Edgar Allan Poe and the Dupin Mysteries R. Kopley 2008-11-10

Employing the methods of Poe's own detective, Edgar Allan Poe and the Dupin Mysteries offers new and surprising discoveries about Poe's stories "The Murders in the Rue Morgue," "The Mystery of Marie Rogêt," and "The Purloined Letter." Kopley sheds light on the beginnings of the modern detective tale and anchors Poe to his rightful place within the genre. Offering archival study and biographical analysis, as well as a reprint of the three stories, this book is an insightful and useful guide for students and experts alike.

The Desert Albert Memmi 2015-10-08 Hailed as a masterpiece when it was first published in France in 1977, *The Desert* tells the story of al-Mammi, a young exiled prince of a now-destroyed Jewish kingdom in southern Morocco in the late fourteenth century. Fighting battles in the service of kings and narrowly escaping imprisonment, the prince travels the Islamic world absorbing lessons, often painfully, on how to govern himself, as well as a country. At that same time, al-Mammi engages upon a spiritual journey to obtain inner wisdom rather than material riches. Memmi chronicles the prince's fortunes as they rise and fall, drawing upon the traditions of Maghrebian storytelling and Arabian tales to offer

a highly imaginative and allegorical novel that provocatively blends history with fiction.

Working with the Ancestors Emily C. Donaldson 2019-07-12

Throughout the Marquesas Islands of French Polynesia, forest spirits share space with ancestral ruins and active agricultural plots, affecting land use and heritage preservation. As Marquesans continue their efforts to establish UNESCO World Heritage status, they grapple with questions about when sites should be preserved intact, when neglect is an appropriate option, and when deterioration resulting from local livelihoods should be accepted. In *Working with the Ancestors* Emily Donaldson considers how Marquesan perceptions of heritage and mana, or sacred power, have influenced the use of land in the islands and how both cultural and environmental sustainability can be achieved. The Marquesas' relative geographical isolation and ecological richness are the backdrop for the confluence of international heritage preservation and sustainability efforts that affect both resources and Indigenous peoples. Donaldson demonstrates how anthropological concepts of embodiment, alienation, place, and power can inform global resource management, offering a new approach that integrates analyses of policy, practice, and heritage.

The One Taste of Truth William Scott Wilson 2013-01-08 Traditionally

in China and Japan, drinking a cup of tea was an opportunity for contemplation, meditation, and an elevation of mind and spirit. Here, renowned translator William Scott Wilson distills what is singular and precious about this traditional tea culture, and he explores the fascinating connection between Zen and tea drinking. He unpacks the most common phrases from Zen and Chinese philosophy—usually found in Asia printed on hanging scrolls in tea rooms, restaurant alcoves, family rooms, and martial arts dojos—that have traditionally served as points of contemplation to encourage the appropriate atmosphere for drinking tea or silent meditation. Part history, part philosophy, part inspirational guide, *The One Taste of Truth* will connect you to the distinctive pleasure of sipping tea and allowing it to transport your mind and thoughts. This beautifully written book will appeal to tea lovers and anyone interested in tea culture, Chinese philosophy, and Zen.

The Population Ecology of White-Headed Langur Wenshi Pan 2021-04-03

This book offers a rare and detailed insight into 20 years' of in-depth field research and conservation of the white-headed langur. It focuses on the white-headed langur's natural refuge, territory and home range, diets and foraging strategies, behavior modes, reproductive strategies, population, possible future viabilities, and their interaction with human society. From 1996 through 2016, a small research team led by Prof. Wenshi Pan from Peking University conducted studies and conservation efforts on the white-headed langur, one of the most endangered endemic species of China, in Guangxi and saved the species from extinction. With the help of conservationists' efforts, the white-headed langur population in Nongguan Mountains, Guangxi, gradually increased from 105 to approximately 820. This book shares the success story of the unification of human development and wildlife conservation.

Encyclopedia of Nordic Crime Fiction Mitzi M. Brunsdale 2016-04-28

Since the late 1960s, the novels of Sjöwall and Wahloo's Martin Beck detective series, along with the works of Henning Mankell, Hakan Nesser and Stieg Larsson, have sparked an explosion of Nordic crime fiction--grim police procedurals treating urgent sociopolitical issues affecting the

contemporary world. Steeped in noir techniques and viewpoints, many of these novels are reaching international audiences through film and television adaptations. This reference guide introduces the world of Nordic crime fiction to English-speaking readers. Caught between the demands of conscience and societal strictures, the detectives in these stories--like the heroes of Norse mythology--know that they and their world must perish, but fight on regardless of cost. At a time of bleak eventualities, Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit.

The Boy From Zarephath Robertson Tirado 2019-02-15 On the precipice of despair, love, friendship and a family's true bond 'The Boy from Zarephath' explores the Old Testament, the reign of King Ahab over Israel and the first biblical account of a resurrection. One of Israel's devastating droughts the prophet Elijah developed a friendship with a widow (Chava) and her son (Jonah). This story imagines the path the widow's son took as a young man and the perils he would have endured when Israel and ten surrounding nations gathered to fight the Assyrian invasion. It also explores the life of Chava before she was a widow, her strength, resourcefulness and her son's life in Zarephath. Cross the Orontes River, meet on the battlefield at Qarqar, learn from the boy's mentor Elijah and discover the many new friendships that bond our ancestors. Using bible canon, imagination and historical fact to uplift, and encourage the soul.

