and Other Essays Hélène Cixous 1991 This collection presents six essays by one of France's most remarkable contemporary authors. A notoriously playful stylist, here Hélène Cixous explores how the problematics of the sexes—viewed as a paradigm for all difference, which is the organizing principle behind identity and meaning—manifest themselves, write themselves, in texts. These superb translations do full justice to Cixous's prose, to its songlike flow and allusive brilliance.

Writing by Ear Marilia Librandi 2018-07-03 *Writing by Ear* examines the explicit articulation of listening-in-writing found in the work of Brazilian novelist Clarice Lispector. The terms "writing by ear," the "aural novel," and "echopoetics" rethink fiction as a poetics of listening to the world.

The Chandelier Clarice Lispector 2019-05-28

In paperback, Clarice Lispector's explosive and surprising second novel *The Chandelier*, written when Lispector was only twenty-three, reveals a very different author from the college student whose debut novel, *Near to the Wild Heart*, announced the landfall of "Hurricane Clarice." Virginia and her cruel, beautiful brother, Daniel, grow up in a decaying country mansion. They leave for the city, but the change of locale leaves Virginia's internal life unperturbed. In intensely poetic language, Lispector conducts a stratigraphic excavation of Virginia's thoughts, revealing the drama of Clarice's lifelong quest to discover "the nucleus made of a single instant"—and displaying a new face of this great writer, blazing with the vitality of youth.

After Clarice Adriana X. Jacobs 2022-08-29

Forty years after her death, Clarice Lispector's startling oeuvre continues to fascinate readers and scholars. Internationally acclaimed writers, from Hélène Cixous to Colm Tóibín, have acknowledged the transformative influence of her writing on their own work. Translations of her novels and short stories appear every year in many languages, making her one of the most widely translated and retranslated Portuguese-language writers of the twentieth century. After

Clarice: Reading Lispector's Legacy in the Twenty-First Century brings together scholars, authors, artists, and translators working in a wide range of languages and disciplines to address Lispector's place, as a Brazilian writer, in twenty-first century configurations of world literature. It aims to evaluate the fluctuations and swerves in Lispector's critical fortunes, focusing on the way her works have been reread and transformed in other languages, genres, and media. Gathering scholarly articles, works of fiction and poetry, personal essays and archival material, this volume explores Lispector's status as a Jewish writer; issues of identity, class, race, gender and sexuality in her work; translation and reception, as well as the politics of publishing and marketing Lispector for international readerships. In addition to her stories and novels, *After Clarice* also examines Lispector's journalism, writing for children, interviews, music and visual art collaborations, and considers how these activities have garnered her new readers in a wide range of disciplines.

Three Steps on the Ladder of Writing Hélène Cixous 1993

Three Steps on the Ladder of Writing is a poetic, insightful, and ultimately moving exploration of 'the strange science of writing.' In a magnetic, irresistible narrative, Cixous reflects on the writing process and explores three distinct areas essential for 'great' writing: *The School of the Dead*--the notion that something or someone must die in order for good writing to be born; *The School of Dreams*--the crucial role dreams play in literary inspiration and output; and *The School of Roots*--the importance of depth in the 'nether realms' in all aspects of writing. Cixous's love of language and passion for the written word is evident on every page. Her emotive style draws heavily on the writers she most admires: the Brazilian novelist Clarice Lispector, the Russian poet Marina Tsvetaeva, the Austrian novelists Ingeborg Bachmann and Thomas Bernhard, Dostoyevsky and, most of all, Kafka.

The Besieged City Clarice Lispector 2019-04-30

Seven decades after its original publication, Clarice Lispector's third novel—the story of a girl and the city her gaze reveals—is in English at last. Seven decades after its original publication, Clarice Lispector's third novel—the

story of a girl and the city her gaze reveals—is in English at last. Lucrecia Neves is ready to marry. Her suitors—soldierly Felipe, pensive Perseu, dependable Mateus—are attracted to her tawdry not-quite-beauty, which is of a piece with Sao Geraldo, the rough-and-ready township she inhabits. Civilization is on its way to this place, where wild horses still roam. As Lucrecia is tamed by marriage, Sao Geraldo gradually expels its horses; and as the town strives for the highest attainment it can conceive—a viaduct—it takes on the progressively more metropolitan manners that Lucrecia, with her vulgar ambitions, desires too. Yet it is precisely through this woman's superficiality—her identification with the porcelain knickknacks in her mother's parlor—that Clarice Lispector creates a profound and enigmatic meditation on “the mystery of the thing.” Written in Europe shortly after Clarice Lispector's own marriage, *The Besieged City* is a proving ground for the intricate language and the radical ideas that characterize one of her century's greatest writers—and an ironic ode to the magnetism of the material.

