Ready for Love Stella Starling 2017-05-14 Jake Hansen has been crushing on Gabe Byrne for half his life, but since Gabe is a straight, self-proclaimed commitment-phobe who moved away years ago to join the Marines, that crush is strictly a fantasy-best-enjoyed-in-private. And even when Gabe starts to flirt with him like crazy, Jake still knows better than to think it means anything. Because falling in love with your straight bestie? Not just a cliché, but a guaranteed recipe for disaster. ...right? Growing up, Gabe never saw "Little Jakey" as anything more than the kid who always liked to tag along after him and his brothers, but somehow, being friends with Jake has become the best part of his

day. And after a seven-month deployment? Seeing Jake is the one thing he's looking forward to the most. He just didn't expect that hanging out in person again would be so confusing... or keep blurring the lines about just how straight he is... or keep making him want things that he never thought he would. Things that seem a lot like forever. Ready For Love is a gay romance novel of approximately 79,000 words that contains a hot Marine who spends a good portion of the book in denial, a perky flight attendant who keeps saying yes, zoo animals in compromising positions, a variety of home decor issues, and a sweet and very public happily-ever-after ending worthy of true romantics. Every Stella Starling romance can be read as a standalone and takes place in the same interconnected, contemporary world. Ready For Love is the first book in the Semper Fi series, which is a spin off from At Last, The Beloved Series.

Miss Bindergarten Gets Ready for

Kindergarten Joseph Slate 2001-07-09 This rhyming, brightly illustrated book is the perfect way to practice the alphabet and to introduce young children to kindergarten. It's the first day of kindergarten and Miss Bindergarten is hard at work getting the classroom ready for her twenty-six new students. Meanwhile, Adam Krupp wakes up, Brenda Heath brushes her teeth, and Christopher Beaker finds his sneaker. Miss Bindergarten puts the finishing touches on the room just in time, and the students arrive. Now the fun can begin! "Multifaceted and appealing, this book can be enjoyed in many ways, at home and at school." --The New York Times Book Review For readers of Kindergarten, Here I Come and The Night Before Kindergarten. *All About Love* bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in

feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she

provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