Ancestral Bonz II Carroll Silvera 2015-08-25 ...with teeth bared, she bit at his testicles as they dangled freely between his legs. Suddenly he let go of her hair; her head spun as he hit her with all his force. Other than Elisabeth Parthena Bunyan, there was nothing James Martin Prescott

longed for more than land as far as the eye could see, and the American government was offering it free. If life had taught him anything, it was, there was a price to pay for all things in this world. The Oregon Trail had been treacherous, the price paid by many, more than Jamie could fathom. They stood now on a precipice of the land, heard the thunder of the river, the wind, as it whistled through the grove of Aspen, and gazed upon the ermine cloaked Rocky Mountains. They had arrived; this was Montana!

The Precipice Toby Ord 2020-03-24 This urgent and eye-opening book makes the case that protecting humanity's future is the central challenge of our time. If all goes well, human history is just beginning. Our species could survive for billions of years - enough time to end disease, poverty, and injustice, and to flourish in ways unimaginable today. But this vast future is at risk. With the advent of nuclear weapons, humanity entered a new age, where we face existential catastrophes - those from which we could never come back. Since then, these dangers have only multiplied, from climate change to engineered pathogens and artificial intelligence. If we do not act fast to reach a place of safety, it will soon be too late. Drawing on over a decade of research, *The Precipice* explores the cutting-edge science behind the risks we face. It puts them in the context of the greater story of humanity: showing how ending these risks is among the most pressing moral issues of our time. And it points the way forward, to the actions and strategies that can safeguard humanity. An Oxford philosopher committed to putting ideas into action, Toby Ord has advised the US National Intelligence Council, the UK Prime Minister's Office, and the World Bank on the biggest questions facing humanity. In *The Precipice*, he offers a startling reassessment of human history, the future we are failing to protect, and the steps we must take to ensure that our generation is not the last. "A book that seems made for the present moment." —New Yorker

Memory Road Trip Krista Marson 2021-09-07 MEMORY ROAD TRIP is a collection of travel stories ranging from the sublime to the surreal as recounted by a former travel agent who saw the world on the cheap. The journey down memory road is a heartfelt excursion into the past that

takes armchair explorers on an odyssey of life, love, and loneliness. The circuitous path is full of philosophical nooks and crannies, and many stories get told from the bottom of a well. Many of Krista's stories speak to the angst that simmers inside all of us as we confront the many absurdities that exist in this world. Her passion for nature, art, history, and architecture gush across the page, along with her contagious curiosity in life and her pragmatic acceptance of death. MEMORY ROAD TRIP is not only an adventurous journey to certain parts of the globe, but it is also an introspective and witty journey to the mysterious self. For as large as the world is, it has grown infinitely smaller, yet currently exists relatively out of reach. Travel, for the moment, is safer done mentally these days, so now's the time to go on a MEMORY ROAD TRIP with someone who knows the way.

The Sending Geoffrey Household 2015-03-24 In this remarkable thriller, a British estate owner with psychic powers senses he's being hunted on his own land by a bloodthirsty beast Algif Hollaston, a cultured English gentleman and painter, has returned to his childhood home in remote Somerset following the death of his father. In this confusing time, he is grateful for the nascent friendship and support of Paddy Gadsden, an amiable saddler on the family estate. But only days after his arrival, Algif is shocked to learn Paddy has been violently murdered. After assuming ownership of Paddy's beloved pet, a tame and playful polecat named Meg, Hollaston—who is more attuned to the mystical than some—begins receiving strange psychic sensations. An instinctual, animalistic sense of impending danger is telling him to flee this place as fast and as far as possible. Before he knows it, this man of class and breeding finds himself abruptly and frighteningly transformed into that most primal of creatures: prey. An ingenious novel of suspense and terror that exposes

the animal within us all, Geoffrey Household's *The Sending* is a masterful tale of mortal peril and self-preservation that will keep thriller fans awake and reading into the late hours of the night.

Other Worlds Charlotte Hardman 2020-09-02 This important ethnographic study explores the world-view of the Lohorung Rai, a hill tribe of about 3,000 members living in Eastern Nepal. These rice farmers have a tradition of migration combined with hunting and gathering. By examining Lohorung concepts and their discourse on self and emotion, this book explores the way in which ancestral influence dominates the daily lives and rituals of the Lohorung. It explores the 'other world' of the Lohorung within which their concepts about the nature of the person and the natural world can be understood. This study will be relevant not only to Himalayan experts but to all anthropologists interested in culture, self and emotion.

Littell's Living Age Eliakim Littell 1877

On the Precipice of Prejudice and Persecution Konrad Kingshill 2008 This book is written for information and truth about the twenty two chapters of Revelation revealing its full contents of divine truth. With an open mind and a ear to hear and a heart to receive you are finally set free. The living Christ is worthy to open the seals of his own History, His-Story. This book should be read by everyone that is seeking divine truth. Most people try to interpret with their own understanding and will not let the master speak. Its about our savior and not your story. There is no input or conjecture in this book by the author. This book will reveal to you what has been preached and the errors you were persuaded to believe. Now you will know the truth and this accurate knowledge of truth will indeed set you free. Every phrase and word is back up by scripture so that you dont need mans interpretation any longer. Since there are many false prophets among you, reading this book will give you insight into the fathers word and council. You must get your house in order in view of the times. Katrina was a sign and wakeup call. We have a money

bought congregation and not a blood bought congregation. For this reason there is no transformation and also while your mind set is on getting out of here the world is going to hell in a hand basket. Wake up my people and REPENT for the SEALS are now open. Give him praise and glory Amen. Amen. Amen.