Near to the Wild Heart Clarice Lispector 2012-06-13 This new translation of Clarice Lispector's sensational first book tells the story of a middle class woman's life from childhood through an unhappy marriage and its dissolution to transcendence. *Near to the Wild Heart*, published in Rio de Janeiro in 1943, introduced Brazil to what one writer called “Hurricane Clarice”: a twenty-three-year-old girl who wrote her first book in a tiny rented room and then baptized it with a title taken from Joyce: “He was alone, unheeded, near to the wild heart of life.” The book was an unprecedented sensation — the discovery of a genius. Narrative epiphanies and interior monologue frame the life of Joana, from her middle-class childhood through her unhappy marriage and its dissolution to transcendence, when she proclaims: “I shall arise as strong and comely as a young colt.”

Selected Cronicas Clarice Lispector 1996-11-17 “Clarice Lispector was a born writer....she writes with sensuous verve, bringing her earliest passions into adult life intact, along with a child's undiminished capacity for wonder.”—The New York Times Book Review “In 1967, Brazil's leading

newspaper asked the avant-garde writer Lispector to write a weekly column on any topic she wished. For almost seven years, Lispector showed Brazilian readers just how vast and passionate her interests were. This beautifully translated collection of selected columns, or *crônicas*, is just as immediately stimulating today and ably reinforces her reputation as one of Brazil's greatest writers. Indeed, these columns should establish her as being among the era's most brilliant essayists. She is masterful, even reminiscent of Montaigne, in her ability to spin the mundane events of life into moments of clarity that reveal greater truths.”—Publishers Weekly

The Hour of the Star (Second Edition)

Clarice Lispector 2011-10-24 A new edition of Clarice Lispector's final masterpiece, now with a vivid introduction by Colm Tóibín. Narrated by the cosmopolitan Rodrigo S.M., this brief, strange, and haunting tale is the story of Macabéa, one of life's unfortunates. Living in the slums of Rio and eking out a poor living as a typist, Macabéa loves movies, Coca-Colas, and her rat of a boyfriend; she would like to be like Marilyn Monroe, but she is ugly, underfed, sickly and unloved. Rodrigo recoils from her wretchedness, and yet he cannot avoid the realization that for all her outward misery, Macabéa is inwardly free/She doesn't seem to know how unhappy she should be. Lispector employs her pathetic heroine against her urbane, empty narrator—edge of despair to edge of despair—and, working them like a pair of scissors, she cuts away the reader's preconceived notions about poverty, identity, love and the art of fiction. In her last book she takes readers close to the true mystery of life and leave us deep in Lispector territory indeed.

Time in Exile Marcia Sá Cavalcante Schuback

2020-02-10 This book is a philosophical reflection on the experience of time from within exile. Its focus on temporality is unique, as most literature on exile focuses on the experience of space, as exile involves dislocation, and moods of

nostalgia and utopia. Marcia Sá Cavalcante Schuback proposes that in exile, time is experienced neither as longing back to the lost past nor as wanting a future to come but rather as a present without anchors or supports. She articulates this present as a "gerundive" mode, in which the one who is in exile discovers herself simply being, exposed to the uncanny experience of having lost the past and not having a future. To explore this, she establishes a conversation among three authors whose work has exemplified this sense of gerundive time: the German philosopher Martin Heidegger, the French writer and essayist Maurice Blanchot, and the Brazilian writer Clarice Lispector. The book does not aim to discuss how these authors understand the relation between time and exile, but presents a conversation with them in relation to this question that reflects new aspects in their work. Attempting to think and express this difficult sense of time from within exile, *Time in Exile* engages with the relation between thought and language, and between philosophy and literature. Departing from concrete existential questions, Sá Cavalcante Schuback reveals new philosophical and theoretical modes to understand what it means to be present in times of exile.
